We took off to get after Wishmaker.

Nico: He's here somewhere.

We were flying in the air, and we saw Wishmaker surrounded by Brambledairan wolves.

Lincoln landed, and he approached the Brambledairan wolves.

Lincoln: That's enough, stand down.

They obeyed him and stood down.

Fluttershy: Amazing.

Then, Lincoln flew right at Wishmaker and grabbed him by the throat with his right hand and threw him into a nearby massive tree with really immense godly superhuman strength and the tree was immediately uprooted and it fell down to the ground with a thunderous thud.

Me: WHOA!

Then, we landed as Wishmaker got out of the rubble.

Wishmaker: (Growls) How dare you get in my way, Team Loud Phoenix Storm?!

Me: We have that kind of impression.

Qin: Yep.

Ruby Rose, Weiss, Blake, Yang, Jaune, Nora, Pyrrha, Ren, Emerald and Ulrich Used their rings and blasted him all over.

Valeria Wildmutt: Lets show him some Vulpimancer power.

Wildmutt agreed.

Valeria and Wildmutt: VULPIN CLAW BLAST!

They fired waves of claw energy and slashed Wishmaker all over.

Shellder charged at him and blasted him with energy balls.

Me: YEAH!

NIco: Show me what you got!

Wishmaker: My pleasure!

He then showed us a window into the future and we saw us in the White House and I am the president and Nico was right beside me and May, Maria, William, Lincoln and us were there.

Me: Wait is that me sitting in the Oval Office!?

Wishmaker: Yep. In 1 year you guys destroyed Anti-Monitor. And J.D. You are 50th President of the United States and Nico is the Vice President.

Nico: COOL!

Me: WOW! But to be honest I don't know ANYTHING about Politics.

William: Hey, you've helped defuse plenty of conflicts before.

Me: That's true. But I don't know how to run a country or the government or anything about being president.

Wishmaker: Maybe so but you are leader here. Maria is the Secretary of Agriculture, May is the Secretary of Education, Lincoln is the Attorney General, William is the Secretary of the Department of Homeland Security and Aylene Carter is made as Secretary of Defense.

Me: WOW!

Lincoln: Wow me as United States Attorney General!? That is cool! My backup plan in case I failed to be a comic book author was to work for the police force.

Me: That is awesome!

Varie: And me and J.D.'s wives are all the first ladies.

Wishmaker: That's right.

Me: Cool!

Wishmaker: You brought world peace and ended world hunger and brought thousands of planets together with Earth Omega.

Me: Wow! That 2nd one we already did thanks to Flint Lockwood and his invention and our ingenuity.

Wishmaker: True and Nico your daughter Videl has taken the position of Leader of the team while you guys are in the white house.

Nico: WOW! I passed the torch on to Videl! That is awesome!

Videl Chan: (Ecstatic) ME AS LEADER!? Oh wow!

Me: Yeah!

Nico: Yep.

Wishmaker: (to Gatomon) Now for you!

He used his powers in Gatomon and she found herself in a land of fish.

Gatomon: FISH FISH FISH FISHY FISHY FISH!

SHE WAS EATING THEM ALL!

Mevya saw this.

Mevya: Uh oh.

Mevya hid with Kevin.

Me: Oh boy.

Wishmaker: That really is funny. Gatomon loves eating fish.

Me: She's a cat digimon what did you expect?

Wishmaker: True.

Me: Yeah.

Wishmaker: Anyone else want a turn or should we continue?

Poromon: How about me and the mascots?

Wishmaker: Sure.

He used his powers on the mascots.

Poromon saw himself on an island made of beer!

Poromon: YAY! BEER!

He drank it all over.

Poliwag saw himself an island of popsicles and he was licking them all.

Poliwag: Yummy!

We laughed!

Me: Poliwag is happy on an island of popsicles.

Nico: He sure is!

Maria looked at Horsea.

Horsea: I actually don't know what I want to wish for.

Manaphy: Me neither.

Me: Darn.

But then, Horsea saw her personal wish. So did Manaphy

Horsea was on an island of Gummy Fish!

Horsea: GUMMY FISH!

Manaphy was on an island with Samiya the Sea Temple and it had LOTS OF POKEMON and May was with her as a mermaid!

Manaphy: WOW! This is amazing!

May: Wow is that me as a mermaid!? I look amazing!

Nico: I knew there was something you two would wish for!

Me: Horsea sure loves gummy fish doesn't she?

Maria: She can't eat enough of them.

Me: I can see why.

Jirachi's wish was shown. It was Max and him on a planet of twinkies and having fun and eating.

Me: I knew it was going to be a planet of twinkies!

Nico: (LAUGHS)

Max: Yeah we love them!

Tentacool's wish was shown. It was her and her fellow Tentacool bashing and blasting Nastina with lasers and water blasts and making sure she gets what's called JELLYFISH TOXIC SHOCK SYNDROME! Even the Jellyfish Members of the M.O.E. Were helping out. We saw Big Lenny stinging her.

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

WE COVERED OUR EYES AS HE STUNG HER!

Me: YIKES!

Nico: OUCH! That had to hurt!

Qin: No kidding!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！

Then, I held out my left hand and fired 999 massive balls of fire at Wishmaker, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, WISHMAKER!

Lincoln, Nico, and I did one final powerful energy slash that hit Wishmaker hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Wishmaker was on his last legs and he was really really mangled.

Lincoln, Nico, and I fired blasts of ruby red fire and ladybugs which hit Wishmaker hard, and we kicked him hard in the stomach and sent him flying into a portal Lincoln opened up that led to The M.O.E. We cheered wildly as we holstered our weapons and powered down.

Nico: That should do it, but still, that was intense, and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Brambledaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Brambledaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Nico: (to me) It's not really retiring if you become the president in the future. And hey, you get to have a leadership position again

Me: True. But I'm not ready for the world of politics. I probably never will be.

Qin: Maybe so. But you are smart and strong and can do all that.

Me: I know.

Shellder: That was an amazing future though.

Videl Chan: And me as leader then. Wow!

Nico: I know.

Qin: Yeah.

Nico: Nice job Shellder.

Shellder: Thanks Nico. That was fun.

Me: It sure was.

Poromon: Want some beer?

Shellder: Oh no thank you. I don't drink. I'm allergic and If I do drink beer then I swell up like a balloon and itch like crazy.

Me: Ouch.

Poromon: Yikes. Okay then.

Poliwag (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Shellder: Nice try though pipsqueak.

Poliwag: HEY! We're the same size!

Nico: Anyone have plans for later?

Gina Everest: I'm going to show you all my parents house later.

Me: Cool! Where is it?

Gina Everest: On the roof of the La CasaGrand Lorelai Suites.

Qin: Oh wow! The most luxurious 20 Diamond 5 Star hotel in the city! You have to be worth billions of dollars to stay there.

Me: Amazing!

Qin: Yeah!

Gina Everest: You guys a going to be in for an amazing treat.

Magma Dragoon: We sure are.

Nico: Oh Magma Dragoon, what do you like to do in your free time?

Magma Dragoon: Oh I design water fountains shaped like volcanoes for hotels and mansions. I sometimes make phoenixes and dragons emerging from them.

Me: That is cool!

Magma Dragoon: It sure is. But it's good money.

Xenia: It sure is.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Green Arrow.

Green Arrow: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: Yep. So Magma Dragoon, Flannery (Pokemon), Vianna Volcanic Doom Neos, Molly Magma, Varya Volcano and Vivian Tiki are up and we have Another Ugly Monster, Crustor, Empress Blublax, Volcano Sisters, Whale Undead (Kamen Rider Blade) and Tiki Aliens (SpongeBob)

Qin: Yep.

Me: I can't wait to see what Rouge Card the Whale Undead has.

Camie: This will be cool.

Nico: There they are!

We saw Another Crustor, Empress Blublax, Volcano Sisters, Whale Undead (Kamen Rider Blade) and Tiki Aliens (SpongeBob)!

Me: Whoa this will be intense.

Another Crustor: (In a girls voice) It sure will be.

They reverted back and were the gene-slammers of Evil HERO Sparkling Inferno Wing, Evil HERO Shining Inferno

Wing and Evil HERO Infernal Reaper!

Nico: Tina and Tanya Sparkla and Laura Hellfire!

Tina Sparkla: Good to see you again Nico.

Tanya Sparkla: You and everyone are looking great.

Laura Hellfire: You sure are.

Me: The gene-slammers of Evil HERO Sparkling Inferno Wing, Evil HERO Shining Inferno Wing and Evil HERO Infernal Reaper! Cool!

Laura Hellfire: YEp.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Tanya Sparkla: Friendly and awesome.

Me: Nice.

Nico: Sorry we have to do this girls.

They glowed and the anothers were separated. We saw Another Toothpick (X-Squad), Universe 666 Kars, Rollodillo, Army (Donkey Kong) and Glypton Phantom Griplius.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait

Poromon: Me and Poliwag have been there too. It's amazing.

Me: I can tell.

James: Gina did you have problems like I have?

Gina Everest: (Sigh) Yes I did. I didn't want to live in the world of high society and all that. I wanted to travel the world and explore the beauty and brilliance of nature and beyond. But unlike your parents James, my parents understood what I wanted and granted my wish. I walked around the world and saw new places and saw many people and more.

James: Wow you are lucky GIna. I did not have that in my estate. My parents even arranged for me to be married to

Jessebelle.

Moonfall Tsunami: Oh man. If we run into that crazy ex-fiance of yours I would gladly knock her down a lot of pegs.

Ash: And I admit the many Thunderbolts didn't help.

Me: I know. She just never learns.

Qin: Yeah. There has to be someone that is better for James.

Ash: I can think of one.

Me: Who Ash?

Ash: This girl we saw in a small village being attacked by a dark scientist.

Me: What's her name?

Jessie: Kate.

Me: Oh man.

Meowth: She thought we were heroes. And you know what? She got her wish

Me: Really? Wow! If we see that scientist though, we'll blow him into oblivion.

Nico: Yeah!

Horsea: That's a promise!

Me: Yeah!

I pulled up the info on Kate and saw that she was a beautiful woman with brown hair and blue eyes and had a village maiden dress on.

I looked at her and James and I then got an awesome idea.

Me: Nico are you thinking what I'm thinking?

Nico: That James and Kate would be a perfect match made in heaven instead of Jessebelle?

Me: Exactly! James I think it's time we get you a good girl instead of a control freak woman like Jessebelle.

Moonfall Tsunami: And if Jessebelle comes to get you, me and Kate and Jessie will stand up to her in my first usual battle with her.

Me: That's a great idea!

Jessie: You're not leaving and Meowth out! He's our friend and teammate too!

Ash: Same with me and Pikachu! After all, I indirectly got them there with the Thunderbolt attack before that time

Me: That's the spirit!

Moonfall Tsunami: I appreciate that. Besides, James deserves much better than Jessebelle and rich or poor it doesn't make a difference! You're free to be with whoever you want because your heart is telling you!

Bridgette: I couldn't have said it better myself sis!

Moonfall Tsunami: Thanks Bridgette.

Me: That is for sure! OH!

We saw Another Ugly Monster and Another Green Arrow!

Me: There they are.

Another Green Arrow fired at me and the arrow head formed into a fist and I ducked and then...

BLAP!

It hit Nico in his face and knocked him down!

FWOMP!

Nico: OW!

Poromon: HEY!

Nico: Wow! Powerful punch.

Another Ugly Monster: (In a girls voice) That had to hurt.

Me: Nice shot though.

She reverted back and it was the gene-slammer of Magical Reflect Smile!

Nico: Mina Magica! Wow!

Me: The gene-slammer of Magical Reflect Slime.

Mina Magica: Yep. I have the power to make this.

She fired a wave of water and it shaped and formed into a clone of May in a super hot swimsuit.

Me: WHOA! That is cool!

May: WOW! I look phenomenal in that.

May Clone: You sure do!

Mina Magica: I have many more powers other than that though. It's awesome.

Me: It sure is.

Nico: And who's your friend who hit me?!

Another Green Arrow: (In a girls voice) Sorry about that. Wanted to see what that was like.

Green Arrow: (GASP) That voice!

She reverted back and was a blue version of Green Arrow!

Green Arrow: Robyn!

Robyn: Hey Uncle Ollie! Long time no see!

Green Arrow and Robyn went and hugged.

Green Arrow: Glad you're safe! Guys this is my niece Robyn and she goes by the superhero name Lady BlueArrow.

Me: Wow! Pleasure to meet you. Wow you're the second niece of a member of the Justice League we met.

Robyn: I can tell. Long time no see Tigerr.

Tigerr Wayne: It has been a while.

Sougo (gets out Operation Overdrive Ridewatch): Your uncle might not have been one of the main Justice League members

Geiz (gets out Mystic Force Ridewatch): But he's still come a long way

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Sougo (gets out Operation Overdrive Ridewatch): Your uncle might not have been one of the main Justice League members

Geiz (gets out Mystic Force Ridewatch): But he's still come a long way

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Me: And he has amazing skill and power in archery. Also he inspired the Justice League a lot.

Green Arrow: It's true.

Nico: Also I use his trademark line all the time.

Me: Deathstroke you have Failed this city!

Robyn: Yeah he has! I hated that guy!

Me: Get in line. We all do.

Tara: Mostly me because of all the crimes he made me do.

Me: Nasty story on that.

Robyn: Oh man!

Me: I know.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on!

Nico: (Gets out Ugly Monster's ridewatch) You are one UGLY motherfucker!

May: (Gets out Empress Blublax's ridewatch) This will hurt!

Universe 666 May: (Gets out Volcano Sisters ridewatch) This will burn!

Maria: (Gets out Whale Undead's ridewatch) Feel the belly flop of the whale!

Flannery: (Gets out Crustor's ridewatch) Bring it on barnaclehead!

They used the powers of Ugly Monster, Crustor, Empress Blublax, Volcano Sisters, Whale Undead (Kamen Rider Blade) and Tiki Aliens (SpongeBob) and blasted the anothers

Robyn: Now watch this.

She got out her bow and fired an arrow and the tip formed into a powerful bomb and it hit Another Green Arrow and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

I caught the Ridewatch and purified it!

Me: WHOA! Bullseye!

Robyn: Uncle Ollie you have failed this world!

Me: That he has!

Nico: That's my line now!

Me: Well who do you think made it Nico? Green Arrow made it.

Green Arrow: He's right on that. And it runs in the family.

Me: Yep.

Nico: Cool.

Then Blizzard Elemental (World of Warcraft), Skybreaker, Tornado (Eternal+), Astromons, Blizzalar and Water Hog came.

Lola: WHOA! That's a Blizzard Elemental from World of Warcraft!

Me: It sure is!

Nico: Nice team!

Blizzard Elemental: Thanks! This will be fun.

Me: Dynamo Man and his team are up next.

Dynamo Man: Got that right!

Me: Yep!

?: That is awesome!

Elemental HERO Terra Firma came!

Me: WHOA! Elemental HERO Terra Firma!

Jaden: Sweet!

Elemental HERO Terra Firma: (In a girls voice) It sure is awesome.

Nico: Gaia Terra Firma! Wow!

She reverted back.

Gaia Terra Firma: My chakras have told me to find you all here. And I'm glad I did. I got this. TERRA FIRMA GRAVITY!

She fired a wave of energy as the Earth formed behind her and it blasted Another Ugly Monster and I caught the Ridewatch and purified it!

Me: YEAH!

Camie: Take that!

Nico: Nice job!

Gaia Terra Firma: Thanks! That was fun.

Dawn (Total Drama): I sense that your aura is completely one with the powers of nature. You are total good and justice.

Gaia Terra Firma: Thank you Dawn and your aura shows that you are the same. Your heart is as pure as mine in spirit and in the power of aura and nature.

Me: Wow she is skilled in knowing all that.

Nico: She is a master of the powers of the Metaphysical.

Me: I can see that.

Flannery: Do you have a good memory of Nico?

Gaia Terra Firma: I sure do. When me and Nico went to my parents garden house and we meditated and saw the secrets of the universe all pointing to a road of light to J.D. and his team.

Nico: It's what lead me to J.D. and his team.

Me: Wow! So you lead him right to us.

Gaia Terra Firma: I sure did. In a way.

Me: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you.

Gaia Terra Firma: Same here.

We went back home.

We had all of TLPS and The M.O.E. with us, and we saw Azuchi Castle.

Eli: (GULPS) So, this is...!

Lincoln: Azuchi Castle, the home base of Nobunaga, it's been eight years since I'd last been here, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we're here to destroy Hisahide Matsunaga.

We got a move-on, and Azuchi Castle was indeed a huge castle, but it was also loaded with traps and weapons as well.

Eli: Yikes, this castle's loaded with all kinds of traps and weapons.

Ranmaru Mori: When Lord Nobunaga built Azuchi Castle, it was to be the embodiment of his will when he began his conquest to rule Japan.

Mitsuhide Akechi: Yet, when Lincoln arrived in our world eight years ago, he brought an end to the suffering that Japan's people had to endure, along with convincing us to cease the fighting. He knew it wouldn't be easy, not like when he went to the world of our old friends from China during The Three Kingdoms.

Nicole: I can already guess what happened: Lincoln started off slow with the lands of Suruga, Kai, Echigo, Mikawa, and Kanto, and he forged powerful bonds with the Imagawa, the Takeda and by extension, the Sanada, the Uesugi, the Tokugawa, and the Hojo clans. Then, he moved onto the island of Kyushu, and he forged powerful bonds with the Shimazu and the Tachibana clans.

Shingen Takeda: Lincoln impressed us with his display of might and strategy, even at a young age, he was quite talented.

Nobuyuki Sanada: However, we didn't suspect that he was The Reincarnation of Amaterasu until Kanetsugu found out.

Kanetsugu Naoe got out the stone tablet, the prophecy was written in Japanese, but it told the same thing as the prophecy etched on the marble tablet in Gaelic.

Lachlan McLoud: (Scottish Accent) Unbelievable, the same prophecy was also foretold in your world.

Kanetsugu Naoe: That is correct. Lincoln had shown his true power one day during the battle with The Saito Clan when he sprouted white angel wings and the sun shined even brighter than ever and the lights of Heaven shined down. That reached Nobunaga Oda in Owari, and he too sensed it for himself.

Nobunaga Oda: I had suspected it when Lincoln attacked the last of The Saito, and he was quick to hide his true power before someone else found out and tried to kill him.

Nicole: Hisahide Matsunaga. Lincoln knew he couldn't be trusted, so he tried to kill him.

Ina: Only for Lincoln to beat him in combat and drove him away. After he had forged the powerful bonds with the Oda Clan in Owari along with the Date in Oshu and the Mori in Chugoku and the Chosokabe of Shikoku, Lincoln moved quick with all of us joining in the attack and he cornered Hisahide in Anegawa.

Oichi: After Lincoln defeated Hisahide, he had him turned to stone for all eternity and casted a spell that sealed out Chase Young's influence forever.

Lily: And keeping Lori, Lynn, Lola, Lisa, and Luan in the dark of where he was at since they weren't to be trusted.

Eli: Wow...!

We were amazed: just how many more deeds had Lincoln done outside of Royal Woods, Michigan before it turned into Gotham Royal York?

Suddenly, we got to the top of Azuchi Castle's tower.

Magma Dragoon: This is it, the top of Azuchi Castle's tower.

Nicole: And inside is our target: Hisahide Matsunaga.

As soon as we opened the doors, Lincoln fired a massive blast of fire at Hisahide Matsunaga, and we entered.

Suddenly, the door to a hidden room in Azuchi Castle opened up, and a massive collection of very powerful weapons came flying out towards Lincoln: a longsword with a silver oversized wolf's fang blade and white wolf fur for the longsword's circle guard and gold wolf's head for the pommel, a large gold Japanese bow with large quiver full of arrows, a pair of large twin curved blades, a large Tanegashima gun with gold inlay on the stock and large barrel and a wolf carved on the gun's stock, a gold mirror, beautifully crafted red prayer beads with gold designs that joined with the levitating gold magatama beads orbiting around Lincoln's neck, large gold sword, and three tall red Ofuda charms with gold Japanese prayers written on them.

Nicole: No way, The Weapons of Amaterasu! Lincoln had them hidden inside Azuchi Castle?!

Then, Lincoln used The Weapons of Amaterasu and he really did a lot of damage to Hisahide big time, and then, Lincoln slashed off Hisahide's head with his massive greatsword and banished him to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: That was one intense battle, and I had no idea you also had those weapons inside Azuchi Castle, Lincoln.

Lincoln: You didn't ask, but I had those weapons locked away inside a hidden room in the castle, and the spell I put on the room kept out intruders.

Me: And what of...?

Mitsuhide Akechi: We swore to keep the room and the weapons Lincoln had placed inside a secret since he also had his troubles with the five untrustworthy members of his family.

Lanaia: Lori, you, Lynn, Lola, Lisa, and Luan are lucky you didn't try anything to anger Lincoln, or even worse, getting in The Demon King's path! You know what happens when anyone dares to cross Nobunaga?

Lincoln: I know, it never ends well, Lanaia. But, either way, I'm finally rid of Hisahide Matsunaga for good, and I also found my old weapons: The Weapons of Amaterasu.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Warrior on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Lakeside Lady on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Warrior, and she has a fire greatsword, and with her are the eleven girls.

Lincoln: (GASPS) Pele Vulcania, Avatar and Gene-Slammer of Laval Warrior.

Pele Vulcania: That's right, and I got the girls away from that violent monster, and you guys really caused a lot of havoc on his men.

Me: I knew he wasn't going to go down that easily.

Lincoln: That was one of the most bloodiest battles ever, but we got rid of Hisahide Matsunaga once and for all. (To Sunniva Vulcania) And it's so good to see you again, Pele.

Pele Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Pele Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Pele Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Pele Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Pele Vulcania's waist and hugged her, and Pele Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Pele Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Pele Vulcania, Avatar and Gene-Slammer of Laval Warrior, she's Lincoln's

Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Lakeside Lady. She's The Volcanic Lava Warrior Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Pele Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Warrior, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg

Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Pele Vulcania despises Chandler, Artie, and Trent with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

Me: Chandler's changed and grown into a better man after we got rid of his Dark Side, but Artie and Trent, they weren't going to change ever.

Nico: Nope, when they broke out along with Dodge and the Great Lakes City Dodgeball Bullies along with Becky Blickensderfer who was possessed by her Dark Side, they wanted revenge again. But, we took them down and after we removed Becky's dark side, Lincoln had her, Dodge and the Great Lakes City Dodgeball Bullies, and Artie and Trent turned into gold statues and thrown in prison for good.

Lincoln: I wasn't going to forgive those two barbarians for what they'd done, this is what they both deserve, and now that you're here, Pele.

Lincoln with his massive muscular arms still wrapped around Pele Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Pele Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Pele Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Pele Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Pele Vulcania.

Pele Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Pele Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Pele Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Pele Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Pele Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the eleven girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the eleven girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eleven girls are Robert E. Lee, Rasputin, Charlotte Corday, Gan Ning, Yae Niijima, Gilles de Rais, Plato, Jeanne d'Arc, Takatora Todo, Francis Drake, and Anastasia from Legend Clover.

Lincoln: Oh whoa, it's Robert E. Lee, Rasputin, Charlotte Corday, Gan Ning, Yae Niijima, Gilles de Rais, Plato, Jeanne d'Arc, Takatora Todo, Francis Drake, and Anastasia from Legend Clover.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are really cute, and they're also really good fighters.

Lincoln: Meaning if anyone tried to kill them, they would meet a painful end. Are you girls okay?

Robert E. Lee: Yes, we're okay, thanks to you.

Then, when Robert E. Lee and the other ten girls saw who it was that saved them from Hisahide Matsunaga, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting Amaterasu's Heavenly Mirrors of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow thunderbird with gold Sun above its head and gold lightning bolt and the emblem of The Ebonwu Squadron on its chest surrounded by a rainbow phoenix, rainbow angel, rainbow werewolf, rainbow vampire bat, rainbow tiger, rainbow dragon, rainbow mermaid, rainbow demon, rainbow animals, and rainbow mythical animals emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, rainbow Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, Wolf, and Buffalo on his massive right pec and large gold lightning bolt cutie mark with thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in the shape of a cross on his massive left pec, and rainbow sun and moon in the center of his chest and rainbow flame patterns and rings on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Charlotte Corday: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Robert E. Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle against that lying violent bastard.

May: Thank goodness we don't have to deal with him ever again.

Lincoln: That's for sure, now Hisahide Matsunaga is gone forever, and he's never coming back.

?: And you also found your old weapons, The Weapons of Amaterasu, inside the secret room in Azuchi Castle, as well.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long silver hair, silver eyes, silver angel wings, she has The Silver Key in her right hand, and she has on a silver two-piece bikini.

Lincoln: (GASPS) Sabrina Silveraira, Queen of The Silverairans of Planet Silveraira.

Nico: No way, the only Silverairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Sabrina Silveraira, Queen of The Silverairans of Planet Silveraira, she's Lincoln's Guardian Angel from Planet Silveraira, a planet of endless silver inhabited by powerful warrior angels known as The Silverairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of silver and darkness, she's The Queen of The Silverairans of Planet Silveraira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Almightairairans would send a message to him in a dream inviting him to Almightairaira where he would also meet The Silverairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Silverairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Silveraira and its core into his body and Silveraira's Sun into his body to preserve their legacy. Sabrina Silveraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Silverairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Silverairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Silveraira and its core and Silveraira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives with a powerful silver sword that'll poison them by injecting Silver Nitrate into their veins.

Me: That's incredible.

Sabrina Silveraira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Silverairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of silver and darkness times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Silveraira and its core and Silveraira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Sabrina Silveraira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future

wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Sabrina Silveraira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Sabrina Silveraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sabrina Silveraira with silver gems on the gold lightning bolts and silver crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura

exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Sabrina Silveraira: That's my special gift to him: Silveraira's Blessing of Divine Darkness Silver Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Sabrina Silveraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Silverairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed Hisahide Matsunaga and sent him to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Pele Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Pele Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Pele, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Pele Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Pele Vulcania: I knew it was only a matter of time before he told everyone that story.

Then, Shiki went into The Simulator and it activated, and he found himself in Okehazama, and we saw it on the big screen.

Shiki: So, this is Okehazama. This is where Nobunaga's rise to power began after becoming ruler of Owari.

Lincoln: I'd been to Okehazama before, Shiki, and I knew what was about to happen, so stay alert.

Shiki then got a move on and he'd slain many enemy soldiers that Lincoln provided.

Shiki: That takes care of them, now who's the main enemy I'll be facing here.

?: You will die for ruining my plans!

Shiki went after Cackletta and he fired extremely powerful blasts of purple, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, moonlight, beasts, phoenixes, and angels and they hit her as they exploded, and he attacked her with both his scepter and sent orbs at her which hit her, and he summoned more moonlight spheres and sent them at Cackletta and they hit her all over the place.

Finally, Shiki fired another orb which hit Cackletta and sent her into a portal that led to The M.O.E. Then, Shiki exited The Simulator.

Setsuna: Now, Shiki's transformed, and now, all that's left is Tamaki to transform.

Tamaki: I'm a little nervous, but whoever it is I'm facing tomorrow, I will make sure that person pays for what they've done.

Setsuna: That's the spirit, Tamaki.

Lincoln: We'll see who it is we'll be facing in The Simulator tomorrow.

We got a shower, and then, Iruma Suzuki and his girlfriends Clara Valac and Ameri Azazel are heading to Sirena Beach, and joining them are Lincoln and his harem.

Iruma Suzuki was dressed in blue swim shorts, sandals, and he had his weapons holstered in case of trouble and Clara

Valac and Ameri Azazel are dressed in two piece bikinis.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Iruma Suzuki: Wow, we're here in Sirena Beach, it's so beautiful.

Lincoln: You said it, Iruma. Shall we?

Lincoln, his harem, Iruma Suzuki, Clara Valac, and Ameri Azazel dived into the water and they began swimming, and they also saw the marine life and sea creatures that lived there. Then, they went back to the beach, and Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying same with Clara and Ameri giving Iruma a deep tissue massage.

Then, Lincoln did the same thing giving his harem a deep tissue massage, and when he was done with that, they were relaxed, and Iruma did the same to his two girlfriends. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

?: You miserable freak! You will pay for killing me!

Suddenly, they saw Baal, Amy Kirio, and Naberius Narnia coming after them.

Iruma Suzuki: Well, look who's shown up!

Lincoln: I knew Amy Kirio would come back, but I didn't expect Baal and Naberius Narnia to also come after us as well. I got them.

Lincoln went after Baal, Amy Kirio, and Naberius Narnia and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Baal, Amy Kirio, and Naberius Narnia and he began absorbing them and he assimilated Baal's Thunder manipulation and Manipulation, Amy Kirio's Charisma, Manipulation, and Barrier, and Naberius Narnia's Acute smell and Cerberus, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold

Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Baal, Amy Kirio, and Naberius Narnia and Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Baal, Amy Kirio, and Naberius Narnia's energy and banished them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to his harem and he hugged them in his abnormally massive and powerful muscular arms, and his harem placed their hands on Lincoln's massive hairy pecs, same with Iruma going up to his girlfriends, but Lincoln and Iruma weren't done.

Then, Lincoln's harem were lying down on a massive beach towel with Lincoln on top of his harem and Clara Valac and Ameri Azazel were lying down on a beach towel with Iruma on top of them.

And then, Lincoln shared a passionate and romantic kiss with his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Iruma Suzuki: You said it.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Baal, Amy Kirio, and Naberius Narnia came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold,

jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next Skylanders adventure.

Nico: Who's next?

Me: We're going after Krankenstein next and also Matau, Lewa, Rainbow Dash, Scootaloo, Wind Sprint, Gusto, Thunderstorm, Blades, Whirlwind, Air Man, Tornado Man and Storm Eagle are next.

Qin: Cool!

Xenia: Yeah!

Me: We're going to Mystic Mill this time. I know we went there before.

Nico: No worries.

We went into the Simulator and it activated and we were at the Mystic Mill!

Me: We're here.

Nico: Wow.

Eli: Oh man! I sense a big disturbance in the Force!

Me: What is it?

Eli: I sense someone in a lot of pain and has a lot of hate and anger and it's all directed at the Sith.

Lewa: Who do we know has that feeling?

Matau: Um...everyone?

Eli: All the sith a dead except for the ones in the M.O.E. But this is one person that has a hatred towards all the Sith. Palpatine mostly.

Me: Oh man!

Eli: It's coming here.

?: I knew you would all be here!

WE LOOKED AND GASPED IN UTTER SHOCK AND DISBELIEF!

Nico: Is that!?

Me: No it can't be!

Eli: Padme!? Is that you!?

We saw that it was PADME AMIDALA AND SHE WAS A SITH LORD!

Darth Valkyria: I am still Padme but I now go by Darth Valkyria!

Me: Oh man!

Lincoln: You're Padme's Akuma! The Hypothetical Akuma of Padme Amidala and she is a deadly master of the Dark Side of the Force. She is the hypothetical view on what would have happened if Padme was turned to the Dark Side of The Force. She was made because of Anakin being killed on Mustafar and Padme vowed to kill Palpatine by all means necessary and kill all the Sith and avenge all the Jedi and all those the Empire destroyed. She is more of a Sith Anti-Hero rather than a villain

WE GASPED IN SHOCK AND HORROR!

Anakin fell to his knees!

Anakin: Padme! No!

Me: Padme this isn't who you are! And you never learned all about the ways of the Force.

Darth Valkyria: I learned them in secret as I was pregnant with Luke and Leia.

Me: I see.

Nico: This would be another good What If Story from Jorgen.

Me: It sure would be.

Anakin: Padme this is not the woman I love.

Darth Valkyria: Anakin I am from another universe. The Padme you know is with you. I am from another universe.

Me: That clears things up. But believe it or not, we killed Palpatine. He is dead along with all the Sith.

Nico: It's true. They are all dead.

Eli: Yeah.

Nico: It was on Anakin's Day. Dr. Destiny even gave him a nightmare.

Me: It's true. He thought he won but in the end, that nightmare only sealed his fate. He lost to the combined powers of all the Jedi including those from the Planet Earth.

Darth Valkyria: Earth wasn't involved in the war.

Me: Lets just say that Earth voluntarily got itself involved in the battle. We helped the Jedi battle all their enemies and in their major battles. All the Jedi are back now. And all the Sith are gone.

Nico: And on Star Wars Day

Darth Valkyria: I see and I'm glad all the Sith are gone.

Eli: Would your sister want you to become a Sith Lord like this Padme? Would Anakin or your kids want this? Would I want you to be like this sister?

Me: Wait Eli you are Padme's brother too?

Eli: When I was training in the Jedi temple, I viewed Anakin and Padme as my brother and sister too. I helped them as Anakin trained me in the ways of the Force.

Me: That is a powerful bond there.

Eli: It is.

Darth Valkyria: And I will always be grateful to you as my brother Eli. I'm proud of you for the man you've become.

Me: He has come a long way. But Padme listen, you would want your sister and all the people of Naboo, even Anakin to see you like this.

Darth Valkyria: I'm sorry guys. I lost Anakin on Mustafar.

I went over to her.

Me: Padme listen, Anakin would not want you to turn to the Dark Side of the Force all just for Revenge. It's not the way of the Jedi. What would Queen Amidala think? What would all the Jedi think? What would Anakin think about you doing this? What would all the Jedi before you think?

Eli: Search your feelings Padme for you will know it to be true.

Darth Valkyria's eyes went from Red back to brown and then she broke down crying.

I comforted her and so did Eli.

Me: It's not your fault Padme. It's not your fault.

Nico: At least we didn't have a lightsaber battle.

Anakin: I can never bring myself to fight the woman that I love so much with all my heart.

Qin: I know you wouldn't Master Anakin.

Ahsoka: And I love Padme like a sister myself.

Qin: Lots of Jedi have close ties to many people.

Obi-Wan: (British Accent) Yes we do.

Krankenstein then came!

Krankenstein: Who woke monster up?!

Me: Uh oh! Krankenstein is REALLY GRUMPY when he wakes up.

Darth Valkyria ignited her red double bladed lightsaber!

Me: WHOA! Nice lightsaber.

Darth Valkyria: Thank you.

Krankenstein: Monster smash red sword lady!

He fired missiles and she slashed them and burned them down.

Me: WOW! You learned well.

Darth Valkyria: Watch this.

She fired a blast of Force Lightning!

It was orange lightning and it hit him and knocked him down!

Me: HOLY COW! Orange Force Lightning? That is deadly.

Nico: Lethal!

Darth Valkyria: Plo Koon taught me how to use his Force Judgement technique and I modified it and made my own color of Force Lightning.

Plo Koon: That is very impressive.

Krankenstein: Monster no like lightning! Monster smash you!

Me: Then lets bring the storm!

Gusto: (British Accent) GUSTS OF GLORY!

Thunderstorm: A STORM IS COMING!

Blades: (British Accent) LOOKIN SHARP!

Whirlwind: TWISTS OF FURY!

Rainbow Dash: Time for some speed!

ZOOM!

She ran fast and kicked him all over the place.

We fired waves of lightning and energy and blasted him all over.

Krankenstein: Monster smash green men!

Matau: Bring it on!

Matau and Lewa fired waves of wind and blew him all over the place.

Me: Lets get him!

Wind Sprint: Lets make this a fun and stormy adventure!

Scootaloo: I'm ready for this!

Matau, Lewa, Rainbow Dash, Scootaloo, Wind Sprint, Gusto, Thunderstorm, Blades, Whirlwind, Air Man, Tornado Man and Storm Eagle: STORM OF JUSTICE LIGHTNING STRIKE!

They fired waves of lightning and rainbow lightning and blasted him down and he was down.

KRANKENSTEIN DEFEATED!

Krankenstein: Monster not done yet...

Rainbow Dash: That's what you think!

She held up an Air Trap and an aqua blue vortex formed and sucked him in.

Krankenstein: "Haha! This actually pretty fun! WHHEEEEEEE!"

He got sucked into the trap and got locked in.

Krankenstein: "If me could just find door, me out of here. Now, where is door? (whistles) Come here, door! Come to monster!"

Me: (CHUCKLES) He thinks he's going to find a door just like that?

KRANKENSTEIN TRAPPED!

Rainbow Dash: Sorry but there's no door in there. Now you have to be good from now on as I command it.

Krankenstein: "Me good now? Feel like new monster!"

Me: Boy that was easy.

Camie: It was.

Darth Valkyria: Consider me on the Redemption Squad and the M.O.E.

Me: That is awesome.

We left the simulator.

We arrived at the hotel.

Black Canary: Is this the place?

Gina Everest: Yep. Welcome to the La CasaGrand Lorelai Suites.

We went in and the bell boy greeted us.

Bell boy: Greetings Ms. Gina.

Gina Everest: You too Roland. Rooftop Mansion please for us.

Bell Boy: Certainly.

We went into the elevator and some of us flew up and we got to the roof.

We arrived at the mansion on the roof and it was INCREDIBLE!

We were in awe! It was a huge mansion and it was as big as James's mansion and had an amazing garden and lots of fountains and more.

Me: WOW!

Nico: Awesome!

Gina Everest: Welcome to my rooftop mansion.

Me: Wow! Gina your mansion is absolutely amazing!

Gina Everest: It sure is.

We walked to the door.

Eddy: Allow me.

Eddy went over to the door and then..

WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM WHAM!

DING DONG! DONG DONG! AIR HORN HONK! DING DONG DING DONG!

Green Arrow: Anyone there?

The butler answered

Butler: Yes?

Gina Everest: Hello Jeeves. I'm home.

Jeeves: Why Ms. Gina! Welcome home. Come right on in. You and all your friends.

We went in and the house was absolutely phenomenal!

Me: Wow! Gina your house is phenomenal.

Gina Everest: It sure is.

We went into the living room.

Jeeves: Madam and sir your daughter is home and her friends are with her.

Gina Everest: Hey mom, hey dad. I'm home.

Sophia Everest: Why welcome home princess!

Everett Everest: Welcome home.

Gina Everest: Guys this is my mom and dad Sophia and Everett Everest.

Me: Pleasure to meet you both.

Nico: And it's good to see you both again.

Sophia Everest: Why Nico good to see you again.

Nico: Same here.

We sat down and we were amazed.

Me: Wow your house is absolutely amazing.

Sophia Everest: It sure is.

Astrotrain: Poromon, show us the shirt you're giving to Nico.

He showed a shirt that said Nico is a Mommy's boy that loves Gina.

Me: (Reading) Nico is a Mommy's boy that loves Gina? Poromon!? That's not nice!

Springer: At least it's not a target.

Nico: Not helping Springer.

Springer: Sorry.

Poromon: I missed those days.

Poliwag: Me too.

Me: Guys you're not helping him.

Nico: Yeah.

Sophia Everest: If this is about us agreeing to have Gina be with Nico then you have our blessing.

Nico: Really?

Everett Everest: Of course. You are practically family to us.

Me: We are grateful. It's amazing that you can live on in a house on the roof of one of one of the most amazing hotels in the city and the view is phenomenal.

Sophia Everest: It sure is. We own this hotel and it's for all people great and small.

Me: That is so cool.

Poromon: Remember me and Poliwag?

Sophia Everest: We sure do and you're all still cute.

Kirby: They are the cutest ever next to me and all the mascots.

Horsea: It's true.

Lory Gunnar: We all love the mascots and they are so cute.

Maria: Yep they sure are cute.

Lola: Yeah.

Jeeves came in.

Jeeves: Madam and sir there is something in the garden.

We went outside and saw a Golem in the Garden.

Me: Whoa a Golem!

Nico: Cool! Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: It's a girl named Carina Rollerblade and she is half of Cannonbolt's kind.

WE GASPED!

Me: WHOA! She's half Arburian Pelorota.

Cannonbolt: I didn't think there were anymore of my kind after my home planet was destroyed.

Poromon: Remember me and Poliwag?

Sophia Everest: We sure do and you're all still cute.

Kirby: They are the cutest ever next to me and all the mascots.

Horsea: It's true.

Lory Gunnar: We all love the mascots and they are so cute.

Maria: Yep they sure are cute.

Lola: Yeah.

Jeeves came in.

Jeeves: Madam and sir there is something in the garden.

We went outside and saw a Golem in the Garden.

Me: Whoa a Golem!

Nico: Cool! Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: It's a girl named Carina Rollerblade and she is half of Cannonbolt's kind.

WE GASPED!

Me: WHOA! She's half Arburian Pelorota.

Cannonbolt: I didn't think there were anymore of my kind after my home planet was destroyed.

Ben: I remember that Tick took down all of my first 10 aliens.

Gwen: Except Grey Matter.

Me: That is intense. Boy that tick must've been one tough bug.

Ben: It was.

Me: Lets go help her.

We went over.

Cannonbolt: It's okay kid. We won't hurt you.

She rolled at us.

Cannonbolt rolled and collided with her and knocked her down.

Me: Like two crashing bowling balls.

Qin: No kidding.

I snapped my fingers and she reverted back. She was a girl with yellow hair and dark yellow eyes and had yellow and black wings and had Golem on her forehead and had a cutie mark shaped like planet Arburia with a flaming bowling ball and Cannonbolt on her arm.

We wrapped her in a blanket and brought her over.

Me: That one was a ROLLING good time.

Nico: Yeah it was!

Ben: I can tell you all about them.

Me: Please do.

He went over them

Enforcer Alien - The Enforcer Alien was the muscle man of the Great One's Worshippers. He uses a high-tech axe able to create pink energy beams and a force field. The Enforcer Alien appeared with the Leader Alien and the Interpreter Alien in the episode The Big Tick.

Leader Alien - Much is not known about his history, but from what we see from the episode we can infer that he is intelligent to operate an alien ship and his beliefs may change depending on what individual is able to counter with his "God".

And the Interpreter Alien - The Alien Interpreter is a little yellow alien with six arms and the only one that could apparently translate the Great One's language.

He showed holograms of them on his Omnitrix.

Me: Hmm...

Shanan: Interesting! So they were an Ixodesian Kelodasian - They are a sub branch of the Lepidopterrans or Stinkfly's species, a Chilopodan Hexopoddan - they are Centipede aliens and are a sub branch of the Lepidopterrans too. And the Leader is a Symsagittifera Psychonraian - They are another sub branch of the Lepidopterrans.

Me: WHOA! So sub branch species of Stinkfly's kind.

Ben: The enforcer had an obvious connection to Stinkfly

Me: That does provide some form of giveaway.

Carina Rollerblade: I've been trying to find these guys and bring them to justice.

Lola: That is amazing!

Ben: And they said that the Great One destroyed Cannonbolt's world 1 week before it went to Earth.

Me: Very unusual.

Lola: Yeah.

Nico: That is crazy. We'll help you find them in the future.

Carina Rollerblade: I would like that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow and black clothes and an amazing sword.

Carina Rollerblade: I look really amazing.

Me: You sure do.

Ben: I wonder what kind of creature that big tick was anyway.

Shanan: Well what did it look like?

He showed a hologram of it.

Shanan gasped!

Shanan: Oh my god! That's a Haemaphysalian Genodoomian Tick! They come from the dead planet of Haemaphyra X in the galaxy M91. It was built as a bioweapon and the creature turned on its creators and destroyed them and their planet and moved from planet to planet and killed numerous planets and destroyed countless lives.

WE GASPED!

Nico: OH MAN!

Ben: WHOA! So I avenged all those lives destroyed by a creature from another galaxy!

Me: It would appear so.

Nico: HOLY CRAP! That is intense!

Gwen Tennyson: I didn't know it was that dangerous!

Ring Man: I hope we never run into it.

Me: Me too.

Qin: That is one dangerous tick.

Xenia: No kidding.

We went back home

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Poromon was drinking beer.

Poromon: Ahh. (BELCH)

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Green Arrow's old enemy, Malcolm Merlyn, he's on the attack and he wants revenge on Green Arrow. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: What the?! Malcolm Merlyn?!

Eli: Green Arrow's old enemy?!

Lincoln: Yep, and it looks like he's come back for revenge on Green Arrow.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Green Arrow's old enemy, Malcolm Merlyn, he's on the attack and he wants revenge on Green Arrow.

EVERYONE GASPED!

Green Arrow: Malcolm Merlyn, I should've known he wouldn't stay gone for good. But, he's not as much a threat as Joker or Luthor, but he's still as dangerous.

Nico: So, we'll hand him off to The M.O.E.

Robin Hood: That is after we teach him a lesson in archery.

Green Arrow: That's right, Malcolm's not good at archery, so he needs a good lesson in that before we hand him off to Vypra.

Me: That's for sure.

Nico: You said it. Alright, team, let's get to the city and hunt down Malcolm Merlyn.

Lincoln: And send him to The Masters of Evil.

The previous group came.

Radioactive Man: Can me, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Gizmo, Private HIVE and Xiao Fung go with you guys?

Nico: Yes you all can come with.

Qin: This will be fun.

Sideshow Bob: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Poison Rose next.

Qin: Blooming to death.

Nico: Exactly.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Iris from Gamera, and he's here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no, now we got trouble.

Me: Was that...?

Lincoln: Iris from Gamera, and he's here to destroy us.

Reggie Gutierrez: Oh God, Iris is a monster. Lincoln, when we take him down, you absorb him and assimilate all his powers and abilities.

Lincoln: That's for sure, Iris is a monster driven by malicious intent, he needs to die.

Nico: After what he'd done, he more than deserves it. Alright, team, let's get to the city.

Lincoln: And take down Malcolm Merlyn and throw him into The M.O.E. Prison, and once we get done with him, you're next, Iris.

Reggie Gutierrez: Your crimes against humanity can never be forgiven, Iris, and for that, you will die.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the city to take down Malcolm Merlyn and throw him in the M.O.E. Prison, and once we get done with him, Reggie Gutierrez and Lincoln are going to take down Iris, and Lincoln's going to absorb him.

We were heading to the forest edge for this.

We arrived at the edge of the forest.

Me: We're here.

Nico: We'll prepare for him outside the forest.

Deker: Let's call Jack O Lantern.

Me: Good idea.

We did so.

Jack O Lantern: I'm ready for this.

Me: Awesome.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of the city, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Malcolm Merlyn, and as I said, he's come out to get revenge on Green Arrow.

Me: We're going to need all kinds of arrows for this.

Nico: Yep.

Me: Also I can't help but feel a strong sense of deja-vu on this.

Nico: What makes you say that?

Me: Call it a hunch. But the scans are showing a clearing located 1,000 yards into the forest and there is also a something standing in the middle of the clearing there. Like a lone tower or something

Nergal: Anyone want pizza before we discuss anything else?

We got to eating.

Proto Man: Oh. That makes sense.

Mojo: Usually, they're high in the trees

Me: Yep. And that provides the perfect place for them to fire arrows.

Nico: Yep.

Me: Sometimes they use castle towers. Been that way for centuries.

Nico: Yep.

We finished eating.

Me: Ahh needed that.

Nico: Yep. Lets go check out that mysterious clearing first.

Me: Good idea. Stay alert everyone.

We nodded and We headed out.

We headed out.

G1 Thrust: Maybe this forest is haunted

Me: No I don't think so.

We stayed alert.

We looked around and kept a close watch.

We then saw the clearing and there in the middle of it was a lone castle tower and around it was a massive pile of robots and machines all reduced to scrap metal with countless arrows sticking out of them.

Me: Whoa!

Nico: Look at all that.

Qin: What did that? Wonder what is on that tower?

Camie: This will be easy.

Me: Wait. TOO Easy.

I threw a rock and then lots of arrows flew and smashed it into dust!

WE GASPED!

Me: Fall back guys.

We hid behind the trees.

I looked at the tower with my binoculars and saw a lone archer. He had a black body with pointy ears and his eyes were blind.

Me: Just as I thought. It's a blind archer and he has super enhanced hearing that enables him to strike his enemies while feeling their vibrations on the wind.

Nico: Oh boy. This is gonna be hard.

Lincoln: That's actually Green Arrow's Akuma, Blindarcher the Windsound. The Hypothetical Akuma of Green Arrow and he is a lone archer on top of a tower in the middle of the forest. He is blind and has ears that let him hear sound and how he knows where his enemies are coming from and he feels the vibrations in the wind for them. He was made because of Deathstroke abandoning him and nearly killing him and he vowed to kill him and anyone that comes near the tower. The tower has a huge treasure in it and he is always guarding it.

Private HIVE: More arrows incoming, soldiers!

Me: SHHH! We've dealt with this kind of situation before. When we were the Brave 12. There were 3 archers like this. And they were guarding a mystical well that was poisoned by Aku.

Fu: I remember that.

Sakura Haruno: Me too. We had to fight fire with fire to get to it.

Top Man: Let me handle this

Me: Go for it.

He spun his top and went at the tower and that provided a good distraction and we went at the tower and then arrows went at Top Man and we flew in and jumped onto the tower and I fired an arrow and pinned down the archer.

I kicked the bow away.

Me: Nice try Ollie.

He was not talking.

Me: I remember the archers when we faced them before we saved them couldn't speak before.

Xiao Fung: Oliver? Is that you?

He didn't speak.

Me: One of the strong silent types.

Nicole: Look what he was guarding!

In the middle of the top of the tower on an altar sticking in it was a sword! It was a mystical sword and it had the shield crest of Joan of Arc and had the symbols of all the miraculous on the blade!

Nicole: (GASP) I thought it was just a legend!

Marinette: What is that sword?

Nicole: That's Joan of Arc's Sword of the Miraculous Mastery. A mighty sword that is far more powerful than the mighty sword Excalibur and it has 100 times more power than the most powerful weapons made during the Arthurian Legend. Legends say that this sword was made from the divine power of God and given to Joan of Arc to smite the enemies of the World and those that are without repentance. It has all the powers of the Miraculous and makes its wielder completely immune to the powers of Akuma and more.

WE GASPED IN SHOCK!

Qin: WHOA! I didn't know a sword like that existed!

Marinette: Me neither! That is amazing!

Nico: Who gets it?

Apple Bloom: Let me try.

Me: Go for it.

Apple Bloom went for it.

Blindarcher got up.

Jack O Lantern: You need to calm down!

He wasn't going to listen!

I punched Blindarcher and kicked him down.

Jack threw Pumpkin Bombs and blasted him.

Apple Bloom grabbed the handle and the sword glowed and she pulled it out!

SHE SUCCEEDED!

Apple Bloom: WOW! I DID IT!

Applejack: YEEHAW! Way to go!

Blindarcher fired more arrows and I fired energy beams and blasted him down and knocked him down and he was knocked out!

Misfire: He wasn't feral. But he wasn't talking either

Me: That's exactly like what happened when we met the 3 blind archers.

Qin: Yep.

Nico: Wow.

Me: We'll use the robots here for us.

Nico: Good idea.

We had the robots beamed to the garage to be repaired.

Apple Bloom: And I got the sword!

Marinette: That sword is going to be used to destroy Lila.

We flew out, but then, we saw remnants of Dong Zhuo's men coming right at us, and Setsuna really tore through them like a violent wind as he slashed them down with his massive greatsword and his Sacred Weapon, and Shiki also fired moonlight spheres at them and took them down.

Lincoln: (Beastly Gruff Manlier Voice) Seriously, I thought I was finally done with that pig. But, now the last of that pig's men are gone.

Then, we spotted Malcolm Merlyn.

Me: It's time. Now, we need to make sure Malcolm Merlyn can't run away.

Lincoln put up an angelic barrier, so that Malcolm Merlyn couldn't escape.

Suddenly, the spirits of Green Arrow and the archers of history appeared and they attacked Malcolm Merlyn with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Malcolm Merlyn even more.

Me: Malcolm Merlyn A.K.A. Dark Archer. Nice to finally meet the Prime Universe version of you.

Malcolm Merlyn: YOU!

But, before Malcolm Merlyn could fire, Robin Hood fired a barrage of arrows surrounded by leaves and nature at Malcolm Merlyn and he got hit hard.

Green Arrow: Nice hit.

Malcolm Merlyn: That was your last mistake! Prepare to die, Green Arrow! You and Team Loud Phoenix Storm shall perish by my hand!

Lincoln went at Malcolm Merlyn and he slashed at that miserable clown all over the place, and he even made sure to punch him right in the nose and give him a black eye as well before he threw him into a wall.

Po Kong: This is our first time facing you.

Malcolm Merlyn: So I heard.

Me: Lets see how you like this.

I pulled out my bow and loaded arrows and fired and slashed him all over and cut him.

Robyn: Top this!

She fired arrows and they formed into fists and bashed him all over his face!

BAP BAP BAP BAP!

Me: Nice shooting!

Po Kong: Who's the kid?

Green Arrow: My niece Robyn. She's as good a shot as me.

Po Kong: She sure is! Glad to meet you.

Robyn: Same here.

Sword Man; Take your best shot!

Malcolm Merlyn: Gladly. (fires arrow at Sword Man)

But it missed him and Ashi grabbed it and threw it back at him.

Robyn fired arrows and they formed into mace balls and bashed his face in!

KROW KROW KROW KROW!

Me: YEAH!

Po Kong: Robyn has a really good shot!

Green Arrow: She learned it all from me.

Robyn: Thanks for the compliment.

Malcolm Merlyn: I sure am. And I heard you guys battled a lego version of me.

Me: We sure did. Not you in the prime universe but a Lego version.

Lory Gunnar: And that one was silly.

She fired waves of wind and fire and blasted him all over.

Horsea: We didn't actually battle that one. But we DID meet him in the Lego version of Arkham Asylum

Malcolm Merlyn: That is different.

Mega Decidueye charged at him and blasted him with energy arrows.

Carina Rollerblade: Lets roll!

She jumped and turned into a ball and rolled fast and smashed Malcolm down!

Nico: STEEERIKE!

Me: YEAH! Take that!

Green Arrow: It's all over for you, Malcolm. Now, you can either surrender quietly, or if you choose to fight, then, this is gonna get ugly.

Malcolm Merlyn: Screw you, Queen! I am still going to kill you one way or another!

You're finally done for, Malcolm Merlyn. Time to pay!

Lincoln went wild on Malcolm Merlyn as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at Malcolm Merlyn, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Malcolm Merlyn: (GROWLS)

Sun Shang Xiang: And honestly, when it comes to trying to beat other heroes, you're a born loser. Sure, you may have gotten a win over Green Arrow, but that was only one time, the rest, you lost in a humiliating way.

Robin Hood shoots an arrow at the stem of an apple which fell then he caught the apple flawlessly.

Ina: Or like this.

Ina shoots an arrow at the stem of a pomegranate which again fell but Ina caught with no problem Ina: In other words, you better work on your aim.

Speedy: That's telling him, Ina. (To Malcolm Merlyn) Oh, and make sure you shoot and reload fast! Like this!

Speedy shoots arrows at a giant squash and reloads arrows like a machine gun!

Malcolm Merlyn: (GROWLING EVEN MORE IN ANGER)

Zhu Ran: Oh, and make sure your nock does not get broken. (BREAKS MERLYN'S NOCK) Like that.

FINALLY, MALCOLM MERLYN LOST IT AND HE LET OUT A BALLISTIC SCREAM OF PURE RAGE!

Me: Whoa, what the?!

Nico: Breaking the nock on an archer's bow like that? That's what I call making a point.

Green Arrow and the other archers: Prepare your ass for defeat and one last thing?

Green arrow fired a hair paint arrow which made Malcolm Merlyn's hair blue, then Speedy fired a boxing glove arrow which punched Malcolm Merlyn's crotch! Then, Robin Hood fired red paint arrows which painted Malcolm Merlyn red, and that made a stampede of bulls trample Malcolm Merlyn all over!

Malcolm Merlyn: Oh shit! Ouch!

Then, Merida fired an anvil arrow into the sky which then the arrow turned into an anvil which fell on Malcolm Merlyn.

Then, Sun Shang Xiang threw her wind and fire wheels which slashed Malcolm Merlyn all over the place, and then, she got out her bow.

Sun Shang Xiang: Hey, Merlyn! Think fast! WEDGIE ARROW!

Sun Shang Xiang fired a wedgie arrow which stuck Malcolm Merlyn's underwear and stuck him onto a wooden pole.

Green Arrow: Lincoln's patented wedgie arrow, I knew it.

Then, Zhu Ran fired an arrow at Merlyn's leg and fired another arrow at Merlyn's other leg from his Soaring Blaze flame bow. But, then, Merlyn screamed because the arrows were lit on fire.

Malcolm Merlyn: (SCREAMS)

Speedy: Ouch! You used your fire arrows on him, Zhu Ran, that's gonna leave another pair of burns on him.

Xiahou Yuan: This one's gonna hurt a lot worse.

Xiahou Yuan then fired hyper hot nacho cheese arrows at Merlyn which exploded and sprayed hyper hot nacho cheese on him!

Malcolm Merlyn: (SCREAMS) HOT!

Ed Cowart: Perfect, my hyper hot nacho cheese arrows worked perfectly.

Huang Zhong: Not bad, now it's my turn.

Then, Huang Zhong fired an itching arrow which made Malcolm Merlyn itchy all over.

Malcolm Merlyn: (SCREAMS)

Luan: Itching powder arrows?! Ed, when did you have time to make those kinds of arrows?

Ed Cowart: I always have a lot of time especially when it comes to making new weapons to humiliate and insult villains.

Time to pay, Malcolm Merlyn!

Carina was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Valeria!

Valeria Wildmutt: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Golem and Rillaboom and they transformed and blasted him all over!

Me: Take that!

Poromon pecked him

POINK POINK POINK POINK POINK!

Qin: Take this!

She fired waves of energy and fireballs!

Maria: In case I forget! (Turns Dial) SEAHORSE FURY 6!

She summoned Thety's Pet, Another Majade, Reptilla, Poison Butterfly, Shigishigi from Uchuu Keiji Shaider and Blokdown!

Me: YEAH!

Horsea: Awesome!

Qin: YEAH!

Lola: Take this!

She fired waves of fireballs and blasted him all over!

Me: And Maxwell we know you have another with you! You can come on out!

We saw a woman with blond hair and blue eyes and had a black and red jumpsuit on.

Maxxine: (GASP) Lola Von Butch!

Lola Von Butch: Been a long time Maxxine.

Me: Wait Von Butch? Are you?

Lola Von Butch: That's right. Daughter of Amelia Von Butch. Treasure Hunter.

WE GASPED!

Me: We didn't know Amelia had a daughter. But Maxxine care to introduce us and what your personal history is with her?

Maxxine: Sure. This is Lola Von Butch. She is also the daughter of Amelia Von Butch the treasure hunter thief as well as an old enemy that I busted long ago. Nicole also has some beef with her too. I busted her when she was coming for a treasure that I inadvertently found. It was called the Grail of Bacchus. It's the grail that gives unlimited wine to anyone. I busted Lola and sent her to a maximum security prison in Russia. Lola vowed revenge on me and promised to kill her.

WE GASPED AGAIN!

Nicole: Wait I have been trying to find the Grail of Bacchus for years! That is amazing you found it.

Me: It sure is.

Malcolm Merlyn: I had no idea you had some history together.

Maxxine: You could say that.

Me: Your mother tried to steal the Golden Crown of Isis from the Tomb of Cleopatra.

Lola Von Butch: You ruined my mother! She lost everything!

Me: Well she brought all that on herself.

Maxxine: That's right!

Lola Von Butch: Well lets see you face me now.

She had her eyes turn red and turned into a black version of Queen Nail! She became ANTI-QUEEN NAIL!

Anti-Queen Nail: I am Anti-Queen Nail!

Me: Where is the grail now?

Maxxine: I donated it to a museum. I did something really stupid with it. I drank from it and drank so much wine from it that I got drunk and stripped naked and did all kinds of crazy things. I won't go into the details but it was not pretty.

Me: Oh boy.

Maxxine: Who wants to help me out?

Sougo: You know I will!

Twilight Sparkle: Count me in!

Tsuyu: Lets do it!

They went at her.

I punched Malcolm in his face.

Maxxine and group fired waves of energy and elements and blasted her.

I fired a beam of energy and separated Anti-Queen Nail from Lola. We scanned her with our omnitrixes and got new aliens. I banished Anti-Queen Nail to the Black Abyss!

Maxxine: Back to the Stony Lonesome for you!

KRABLAM!

They punched her in her face and knocked her out and they tied her up!

Then Whiteout, Cantwell, Eccentro, Beautiful Gorgeous, KGBeast, Pyro, Dirty Bubble, Chemistro, Goliath and Titanium Titan came.

Nico: Whiteout, Cantwell, Eccentro, Beautiful Gorgeous, KGBeast, Pyro, Dirty Bubble, Chemistro, Goliath and Titanium Titan.

Cantwell: Now you guys got me hungry for pizza.

Pyro: I could heat it up.

Dirty Bubble: And Nergal can make it.

Chemistro: (to Matau) Nice job earlier today.

Matau: Thanks! It was cool!

Goliath: (to Nico) We heard you fought Wishmaker.

Nico: We sure did and it was amazing!

Nuju: I Will.

?: Awesome.

A figure came and it was THORNOX from episode 26 of Dino Thunder!

Thornox is a leech/gentiana/lapis lazuli monster, created by Elsa. He appears as the main antagonist in the episode "Disappearing Act".

When Elsa creates Thornox, he started out as a baby plant monster. When Mesogog demands a finished product, she goes to get some green ooze, which is also used by the Black Ranger to demorph, but he makes a disappearing act and is stuck invisible because of it.

Elsa uses the ooze to make Thornox mature into a full-grown monster. Thornox attacked the city and fought the Rangers. He blasted them with deadly balls using the Tyranno Staff, which he stole from Conner before retreating.

Thornox later returned and fought alongside the evil White Ranger, and then after he is defeated by Super Dino Mode and destroyed with the Z-Rex Blaster.

Thornox was enlarged and aided by the DinoStegazord controlled by the evil White Ranger. The Rangers fought with the Thundersaurus Megazord, but due to the villain's action, they destroyed Thornox.

Connor: Thornox!

Thornox: Been a while Connor.

Me: I remember you! Elsa made you from a plant and you stole Connor's Tyranno Staff and used it to try and destroy the city!

Connor: YEAH! Not cool!

Thornox: Not one of my proudest things. But good memory.

Me: That was back when Trent was bad still.

Trent: I know.

Thornox: That is true.

Me: Yep.

Thornox: Have you encountered Elsa yet?

Nico: You know, I don't think we did.

Me: If we do she is definitely going into the M.O.E.

Qin: Yep.

Thornox: Good. She needs to now that Mesogog is dead.

Me: Put a good word into Vypra for her.

Thornox: Will do.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Green Arrow: Hopefully, that'll teach Malcolm a lesson.

Nico: With what you and the archers of Team Loud Phoenix Storm did to him, Ollie, I think he'll learn his lesson.

Me: If not, another good hit to the head will do so.

Lincoln: Nah, the beatdown they gave him is more than enough. Now, there's one last thing to do and one last loose end to tie up: Iris.

We turn to Iris who tried to get out, but he couldn't.

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Iris, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

back to haunt you at long last, Iris, and now, this is where you meet your end.

Lincoln, Reggie Gutierrez, Super Brother, Nico, and I went after Iris, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Iris, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and

Reggie Gutierrez did the same by firing red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Reggie Gutierrez, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Iris off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Iris and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Iris and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Iris began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and Iris roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Iris, and Lincoln sucked out all of the remaining energy in Iris' soul and banished him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Reggie Gutierrez's new body, clothes, weapons, jewelry, larger red wolf ears, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large red and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller red and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and golden yellow planets orbiting around her wrists and ankles, and enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath her enormous golden yellow angel wings are permanent.

Reggie Gutierrez: This where it ends for you, Iris, and this is goodbye and good riddance. Thanks for helping me get rid of him, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Reggie.

Me and Nico: Our pleasure, Reggie.

Suddenly, Reggie Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Reggie Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Reggie Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Iris.

Me: You just prevented another threat from arising, that was so awesome. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval the Greater.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval the Greater.

Adara Vulcania: There's only one person who fits this: Savita Vulcania, Avatar and Gene-Slammer of Laval the Greater, and you guys are going to love meeting her, Savita Vulcania, Avatar and Gene-Slammer of Laval the Greater, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater. She's The Volcanic Lava Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Savita Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and

Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Savita Vulcania despises Lincoln's enemies with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

WE GASPED!

Me: Yikes...!

Nico: Oh man.

Lincoln: And she's also the strongest and most powerful member of The Volcanic Laval Masters of Courage.

Me: Wow!

Qin: Amazing!

Lincoln: Yep

Whiteout: We've been killing targets the last few days.

Cantwell: Knocking one out won't hurt.

Eccentro: That can be for tomorrow too.

Me: Good idea.

Beautiful Gorgeous: Now, who wants pizza?

KGBeast: I'm starving!

Me: Awesome!

Qin: Yep.

Nico: Great job today everyone.

KGBeast: And Apple Bloom, you are going to be a really strong master of that sword.

Apple Bloom: I sure will be. Lila is going to really feel the divine judgement of Joan of Arc.

Marinette: That is for sure!

Green Arrow: (To the viewers) Malcolm Merlyn is now in the M.O.E.

Me: He sure is.

We had a great pizza and later went back home

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, Malcolm Merlyn is now in the MOE Prison!

Anna Anyanova: It'll take time for him to cool down, there's no way they'll bring him in with the way he was.

?: (Beastly Gruff Manlier Voice) That's for sure, they weren't gonna risk bringing him into the MOE the way he was when we fought him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-

Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to New York. This morning, Caleb Maxwell's old friend, Darren Reynolds, had called him, along with another old friend of Caleb Maxwell, his name is Travis Williams, a former student from NYU and someone who'd known Caleb and all the troubles he went through back in 1984 all the way to his death in 1985 and especially of Caleb's dark secret. After graduating from NYU, Travis Williams became a security officer for Darren Reynolds' company and he also had protected him from his parents' assassins, but he also heard from his boss that when he was in West Virginia, he ran into Caleb Maxwell who came back from the dead in 1993. Anyways, Travis Williams and Darren Reynolds had called to tell him that Travis Williams' parents and his little sister were murdered: they were burned to death when someone poured gasoline on them and threw a lit match on them. The police weren't able to find out who did it, but Caleb Maxwell would find out that there were only two guys who would commit such an atrocity like this: their names are Ataru Kaneko and Junsei Narita, they're the most notorious lunatics in Japan and they're the members of The Kyogoku Family, one of the most powerful Yakuza families in Japan. Caleb knew they were lunatics and loved to burn people alive by pouring gasoline on them and throwing a lit match on them and watch them burst into flames. That alone pissed him off, and he warned the boss of the family along with the other members of the family that if he ever saw those two lunatics in New York again, he'll kill them and send them back to their office in body bags.

Well, it looks like Kaneko and Narita crossed the line when they murdered Travis Williams' parents and little sister with that stunt, so we're going to hunt them down, and Caleb's going to make them spill who ordered a hit out on Travis Williams' parents and little sister by making them suffer like their victims had by spraying them with gasoline and lighting them on fire. But, once he puts them out, he's gonna get them to spill it, but we're soon going to find out the person who ordered the hit was the Tuffle Infected versions of Goten and Trunks, and it was because of what Lincoln did in sending Baby to The Black Abyss after he drained him and Reflux of all their energy, and they would pay Kaneko and Narita double if they killed us. That would soon piss Caleb Maxwell off and he swore to torture and murder those two in the cruelest way imaginable and he'd make them feel the wrath of New York's Dark Angel of Bloody Vengeance, and he'd send those two losers running for the hills, but they swore to kill us to get the money. But, Caleb was going to warn them to leave now, if not, he would make his threat come true and kill them both and send their bodies back to their boss in body bags and with a warning: that he would be coming for them if he ever saw them so much as spit in his way!

And we're going to meet the last of The Volcanic Laval Masters of Courage, her name is Savita Vulcania, Avatar and Gene-Slammer of Laval the Greater, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater. She's The Volcanic Lava Master and the strongest and most powerful member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Savita Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Savita Vulcania despises Lincoln's enemies with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

The next chapter is Shope's day to shine and we're going to battle Sheldon McCracky A.K.A. The Bookworm.

See you all next time.

SMARTS OF SHOPE VS SMARTS OF BOOKWORM

This chapter is for Shope's day to shine and we're facing Sheldon the Bookworm.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless gold and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Goldaira, a planet of endless gold in The Forbidden Zone, and protected by powerful omnipotent angels known as The Goldairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless gold! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Goldaira.

Lincoln landed on Planet Goldaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Goldaira, it truly is an awesome gold planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was

shirtless with a golden yellow sun and moon on his chest, he has long golden yellow hair going down to his shoulders, golden yellow eyes, golden yellow angel wings, he has on a golden yellow loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Gabriel Goldaira, King of The Goldairans of Planet Goldaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Gabrielle Goldaira. (GASPS) Now, I remember, I've been here before to Silveraira eight years ago.

Then, all of the other septillions of trillions of male Goldairans came to Lincoln.

Gabriel Goldaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Gabriel Goldaira chuckled.

Lincoln: And there's something I need to tell you.

Gabriel Goldaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Gabriel Goldaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Gabriel Goldaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Gabriel Goldaira and the other septillions of trillions of male Goldairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four

orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a golden yellow aura with gold coins surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Gabriel Goldaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to

do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Goldaira, the inner and outer cores of the planet and the million other planets consisted primarily of gold and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Goldaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Goldaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they

got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and

brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Goldaira, a planet of endless gold in The Forbidden Zone, and protected by powerful omnipotent angels known as The Goldairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! Now, you absorbed a planet that's like El Dorado times infinity?! That's so awesome!

Lincoln made many gold necklaces and rings with colorful gems set in.

Nico: That's so awesome.

Shope was working at her desk doing homework.

Totodile came in.

Totodile: Morning Shope.

Shope: Oh morning Totodile. I was just finishing up math homework.

Totodile: Oh no worries. It's time for breakfast.

Shope: Awesome! I just got done

She got dressed and went to the table.

Me: Morning Shope.

Shope: Morning guys. Sorry had to finish math homework.

Me: No worries. Always important there.

We gave her pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the Akuma of Froggy, Risk, and he's on the planet, Campfirairaiga.

Adrien: Oh no, Risk!

Lincoln: Let me separate Froggy from Risk.

Lincoln's eyes glowed, and we saw in a one-way viewing mirror Froggy being separated from Risk.

Nico: Nice one, Lincoln, and the way your eyes glowed, I would've thought you'd snap your fingers for that.

Me: This is one of his new purifying powers when it comes to Akumas.

Lincoln: That's right, I also now have the power to purify those who were turned into Akumas, along with purifying those infected by darkness, and for the planet, he's on Campfirairaiga.

Shanan: Campfirairaiga?! Oh man, that's a campfire and camping planet!

Lincoln: Yep, so I'll be guiding you guys through Campfirairaiga since I'd been there eight years ago and have a Guardian Angel there as well.

Braeden Carnes: Just how many Guardian Angels do you have on the planets of The Forbidden Zone?!

Lincoln: You don't want to know. Alright, now let's finish breakfast and head to Campfirairaiga to take down Risk.

Nico: Got it.

Suddenly, the phone rang and Nico grabbed it.

Nico: Hello? Team Loud Phoenix World Tree Estate, Nico speaking. (Hears something on the phone) What's that? Oh, hang on. (Covers the phone) Caleb, it's for you.

Caleb Maxwell grabbed the phone.

Caleb Maxwell: Hello?

Darren Reynolds: Caleb, it's Darren Reynolds.

Caleb Maxwell: Darren, what's wrong?

?: It's been a while, Caleb.

Caleb Maxwell: (Gasps) Travis Williams?

Travis Williams: Yes. Anyways, I got some bad news: my parents and my little sister, the police found them last night, they were murdered by being burned to death.

Caleb Maxwell: I overheard it from Captain Whitten and the others, how did this happen?

Darren Reynolds: Someone doused them with gasoline and threw a lit match on them and they burst into flames.

Caleb was horrified.

Caleb Maxwell: My God. After Nico's rescue, we're heading to New York immediately.

Travis Williams: We'll be right there as soon as you guys get here.

Caleb Maxwell hung up, but we heard everything.

Me: I can't believe someone did this, we'll make sure the bastard answers for this.

Caleb Maxwell: That we will. (Thinking) There's only two people who'd dare to even commit this kind of atrocity: Ataru Kaneko and Junsei Narita, the two most notorious lunatics in Japan and members of The Kyogoku Family, one of the most powerful Yakuza families in Japan. I warned the boss of the family that if I ever saw those two again, I was going to kill them and send them back to the office of the family in body bags. I'm gonna make those two lunatics pay for this.

We finished breakfast, and we headed to Campfirairaiga to help Kirby unlock his Rainbow Power and take down Risk.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14254.7: The U.S.S. Valorous Phoenix is en route to the camping planet of Campfirairaiga and we're heading there to battle the Akuma named Risk who is the Akuma of a kid named Froggy. Our mission is to battle him and see if he truly lives up to his name.

Me: This will be interesting. I wonder if we'll be able to make s'mores and camp there for a bit.

Nico: We'll find out.

Qin: I love good camping trips.

Me: Me too.

Xenia: Yeah!

Naomi Necroshade: Boy this will be fun. I've never seen this kind of planet.

Camie: Me neither. This will be amazing.

Universe 666 May: I'm ready for some fun.

Lola: Me too.

Princess Neri: I'm really excited for this one guys. I hope we have all kinds of fun.

Qin: I know we will.

Dynamo Man: I'm really excited for this one.

Princess Neri: This will be so fun guys.

Me: Yep.

Nico: Dynamo Man, I want to thank you, Blizzard Elemental, and your teams for coming.

Dynamo Man: No problem Nico. I'm really excited for this.

Qin: We all are.

Clair: I am too.

Me: We can tell Clair. Your Dragonair is really excited too.

Clair's Dragonair cooed.

Ash: Clair, how are things at the Gym?

Clair: Blackthorn City Gym is doing really well. All our Pokemon and staff have been doing great.

Me: That's awesome.

Princess Neri: All your pokemon are amazing. Even Dragonair.

Xenia: They sure are.

Bonnie Terrez: Dragonair is one of the most fun Pokemon I've ever seen and know. Because of it's amazing power to control the weather.

Fi (So Weird): That is so awesome and amazing.

Clair: I agree.

Iris: I actually do like your work.

Clair: I'm glad you do Iris.

Qin: We all do.

Clair: Yep.

Horsea hopped on Dragonair's head

Clair's Dragonair cooed.

Horsea laughed.

Me: So awesome. Man yesterday was intense!

Lola: It sure was!

Green Arrow: Malcolm is now in the M.O.E. thanks to you guys.

Me: No kidding there. That was awesome.

Nico: We're on a roll fighting 3 DC villains in a row

Me: We sure were.

Princess Neri: That was awesome that we did all that.

Me: It sure was. We killed Superman and Batman's public enemy Number 1 and sent Malcolm Merlyn to the M.O.E. Prison.

Qin: Yeah no kidding.

Ymir: That is for sure.

Camie: Yep.

Apple Bloom: And as a bonus, I got this neat sword after taking down the Akuma.

Marinette: You sure did. That sword chose you for a reason Apple Bloom.

Apple Bloom: It did?

Marinette: To destroy the evils of Lila Rossi and save the world from her evil.

Me: Wow!

Apple Bloom: It was us and the crusaders that killed her.

Sweetie Belle: We all will do our part and destroy her.

Scootaloo: That is for sure.

Diamond Tiara: We all will help in that.

Silver Spoon: That is for sure.

Marinette: All the crusaders are going to do great.

Alt. Chloe: That is for sure. I know you all will do great.

Me: Yep.

Nico: (to Shope) Did you really wake up early?

Shope: I sure did. I wanted to finish up a homework assignment before I came to the table.

Nico: That's good you wanted to get some work done.

Kevin: Shope has always been very smart when it comes to school and to work as a superhero.

Me: That is true.

Twilight Sparkle: I know the feeling myself. I always have been very diligent when it comes to work and homework.

Nico: Very interesting.

Maria: I think this is a sign that we need to do some warmups before even thinking of going after Wertz.

Me: I agree with you on that Maria.

Tyler: That is a good idea. We do need to practice more if we're going to go up against our enemies.

Me: Too true. As long as we never have to deal with The Virus or its creators ever again.

Tyler: Well we already dealt with Jock on my day. So only Shope, Kevin and Roach are left for their days.

Me: Yep we sure did.

Shope: I think I know who we're going after for the main mission. But I'll tell you later

Me: Okay then.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a green planet and it was Campfirairaiga.

Me: So that's Campfirairaiga. It's pretty.

Nico: It sure is.

We got to landing.

We arrived on Campfirairaiga, and it was everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Campfirairaiga, this place is such an awesome campfire and camping planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Campfirairaiga, and like many other planets that hadn't been invaded by The Infernairans, it's a place full of life.

Lincoln: And guarded by the warrior angels, The Campfirairaigans.

Nico: How can this be a forbidden planet? This is more like an amazing Camping Paradise.

Me: I know. I don't see anything forbidden about it. I wouldn't mind camping here.

Nico: Me neither. Much better than going to the planet Nightrama.

Fluttershy gasped when she heard that name.

Fluttershy: (Gasp) Oh that planet still scares me.

Lincoln comforted Fluttershy.

Lincoln: It's okay Fluttershy.

Ymir: Fluttershy sure gets scare of that planet doesn't she? How come?

Me: It's the planet that we visited from the Goosebumps Book, Welcome to Camp Nightmare. Scared her really bad.

Ymir: Oh man. I had no idea.

Qin: Yeah.

Me: That was a scary place and it was awful.

I went over what happened in chapter 1622 of Loud House Revamped.

When it was done everyone that hadn't heard about it was shocked.

Ymir: Oh man! That is terrifying.

Me: It was located 66,666 light-years away from home. All the way over on the opposite edge of the galaxy.

Ymir: Wow! That is far away.

Princess Neri: No wonder Fluttershy is so scared of that planet.

Fluttershy: I know. It was just really terrifying.

Me: I know.

Green Arrow: My Akuma was the strong and silent type

Me: It sure was and it also was like something from when we were the Brave 12.

Nico: That was amazing. But it was cool.

Me: Yep.

Nico: It couldn't talk. But it's better then being feral

Green Arrow: True.

Me: Lets check this place out.

We did so.

Me: Wow this is an amazing camping planet.

We saw people having fun and camping out under the stars, making s'mores, telling scary stories and just enjoying the magnificent splendors of nature and even having great meals too.

Me: Everyone sure is having a great time.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper

and lower body muscles and twelve-pack abs, he was shirtless with an orange sun and moon on his chest, he has long brown hair going down to his shoulders with white streaks, brown eyes, massive brown angel wings, he has on a brown loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Caleb Campfirairaiga, King of The Campfirairaigans of Planet Campfirairaiga.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Cammy Campfirairaiga, and I've also been here to Campfirairaiga eight years ago.

Then, all of the other septillions of male Campfirairaigans came to Lincoln.

Caleb Campfirairaiga: (Strong Manly Voice) That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man they and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Caleb Campfirairaiga chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she as the body of a goddess and large breasts, fair skin, long brown hair with white streaks, brown eyes, she was dressed in a brown two-piece bikini, she has massive fire-colored angel wings, and she has a fire greatsword in her right hand.

Lincoln: (GASPS) Cammy Campfirairaiga, Queen of The Campfirairaigans of Planet Campfirairaiga.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Cammy Campfirairaiga, Queen of The Campfirairaigans of Planet Campfirairaiga, she's Lincoln's Guardian Angel from the planet of Campfirairaiga in The Forbidden Zone, she's The Queen of The Campfirairaigans who rules Campfirairaiga, a planet of campfires and camping, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like

Almightairaira, her people also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Campfirairaiga where he would meet The Campfirairaigans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Campfirairaigans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Campfirairaiga and its core into his body and Campfirairaiga's Sun into his body to preserve their legacy. Cammy Campfirairaiga came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, the ability to grow even stronger, and all the powers of The Campfirairiagans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Campfirairaigans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Campfirairaiga and its core and its Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them relive a really scary campfire ghost story that she told when she and Lincoln went camping, and it's a ghost story that has a bloody ending.

Lincoln: And there's something I need to tell you.

Caleb Campfirairaiga: I know. You had the vision, it's time.

Lincoln: Yes, it is.

Suddenly, Caleb Campfirairaiga chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Caleb Campfirairaiga: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Caleb Campfirairaiga and the other septillions of male Campfirairaigans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of campfires, fire, flames, camping, campfire ghost stories, s'mores, chocolate, marshmallows, graham crackers, the forest, animals, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a fire-colored aura with flames and s'mores surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Caleb Campfirairaiga: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Cammy Campfirairaiga: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Cammy Campfirairaiga: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Cammy Campfirairaiga to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cammy Campfirairaiga with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened.

Cammy Campfirairaiga: That's my special gift to him: Campfirairaiga's Blessing of Divine Campfire Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Cammy Campfirairaiga: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Campfirairaigans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Me: Everyone sure wants to have a great time here though.

Poromon: Let's not feel left out

Me: Later we got a job to do.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Campfirairaiga to help Kirby unlock his Rainbow Power and take down Risk.

Me: With what you did in separating Froggy from Risk, that makes things much easier.

Nico: That's for sure. Time we showed that evil Akuma what happens when he crosses us.

We had all of TLPS and The M.O.E. with us.

Eli: Those two, I don't understand why they have to be violent.

Casey heard a Pokemon cry

Casey: Hey look!

We saw a Sprigatito.

Me: Hey a Sprigatito!

Nico: Cool.

Sprigatito: I was eating marshmallows all the time I was here.

Cammy Campfirairaiga: I've been giving her marshmallows and chocolate here for 2 days.

Me: Aww.

Casey: Here.

He gave her apples.

Sprigatito: Thank you.

She ate them.

Casey: You're welcome. Want to come with me?

Sprigatito: I would be honored.

Me: Awesome.

Poromon: No fair! I want marshmallows too!

Cammy Campfirairaiga: I got plenty with me and more.

Poromon: Cool!

But then...

SLASH!

I got cut by a razor leaf in my cheek!

Me: OW!

I saw blood trickle down my cheek.

Me: What the? Who did that?

Laney: Look!

We saw a Venusaur!

Me: Whoa a Venusaur!

Nico: It must've used Razor Leaf!

Me: Yeah and slashed my cheek! Must be one of Dark Gale's work.

Sheena: Yep it is. Her name is Lory Florauna. She is half Florauna.

Me: She's half of Wildvine's kind!

Wildvine: This is gonna be interesting.

We went over to her.

Wildvine: Easy kid. You'll be fine.

She used Razor Leaf again

The leaves flew and slashed May all over!

SLASH SLASH SLASH SLASH SLASH!

May got cut all over!

May: OW!

Manaphy: MAMA!

May: I'll be okay!

Me: Ouch! At least she didn't use Solar Beam.

She used Solar Beam and fired and the blast hit May and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

May screamed as she was burned all over the place.

Me: I had to open my big mouth!

May: Ow.

Me: Okay then.

I snapped my fingers and she reverted back.

She was a girl with green hair and green blue eyes and had green angel wings and had Venusaur on her forehead and had a Kapok tree on her arm with Wildvine on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to a log to sit.

Me: There.

She woke up.

Lory Florauna: (Groans) What happened? Where am I?

Me: Well you're on the Camping planet of Campfirairaiga.

Cammy Campfirairaiga: Long story there.

Me: Also you were turned into a Venusaur by Dark Gale.

Lory Florauna: Oh man. I was fighting Zombozo's cronies and they were stealing laughter from the people.

Ben: I know that scenario. He did that before and I went Ghostfreak on him and bashed him.

Me: Oh man! Well also you slashed my face with a razor leaf and did so on May and also blasted her with a Solar Beam.

Xenia: Yeah.

Manaphy went over to her and she was REALLY PISSED!

Me: Uh Manaphy? You okay?

She got out a grenade And pulled the pin!

I grabbed the grenade and threw it into the sky!

KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

It exploded!

Me: Manaphy are you trying to kill her!?

Manaphy: Look at Mama and tell me I'm not justified!

Me: I know but it's not an excuse to blow her to kingdomcome!

Nico: Yeah!

May: I'm okay Manaphy.

May picked her up.

Lory Florauna: I'm sorry about that.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and a jungle sword.

Lory Florauna: I look awesome.

Me: You sure do.

Qin: Now we got a job to do.

Nico: Okay. He's just a little kid. How bad can he be?

Me: Don't jinx it.

Lincoln had Froggy with him.

Lincoln: Yes, he does, but when Hawk Moth Akumatized him and turned him into Risk, he has the power to make people take risks, and that's not good. But, there's one thing he hates: safety.

Lincoln put Froggy inside a space pod that had cushions as soft as clouds for him to sleep in, and he landed and approached The Campfirairaigan wolves.

Lincoln: That's enough, stand down.

They obeyed him and stood down.

Fluttershy: Amazing.

Suddenly, multiple Joan of Arc's Swords of The Miraculous Mastery had appeared, and they began merging into our massive greatswords and weapons, and not only did our massive greatswords and weapons and all of us gain infinite times more power than the most powerful weapons made during the Arthurian Legend and the divine power of God, but we also gained all the powers of the Miraculous and the symbols of all the Miraculous appeared on the massive, wide, double-edged hulking gold blades, and we also gained permanent immunity to the powers of the Akuma and even more.

Our rainbow, white, golden yellow, and blue energy auras flared up extremely as a result of the massive power boost.

Me: Whoa!

Lincoln: Incredible...!

Gohan: (Sensed a strong energy signal) Oh crud, we got trouble.

Suddenly, we saw a red-eyed version of Gohan appear, but he had an evil energy aura, one that was not a Saiyan, but that of a Tuffle.

Me: What the Hell? Is that?

Gohan: That's a Tuffle version of me, back when I got infected by that parasite, Baby. What the heck is he doing here?

Suddenly, Cage Blunt smelled something.

Cage Blunt: Wait, I smell something on his hands, is that...gasoline!?

WE GASPED!

Caleb Maxwell: Gasoline, Darren said gasoline was used in the murders of Travis Williams' parents and little sister last night. Then, that means...! YOU PIECE OF SHIT! YOU GOT SOME NERVE TO SHOW UP HERE AFTER YOU HELPED MURDER THREE INNOCENT PEOPLE IN COLD BLOOD!

But, Tuffle Gohan fired a pink energy blast at Caleb Maxwell who deflected it with his massive greatsword.

Captain Whitten: He wasn't alone when he helped the other individuals in the murders last night, I say we get the answer out of him.

Tuffle Gohan: I would rather kill every last one of you before I could tell you who also helped out in that.

Lincoln: You better spill it right now, is this an act of revenge against me for what I did to your lord and master, Baby?

Tuffle Gohan turned into his Super Saiyan form.

Tuffle Gohan: That's exactly right, you miserable cretin! You murdered Baby before he could get his revenge on all of you! If you hadn't gotten in the way, all of you miserable Saiyans would be extinct once again and this time forever!

Lincoln: I've heard enough! (To Risk) Excuse us for a second. (To Caleb Maxwell) Caleb, you go on ahead and kill the Tuffle version of Gohan before I rip his organs out myself.

And those were the very words Lincoln said as a red moon appeared in the sky and darkness fell on the planet and bats flew all over the sky.

BUFFY THE VAMPIRE SLAYER FULL MAIN THEME OF SEASON THREE PLAYS

They let out the wolf howl from the Season 3 intro of Buffy the Vampire Slayer, and as they began to play, that finally did it as Tuffle Gohan lost his mind and went at Caleb Maxwell, but Caleb Maxwell fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit him. Then, he slashed at him with his massive greatsword leaving bleeding scars on Tuffle Gohan and he shot at him with his guns.

That made Tuffle Gohan enraged and he fired more pink energy blasts at Caleb only for him to shoot them with bullets from his guns, and he slashed at him really hard on the chest with his massive greatsword leaving a massive scar on his chest and blood was pouring out of the wound. But, then, the skies turned even redder.

Gohan: Uh, guys, what's happening now?

Travis Tackett: Uh oh, Caleb's about to use another Blood Nightmare Finale on him.

Krillin: Another Blood Nightmare Finale on him?! Wasn't the first two Blood Nightmare Finales he'd used frightening enough?!

Cage Blunt: (Smirks) Nope. Did you really think those two were the only ones in his arsenal.

WHOOSH! SLASH!

Tuffle Gohan: (SCREAMS OF PAIN)

Tuffle Gohan started bleeding out as we saw blood coming out of his back from the slash wound Caleb inflicted on him. But, he was only getting started.

Caleb Maxwell: BLEED, YOU PIECE OF SHIT!

WHOOSH! SLASH!

Tuffle Gohan: (SCREAMS OF PAIN)

Krillin: (Starting to turn green) Oh..! Okay, I think I'm gonna be sick!

He wasn't the only one: we were turning green in the face as well!

Me: Oh God! (Stomach churning) Oh no, I'm also going to be sick as well!

Caleb Maxwell kept on slashing at Tuffle Gohan with the bladed whip, and we saw it, his body was now covered in bloody slashes!

Tuffle Gohan: Fine, fine, I'll come clean!

Caleb Maxwell: Come clean about what?!

Tuffle Gohan: Look, about what happened last night, yes, it's true I had a hand in getting the gasoline, but the two guys who did it the crime, they're the real ones you're after.

Gohan: Stop trying to buy yourself time. Cage smelled the gasoline on your hands, you're just as guilty as your cohorts. You better tell us who also had a hand in this.

Gohan suddenly transformed into his Super Saiyan 4 form.

Gohan: (Deeper Adult Voice) Or I swear, I'll take the whip out of Caleb's hands and finish you off myself.

Tuffle Gohan: Okay, okay! On the night of the attack, we approached two guys, they were lunatics who always douse gasoline on their victims and burned them alive by throwing a lit match on them and they were enjoying the sight of their work.

Jack Howard: Two lunatics who love dousing people with gasoline and throwing a lit match on them and enjoy seeing them be burned alive? We need names, if you refuse, we'll let Caleb finish you off.

Tuffle Gohan: I will say no more!

Caleb Maxwell: Then, you die!

SLASH!

Caleb Maxwell continued slashing Tuffle Gohan like a maniac.

Tuffle Gohan: Agh! Stop this! Stop! If you keep this up, I'll die.

Caleb Maxwell: I don't care, you're still gonna pay!

He was right: there was nothing he could do to get him to stop! But, then, Caleb ceased.

Caleb Maxwell: Hey, tell me this. Why did you and your unknown cohorts target Travis Williams' parents and his little sister, Melanie? Be honest, this wasn't a random killing.

Tuffle Gohan: I told you, it was to get revenge on Lincoln for what he did in draining Baby of all his energy and power along with the beast he was inside of! That's why!

Caleb Maxwell: I see. So, you want to live?

WHOOSH! SLASH!

Tuffle Gohan: Agh! Yes..., please...stop this!

Tuffle Gohan kept begging for Caleb to stop, and we could really see why, he was covered in heavily bleeding scars and he was covered in his own blood, and a massive pool of blood was gathering like crazy on the ground. But, it was too late as he saw Caleb approach him and he had a crazed psychotic look in his eyes and a psychopathic tone of voice along with a nasty sadistic smirk on his face!

ORGAN MUSIC PLAYS

Caleb Maxwell: (Psychopathic Tone of Voice)(Sadistic Smirk) Sorry, but to me, you're now a loose end, and I can't just let you go. If I did that, you'd try to warn your cohorts about it and you would do something else to piss us off! And now, you die! Rot in Hell, you piece of shit!

Tuffle Gohan: (SCREAM OF ABSOLUTE TERROR)

Caleb Maxwell unleashed thirty-five more lashes on Tuffle Gohan, until he finally drew his last breath and he died.

Then, his spirit was banished to The Black Abyss and his body burned to ashes. Finally, Caleb dropped the bloody whip to the floor.

Caleb Maxwell: That takes care of him.

Me: I still couldn't believe he showed up even after we killed his lord months ago when we went after Venn Vexos and Gerald Vexos in Colorado.

Lincoln: Still, something tells me we got big trouble in New York, but we'll deal with them later on my rescue. (To Risk) Now, where were we?

we were facing Risk

Risk: Aw man, how dare you get in the way, Team Loud Phoenix Storm! I was about to wrestle those wolves to the ground.

Me: Believe me kid, you do not want to wrestle with a pack of wolves

Lana: I know you love taking risks, but you're not like me, I know the line between taking risks and being reckless, and you just crossed the line into being reckless. Heck, even our cousin, Shiloh, knew never to cross that line, and he's done a lot of wrestling with dangerous creatures.

Shiloh Loud: Right, now you're gonna learn that lesson the hard way.

Nico: Wait, I see cars incoming!

We saw them coming and we dove away and then...

MASSIVE CRASH AND PILEUP OF FINAL DESTINATION PROPORTIONS!

I was intense!

Me: OH MAN!

We went and got a bunch of people out of the wreck and burning cars!

Me: KID are you fucking nuts!

Risk: You haven't seen anything yet!

Me: Boy this kid is as reckless as we were back in the old days down to the letter! I don't know whether I should be scared or nervous!

Risk then got out a bed of razor sharp swords all pointing straight up!

WE GASPED!

Me: What are you going to do?

Risk: I'm going to belly flop onto this bed of swords!

WE GASPED!

THIS KID IS OUT OF HIS FUCKING MIND!

Me: YOU'RE GOING TO GET YOURSELF KILLED!

Chazz: Watch this.

His powers started affecting Chazz.

He then flew and belly flopped onto the swords!

STAB STAB STAB STAB STAB STAB! SHEEN SHEEN SHEEN SHEEN SHEEN SHEEN!

WE WINCED AS HE SCREAMED IN EXCRUCIATING AGONY!

Nico: GEEZ!

Me: Oh boy! Medic!

Lemmings: HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They loaded Chazz onto a gurney and took him to the ship.

Me: You're not gonna have us tightrope walk over Niagara Falls or jump over the Grand Canyon are you?

Risk: I may be reckless but I am not that stupid! Rolf how about this.

He teleported him and on a viewing window we saw him in New York City and he was skiing down the EMPIRE STATE BUILDING AND HE CAREENED RIGHT INTO AN OPEN SEWER!

KRASPLASH!

He came back mangled up and he literally smelled like shit!

Me: OH GOOD GOD! Medic and Decontamination team?

The Lemmings and the HAZMAT team with us came.

Then Risk got out a HUGE Tank full of MAN EATING SHARKS!

Me: A Tank full of man eating sharks!

John Bolton: They aren't from me I hope.

Risk: Nope.

Kevin then jumped off a high dive board and into the tank and then...

MAULING AND RIPPING TO SHREDS!

KEVIN WAS MAULED AND EATEN BY THE SHARKS!

Kevin was ripped apart bad and we had him taken to the ship.

Eddy: I'm sensing a pattern here

Luan: I feel it too.

We then saw Nazz over in Hawaii. She was BUNGEE JUMPING RIGHT INTO THE KILAUEA LAVA LAKE!

She dove into it!

KRASPLASH!

She came out burned to a crisp!

SIZZLE!

Me: YICHIHUAHUAS!

Nazz was taken to the ship.

Jonny had a barrel of sulfuric acid in his hands.

We then saw him drink it all down!

SIZZLE!

HE SCREAMED IN PAIN AS HE WAS REDUCED TO NOTHING BUT A SKELETON! OUCH!

We then saw Jimmy get into a huge cannon!

Me: What's Jimmy doing?

We saw him getting into a cannon that was aimed at the moon and was aimed at Mars!

Me: He's going to get shot through the moon and blasted all the way to Mars!?

Lola: HOLY CRUD!

KRABANG!

HE GOT FIRED AND GOT BLASTED THROUGH THE MOON AND WENT TO MARS AND HE CRASHED INTO MARS!

MASSIVE AND INTENSELY THUNDEROUS CRASH!

Jimmy came back with all of his bones all broken into dust and he was in agony!

Nico: OUCH! What's Sarah doing?

We saw her on top of a 100 foot high highdive board and she was going to dive into a DRINKING GLASS FULL OF WATER!

Me: OH MAN! I've seen cartoons do that but I didn't expect her to do this!

She dove off and fell and then...

SPLASH!

She dove into it!

Me: OH SHIT! Medic!

We got them to the ship.

Me: Okay that's enough daredevil stunts from you!

Sprigatito charged at him and blasted him with leaves and energy.

Lory Florauna: Time to wrap you up in vines!

She wrapped Risk in vines.

Me: You're not going to tie yourself to a log a cut yourself in two are you?

Risk: Hey I am not that stupid!

Me: Good.

Wildvine: Lets do this!

Lory and Wildvine: PLANT BOMBS OF FURY!

They fired plant bombs and blasted him all over the place.

Squirrel Girl, Lisa Simpson, Linka Loud, Rita, Onewa, Vakama, Nokama, Matau, Nuju and Whenua Blasted him all over the place with their rings.

Me: YEAH! (Devious smirk) I have a risky idea for you Risk. Watch the whole movie of Blood and Honey!

The mascots' eyes widened.

Risk: YOU'RE ON!

Me: You asked for it!

We had him in a chair and he watched Blood and Honey!

Me: Popcorn?

Risk: Yes please.

I gave him popcorn.

We watched as he watched the whole movie.

French Narrator: (French Accent) One Gory Movie later...

When it was done he had a stoned look on his face.

Me: Well Risk? What did you think?

We braced ourselves for his reaction.

HIS FACE TURNED DEEP DEEP GREEN AND THEN...

MASSIVE VOMIT ATTACK!

HE VOMITED OUT OF HIS EYEBALLS AND NOSE AND MOUTH FOR 45 MINUTES!

Luna Loud: MAJOR PUKE TSUNAMI! (FAINTS)

FWOMP!

HE WAS VOMITING BAD!

Risk: THAT WAS THE MOST HORRIBLE MOVIE EVER!

Risk tried to use his powers on me.

But nothing.

Me: Risk I'm pretty much a reckless guy all the time so there's nothing you can dish out on me that will bother me.

Risk: Really? As crazy as me?

Me: Not as crazy as you.

Risk: How about surviving everything Crackhouse Goofy went through.

Then...

KRASMASH!

I GOT HIT WITH EVERYTHING INCLUDING THE KITCHEN SINK!

NUMEROUS THUNDEROUS CRASHES AND SMASHES!

WHAM BASH CRASH SMASH!

I GOT REALLY HIT WITH EVERYTHING!

Nico: OH MAN! J.D. YOU OKAY?!

I GROANED IN PAIN AS I WAS RESETTING ALL MY BONES!

CRUNCH! CRUNCH! CRUNCH!

EVERYONE WINCED FROM IT!

Me: OWWW OWWW! OWWWW!

I was healed up.

Me: OW! That the best you can do?

Nico: YIKES! That had to hurt.

I healed myself thanks to Sabretooth's healing.

Me: There.

Nico: Most of us control our recklessness every day, kiddo!

Risk: Well you guys did all kinds of crazy things before.

Me: Sometimes being crazy works.

Tsuyu: But you're my kind of Akuma!

Risk: Really?

Tsuyu: Because you wear a frog suit and my quirk makes me act like a frog. Ribbit.

Risk: That is amazing. Can you eat a lunch buffet like Timon and Pumbaa can?

Tsuyu: I do like eating bugs.

Risk: Help yourself.

She ate all the good foods that Timon and Pumbaa knows. Potato Bug Salad, Roach Dressing, Earthworm Spaghetti, Centipede Slaw, Glowworm Patties, Stinkbug Salad, Beetle-Kabob's, Aphids, Pinto Beetles, Fruit Fly Cocktail, Bug Chili and so much more. Tsuyu ate more than 912 dishes full of bugs!

SHE WAS REALLY STUFFED!

Nico: Cue her vomiting.

But then...

LOUD MASSIVE AND MONSTROUS BELCH!

SHE RELEASED A REALLY HUGE BURP IN RISK'S FACE!

Qin: WHOA!

Me: HUGE!

Tsuyu: Excuse me. I just love eating bugs.

Nico: No vomiting?

Tsuyu: Nope. My quirk makes me like... (STOMACH GURGLES)

Tsuyu: UH OH! SOMETHING'S COMING UP!

Then...

MASSIVE AND HUGE VOMIT STORM!

SHE VOMITED ALL OVER RISK!

Me: OH SICK!

Nico: And there it is.

Me: Yuck!

Tsuyu fainted.

Me: Medic!

They took her back to the ship.

Timon: Some people just can't handle the amount of bugs that we eat.

Pumbaa: Like us.

Me: Yep.

Eddy: Not gonna get the rest of us!

Edd: EXPLICITELY!

Ed: I'm the ice cream man!

Eddy: Shut up Ed.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding her as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Then, I held out my left hand and fired 999 massive balls of fire at Risk, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, STAY DOWN, RISK!

Lincoln, Nico, and I did one final powerful energy slash that hit Risk hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Risk was on his last legs and he was really really mangled.

Lincoln, Nico, and I fired blasts of ruby red fire and ladybugs which hit Risk hard, and we kicked him hard in the stomach and sent him flying into a portal Lincoln opened up that led to The M.O.E. We cheered wildly as we holstered our weapons and powered down.

Nico: That should do it, but still, that was intense, and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Campfirairaiga, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Campfirairaiga's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Nico: We're reckless sometimes. But not much!

Me: Yeah no kidding! We had to learn that the hard way.

Nico: Yeah we sure did.

Lola: That is for sure.

Qin: Yep.

Nico: Nice job Sprigatito.

Sprigatito: Thanks! That was fun.

Me: It sure was.

Poromon: Want some beer?

Sprigatito: Oh no thanks. I only drink milk and cream.

Me: That we can do on that.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Sprigatito: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: If you won't have it, the 4 of us will just have a drinking contest later

We gasped!

Me: Oh no.

Qin: Get the vomit vacuums revved up.

Nico: Oh Dynamo Man, what do you like to do in your free time?

Dynamo Man: I work in the local Power Plant and repair the generator and more.

Me: Wow!

Nico: Good job.

Qin: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Shope.

Shope: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: Yep. So we got Another Blizzard Elemental (World of Warcraft), Skybreaker, Tornado (Eternal+), Astromons, Blizzalar and Water Hog. That means Dynamo Man, Clair (Pokemon), Diana Dynamo, Callisto Clear, Callia Clear and Collette Remmington are up.

Qin: That's right.

Eli: Whoa, and three of The Anothers are The Keyblade Knights of Yokai Academy, BabyIs Demon School, and Kuoh Academy, and three of Lincoln's Guardian Angels!

Lincoln: (GASPS)(GROWLS) MEN, YOU BETTER COVER YOUR EYES WITH J.D.'S BLIND MAN SUNGLASSES BECAUSE IF I SEE SO MUCH AS ONE OF YOU EVEN PEEK AT THEM, I'M GONNA POUND YOU INTO THE DIRT AND SEND YOU TO THE HOSPITAL WRAPPED UP IN BANDAGES LIKE A MUMMY!

ME, NICO, AND THE BOYS SCREAMED IN HORROR AS WE GOT OUT BLIND MAN SUNGLASSES AND PUT THEM ON!

OH BOY!

Nico: There they are!

We saw Another Skybreaker, Tornado (Eternal+), Astromons, Blizzalar and Water Hog

Nico: This will be good

Another Skybreaker: (In a girls voice) It sure will.

They reverted back and were the gene-slammer of Evil HERO Malicious Edge and the Keyblade Knights of Yokai Academy, BabyIs Demon School, and Kuoh Academy.

Nico: Melissa Malice!

Lincoln: And Ichigo Hyoudou, Irio Suzuki and Tomoe Aono! I knew it!

Melissa Malice: Good to see you again Nico.

Nico: Same here. And care to introduce us?

We were introduced to the following:

Ichigo Hyoudou, Keyblade Knight of Kuoh Academy, she's Lincoln's Guardian Angel from Japan and she's Lori's classmate in English, and she's the twin sister of Issei Hyoudou with pink hair and red clothing, and she has the same bust as Rias Gremory. One time, she and Lincoln stopped Cerise Bianca from scamming billions of dollars from Congress and that pissed Cerise Bianca off big time and she swore revenge on them. She alongside the Kingdom Hearts Protectors and Lincoln helped Sora defeat the forces of evil and protect the worlds and even learned of new worlds only she, the Kingdom Hearts Protectors, Lincoln, Sora and his friends knew about. Lincoln made Ichigo Hyoudou a red bikini, and to show her thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he will marry Ichigo Hyoudou along with the rest of his harem, and she hates the perverts and will castrate them instantly

Ino Suzuki, Keyblade Knight of BabyIs Demon School, she's Lincoln's Guardian Angel from Japan and Leni's classmate in English, and she's the older sister of Iruma Suzuki with platinum blonde hair and green clothing. She and Lincoln were searching for Ino's brother, Iruma, so that she and can be reunited. Plus, she found out that her parents weren't just gambling at a casino that was owned by Lex Luthor, but they were also smuggling stolen jewels and even Kryptonite to Lex Luthor A.K.A. Baldy McBalddouche, so she, Lincoln, and Iruma with Batman's assistance, stopped Ino's parents and had them arrested and shut down Lex's casino and jewel and Kryptonite smuggling operation, but Lex Luthor escaped. Ino also found out that Iruma has Clara Valac and Ameri Azazel as his girlfriends. Plus, she alongside the Kingdom Hearts protectors and Lincoln helped Sora defeat the forces of evil and protect the worlds and even learned of new worlds only she, the Kingdom Hearts Protectors, Lincoln, Sora, and his friends knew about. Lincoln made Ino Suzuki a green bikini, and to show her thanks, she kissed Lincoln on the lips. As a result, Lincoln promised that when he comes of age, he will marry Ino Suzuki along with the rest of his harem, and she hates the perverts and will castrate them instantly.

Tomoe Aono, Keyblade Knight of Yokai Academy, she's Lincoln's Guardian Angel from Japan and Lori's classmate in English, and she's the older sister of Tsukune Aono and she's a Shinso Vampire with green hair and indigo clothing. Tomoe and Lincoln invented The Snow Cone Everest, a massive snow cone with a rainbow of flavors: Red: Cherry, Yellow: Banana, Orange: Orange, Blue: Blue Raspberry, Purple: Grape, Indigo: Plum, and Green: Watermelon. She alongside The Kingdom Hearts Protectors and Lincoln helped Sora defeat the forces of evil and protect the worlds and even learned of new worlds only she, the Kingdom Hearts Protectors, Lincoln, Sora, and his friends knew about. Lincoln made Tomoe Aono an indigo bikini, and to show thanks, she kissed Lincoln on the lips, and as a result, Lincoln promised that when he comes of age, he'll marry Tomoe Aono along with the rest of his harem, and she hates the perverts and will castrate them instantly.

Me: HOLY COW! Awesome to meet you girls.

Tomoe Aono: You too and we heard how you guys killed Kuyo. I hated that jerk.

Me: I hated him more.

Nico: It's true.

Tomoe Aono: I'm glad he's gone. And Mizore congratulations to you on your kids. I'm so happy for you.

Mizore: Thank you so much. Lincoln is one of the best things we have.

Moka: Except me. I'm with Naruto.

Me: Long story on that too. By the way girls are the rest of the Anothers friendly or hostile?

Melissa Malice: Friendly and the Another Shope is in for a surprise.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now we wait.

Me: We don't have to wait long.

We saw Another Blizzard Elemental and Shope!

Me: Whoa! This will be awesome!

Nico: It sure will!

BING!

Me: WHOA! I'm sensing an intensely massive and incredible power from the Another Blizzard Elemental!

Nico: OH MAN! What an intense energy!

Another Blizzard Elemental: (In a girls voice) That energy is mine.

She reverted back and it was the gene-slammer of Chaos Emperor Dragon - Envoy of the End.

Nico: Estella Omega! No wonder!

Estella Omega: Good to see you Nico.

Me: Wow the gene-slammer Chaos Emperor Dragon - Envoy of the End! No wonder!

Estella Omega: That's right. I'm so powerful because I have the power to destroy entire planets and blast everything to oblivion.

Me: WHOA! You're one girl no one should ever mess with.

Estella Omega: That's right.

Rei Miyamoto: HEY YOUR BREASTS ARE BIGGER THAN MINE! NO FAIR!

Estella Omega: I get that a lot. Just have that much beauty.

Me: I can see that.

Naomi Necroshade: She gets that all the time.

Nico: And your friend?

Another Shope: Someone who is proud of her sister for destroying that retched Virus.

Shope: (GASP) That voice!

She reverted back and it was an older version of Shope and had purple angel wings and had purple clothes and a battle ball belt instead of being on her chest.

Shope: (GASP) Shanna!

She ran and hugged her.

Shanna: My little Shope. It's so good to see you.

Shope: Same here. Guys this is my older sister Shanna.

Me: Pleasure to meet you.

Shanna: I have the same powers as Shope does and I've been a member of the Benevolent Alliance for 5 years since I was 14.

Me: Wow! That is cool! So you have been fighting the Virus and its creator before Shope and her friends too?

Shanna: That's right. I heard about how you guys destroyed and I couldn't be happier.

Me: We are glad too. Just wish we saw more to learn what it looked like. All we saw from it were 3 pairs of piercing glowing red eyes.

Shanna: I know and I heard it was from the same universe the Royal Defenders were from.

Me: Yep. and we destroyed it by firing a Tachyon energy beam through a white hole and blowing the Virus and its creators to oblivion.

Shanna: That is amazing! I'm glad it's gone.

Me: Yep.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead

They got weapons from said teams.

Estella Omega: Not on my part no. Shanna's yes.

Shanna: To destroy the Virus and its creators and Wertz. I once had him as my teacher and he did this to me.

She showed a burn mark on her arm that was a nasty chemical burn!

WE GASPED!

Me: OH MAN! That looks like a chemical burn!

Nico: OUCH! That had to hurt!

Lola: What did he burn you with?

Shanna: Radioactive Ooze from dimension 12.

Me: OH MAN!

2003 Leo: The very same stuff that mutated us!? That's crazy!

Me: OH MAN!

Shanna: And it gave me this.

She formed her hand into a deadly ionic laser cannon and fired and it hit a tree and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

We gasped!

Me: HOLY SHIT! Mimitic Polyalloy Tool Synthesis.

Nico: Liquid Metal Weapon Synthesis.

Shanna: That's right. I can form my arm into blasters and swords and weapons of all kinds.

Me: That is cool! But Damn that Wertz! He did things that are REALLY HORRIBLE to us! He tried to get us to disband by using an expired coupon for pizza and even hire a Cemetery Wind like organization to kill us. Also he put a Rage Transmitter on my neck without me even seeing!

Nico: Yeah!

Shanna: WHAT A MONSTER! They should have never let him be a teacher.

Me: That is for sure! How they did so is beyond me.

Sougo (gets out Operation Overdrive Ridewatch): It's not every day we meet a relative of the Supernoobs

Geiz (gets out Mystic Force Ridewatch): Later, I'm thinking we should visit Cornbury.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor

Me: Since it's Shope's day to shine that's exactly what we're going to do.

Shanna: It'll be good to see home again.

Me: Yep.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance!

Nico: (Gets out Blizzard Elemental's ridewatch) Is it cold in here or is it just me.

May: (Gets out Tornado's ridewatch) Blow the competition away!

Universe 666 May: (Gets out Astromon's ridewatch) Time for some star power!

Maria: (Gets out Blizzalar's ridewatch) Cold to the touch!

Clair: (Gets out Skybreaker's ridewatch) Dragon power!

They used the powers of Blizzard Elemental (World of Warcraft), Skybreaker, Tornado (Eternal+), Astromons, Blizzalar and Water Hog and blasted the Anothers all over.

Me: YEAH!

Poromon: TAKE THAT!

Me: YEAH!

Then Web Spider, SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew came!

Me: WHOA! Wait that's a new Digimon!

SkullSeadramon: I am SkullSeadramon!

Me: OH MAN!

Qin: Scary!

Nico: Wow! Nice team Web Spider!

Web Spider: Thanks!

Flutterbat looked at me.

Flutterbat: (HISSES)

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I shined a beam of Ultraviolet Light in her face and it burned her.

Me: Learn your place.

Nico: BAD FLUTTERBAT!

Me: Yeah!

Fluttershy: (LAUGHS) That is something I never thought you would say to my vampire me.

Me: Yeah!

?: That is for sure!

Elemental HERO Poison Rose came!

Me: WHOA! Elemental HERO Poison Rose!

Jaden: SWEET!

Elemental HERO Poison Rose: Lets make this a fun one.

Nico: Rose Poisonfall! Wow!

She reverted back.

Rose Poisonfall: Good to see you Nico. I got this. POISON SPROUT!

She fired waves of seeds and they hit the Anothers and bloomed into poisonous roses and then...

KRASPLAT!

THEIR HEADS EXPLODED!

Me: OH SICK!

Qin: NASTY!

I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job.

Rose Poisonfall: Thanks. That was fun.

Clair: Yep .Do you have any good memories of Nico?

Rose Poisonfall: I sure do. When me and Nico were at school and we saw a bunch of Queen Bee bitchass girls picking on the disabled. I used my powers on them and just as their classes were in session, their heads exploded.

Me: WHOA! That surely made their parents pissed off at you.

Rose Poisonfall: Nope. They pinned the blame on a local gang and never suspected a thing.

Me: NICE!

Nico: Yep.

Nico and Rose hugged.

Nico: I've missed you.

Rose Poisonfall: Same here.

Me: (YAWNS) While we head back I'm gonna nap.

Nico: Okay.

We went back to the ship and I went to nap and we headed home.

After graduating from NYU, Travis Williams became a security officer for Darren Reynolds' company and he also had protected him from his parents' assassins, but he also heard from his boss that when he was in West Virginia, he ran into Caleb Maxwell who came back from the dead in 1993.

Anyways, Travis Williams and Darren Reynolds had called to tell him that Travis Williams' parents and his little sister were murdered: they were burned to death when someone poured gasoline on them and threw a lit match on them. The police weren't able to find out who did it, but Caleb Maxwell would find out that there were only two guys who would commit such an atrocity like this: their names are Ataru Kaneko and Junsei Narita, they're the most notorious lunatics in Japan and they're the members of The Kyogoku Family, one of the most powerful Yakuza families in Japan. Caleb knew they were lunatics and loved to burn people alive by pouring gasoline on them and throwing a lit match on them and watch them burst into flames. That alone pissed him off, and he warned the boss of the family along with the other members of the family that if he ever saw those two lunatics in New York again, he'll kill them and send them back to their office in body bags.

Well, it looks like Kaneko and Narita crossed the line when they murdered Travis Williams' parents and little sister with that stunt, so we're going to hunt them down, and Caleb's going to make them spill who ordered a hit out on Travis Williams' parents and little sister by making them suffer like their victims had by spraying them with gasoline and lighting them on fire. But, once he puts them out, he's gonna get them to spill it, but we're soon going to find out the person who ordered the hit was the Tuffle Infected versions of Goten and Trunks, and it was because of what Lincoln did in sending Baby to The Black Abyss after he drained him and Reflux of all their energy, and they would pay Kaneko and Narita double if they killed us. That would soon piss Caleb Maxwell off and he swore to torture and murder those two in the cruelest way imaginable and he'd make them feel the wrath of New York's Dark Angel of Bloody Vengeance, and he'd send those two losers running for the hills, but they swore to kill us to get the money.

But, Caleb was going to warn Kaneko and Narita to leave now, if not, he would make his threat come true and kill them both and send their bodies back to their boss in body bags and with a warning: that he would be coming for them if he ever saw them so much as spit in his way!

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in New York, and I know what we're going to do here, not only am I going to rescue the four girls here, but this morning, Caleb Maxwell's old friend, Darren Reynolds, had called him, along with another old friend of Caleb Maxwell.

Then, we saw Darren Reynolds, and he matches the one from the video we saw from James Blunt, and with him was another old friend of Caleb Maxwell, Travis Williams, a tan-furred cat with long brown hair, tan tail, and blue eyes, he was also really strong in appearance and he was dressed in a security officer uniform.

Eli: So, this is...!

Allie Maxwell: Yes, this is Travis Williams, a former student from NYU and someone who'd known Caleb and all the troubles he went through back in 1984 all the way to his death in 1985 and he'd especially known about Caleb's dark secret. After graduating from NYU, Travis Williams became a security officer for Darren Reynolds' company and he also had protected him from his parents' assassins, but he also heard from his boss that when he was in West Virginia, he also ran into Caleb who came back from the dead in 1993.

Darren Reynolds: That's right, I hired Travis Williams in 1990 and he really helped me out greatly in managing security and safety, and even dealing with the assassins my former parents sent after me.

Travis Williams: But, when I found out about Caleb's return from the dead in 1993, I was shocked.

We then headed to Darren Reynolds' company HQ, it was in Manhattan, New York overlooking the city.

Darren Reynolds: Alright, now this morning, we called Caleb and told him that Travis Williams' parents, David Williams and Elizabeth Williams, along with his little sister, Carrie, were murdered last night: they were burned to death when someone poured gasoline on them and threw a lit match on them.

Lincoln: We ran into the Tuffle version of Gohan and Cage smelled gasoline on his hands.

Cage Blunt: That's what was used last night in the murder. But, we weren't able to find the culprits, but when that Tuffle version of Gohan showed up, he admitted that he was among the culprits who helped in that after Caleb viciously tortured him, and he said it was out of spite against Lincoln for killing the Tuffle parasite, Baby. Jack wanted more names, but that idiot decided not to say anymore which warranted Caleb to kill him.

Darren Reynolds: However, all's not lost. I had a security system installed in the home they lived in, and it caught everything, and it caught the four guys who were there last night: the first two who were among those with the Tuffle version of Gohan, but the other two who actually did the dirty deed, let's just say, you're gonna be pissed when you see them, Caleb.

Darren Reynolds got out the photos of the two guys who did the deed: the first one was a silver-haired white-furred cat with brown eyes that screamed lunatic and arsonist and he was dressed in a suit and the second one was a magenta-haired white-furred cat with brown hair dressed in casual clothes and with brown eyes that screamed arsonist and lunatic.

When Caleb Maxwell saw them, he left nasty claw marks on the desk!

Me: Uh oh, I can guess you know them?

Caleb Maxwell: I wish I didn't, their names are Ataru Kaneko and Junsei Narita, they're lunatics, the most notorious lunatics from Japan who loved to burn people alive by pouring gasoline on them and throwing a lit match on them and watch them burst into flames. They're also the members of The Kyogoku Family, one of the most powerful

Yakuza families in Japan. I warned the boss of the family along with the other members that if I ever saw those two lunatics in New York again, I'd kill them and send them back to their office in Japan in body bags.

Qin: If the Yakuza are involved, wouldn't that be bad news if you kill them and send them back to their office in body bags?

Caleb Maxwell: I don't even give a damn about that. I warned every Yakuza that if they so much as spit in my direction by coming to New York, I would eviscerate every last Yakuza family in Japan and wipe them off the face of the earth in a torrent of blood and fire.

WE GASPED IN HORROR!

Nico: YIKES!

Me: Damn...!

Darren Reynolds: And those other two, here's the photos.

We saw the photos, and we gasped in shock, along with the Tuffle infected version of Gohan, there were also the Tuffle Infected versions of Goten and Trunks.

Lincoln: Oh God. You know, I thought about the Tuffle infected version of Gohan, he did say he wasn't alone, that meant the Tuffle Infected versions of Goten and Trunks were also there last night, and they also wanted revenge on us for what I did in sending Baby to The Black Abyss after I drained him and Reflux of all their energy months ago when we went after Venn and Gerald Vexos in Colorado.

Caleb Maxwell: Those goddamn...! Kaneko and Narita finally crossed the line! You know what, I am gonna hunt them down, and I'm gonna make them spill where the other two bastards who ordered that hit out on both Travis Williams' parents and Carrie by making them suffer like their victims had. I'm gonna spray them with gasoline and light them on fire. Then, I'm gonna make the two infected Saiyans feel the wrath of New York's Dark Angel of Bloody Vengeance!

Outside, the skies turned red and bats were flying out all over New York.

Nico: Crap...! He's finally lost it!

Qin: And what about those two lunatics?

Caleb Maxwell: I'm gonna send those two losers running back to Japan, and if they continue to swear to kill us to get them money, I will make my warning clear that they are to leave now, if now, I'll kill them!

Goten: We'll give you a hand with our Tuffle infected selves, you handled the Tuffle infected Gohan well, but against our Tuffle infected selves, you won't stand a chance, Caleb.

Trunks: After what you'd been through with Cage and Travis chasing you, you were outnumbered two to one.

True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's right, now let's get going.

We got a move on to get after Kaneko and Narita, and we saw a fancy penthouse in Upper Manhattan.

Lori: So, this is where those two lunatics are at.

Darren Reynolds: Caleb's informants told me Kaneko and Narita are hiding out in one of the poshest penthouses in Upper Manhattan, and have been going to strip clubs with the stolen money from their victims.

James Blunt: Lowlife pieces of crap. So, what do we do?

Caleb Maxwell: If we charge in now, those two will no doubt have gasoline cans with them and they'll throw them on us and throw lit matches on us. We'll need to drag them right out of the penthouse and get the gasoline cans away from them.

Suddenly, Lincoln summoned portals and he used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and grabbed Kaneko and Narita by the neck and dragged them out of their penthouse suite and grab the cans of gasoline. Then, Lincoln threw those two lunatics down to the ground.

Ataru Kaneko: What the Hell?! Who are you?!

Junsei Narita: You're dead! Do you know who we are?!

Caleb Maxwell: Shut your mouths, maggots.

POW!

CALEB PUNCHED THEM HARD IN THE JAW!

Caleb Maxwell: I warned you what'll happen if I ever see you two here again, but you refuse to listen to my warning more than once, Kaneko and Narita, and I warned you, there wasn't going to be a next time.

Ataru Kaneko and Junsei Narita: CRAP!

James Blunt: (Smirks) You should've stayed in Japan, boys, but because of your little act last night, now you're gonna pay the price. Let me just grab a can of gasoline, and...!

James Blunt grabbed a can of gasoline and doused them with it.

Junsei Narita: Ugh! He moved fast!

Ataru Kaneko: I didn't even see it!

James Blunt: Oh dear, look what I did.

Suddenly, James Blunt formed a flame on the tip of his right pointer finger.

Junsei Narita: Don't you dare! We're gonna fuck you up if you do that!

Caleb Maxwell: That was your last mistake. Mr. Blunt, do it.

James Blunt: You got it, Caleb.

JAMES BLUNT FLICKS THE FLAME AT THE TWO LUNATICS AND...!

WHOOSH!

THEY WERE LIT ON FIRE!

James Blunt: Burn, baby, burn.

Ataru Kaneko: (SCREAMS)

Junsei Narita: (SCREAMS)

THE TWO LUNATICS WERE REALLY GETTING BURNED!

James Blunt: Now, spill it, you two. Who else was with you the night Travis Williams' parents and little sister were burned to death? If you tell us now, we'll put the flames out.

Ataru Kaneko: Okay, okay! We saw red-eyed versions of (Points to Gohan, Goten, and Trunks) Them, and they said they would pay us double if we killed you all! The parents and sister were the chosen prey last night!

James Blunt: That's much better. Caleb, can you get out a fire extinguisher to put them out?

Then, Caleb Maxwell got out a fire extinguisher, and then...!

Caleb Maxwell: HA!

CALEB MAXWELL BEGAN SPRAYING THEM WITH THE FOAM!

Ataru Kaneko: (SCREAMS)

Junsei Narita: (SCREAMS)

They were put out.

Caleb Maxwell: Alright, now get lost, losers.

But, those two got out their knives.

Ataru Kaneko: No way! We're not leaving until we get our money!

Junsei Narita: DIE, ASSHOLES!

But, then, Lincoln fired two energy blasts at the two lunatics and they were disarmed. Then, Caleb Maxwell approached them and he glared at them.

Caleb Maxwell: Leave now! If not, I'll kill you!

They were really afraid of Caleb now!

Ataru Kaneko: Okay, okay! We're going! We're sorry!

They ran off like the cowards that they are to the airport to board the plane to Japan. But, the red skies turned even redder and more bats were flying out into the skies.

Caleb Maxwell: Now, that the two losers are out of the way, we can move on to our next targets.

Uh oh, and it looks like they're going after Kaneko and Narita.

Cage Blunt: They failed to kill us, and now, they're gonna kill them for their failure.

Caleb Maxwell: Sometimes, I hate it when a guilty conscience sets in especially if it means an enemy gets killed. Come on, we better save their asses.

We flew out, and we saw Kaneko and Narita getting attacked by the Tuffle Infected versions of Goten and Trunks.

Caleb Maxwell: (Sighs) Can't believe I'm saving the asses of Kaneko and Narita. (To the Tuffle Infected versions of Goten and Trunks) Hey, dorks, over here!

Caleb Maxwell unholstered his guns and he began shooting at the Tuffle Infected versions of Goten and Trunks, and then, he summoned demonic hands to slash at them! Then, we landed.

Tuffle Infected Goten: So, the killers of our lord have arrived.

Tuffle Infected Trunks: I didn't think you'd care for those two.

But, then, Caleb Maxwell fired blasts of darkness that hit Kaneko and Narita and suspended them in the air.

Caleb Maxwell: I don't. Now I realize that if I let them go, they'll get back to Japan and tell the boss of their family of what happened, and I'll have a mess on my hands far worse than what happened in 1979 to 1985 when my own nightmare began. But, that ends here and now, once I get rid of you two, they're next.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: The Tuffle Infected versions of Goten and Trunks don't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering them, now they're at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the Tuffle Infected versions of Goten and Trunks and they got beaten up real good and they were mangled!

Then, Andre Lupescu shot at the Tuffle Infected versions of Goten and Trunks, then Andre Lupescu slashed at them with his massive greatsword, same with Abaddon Aeternus doing the same thing to them.

James Blunt grabbed Kaneko by the throat with his left hand, and...!

CHOMP! SCREAMS!

James Blunt bit Kaneko on his right trapezius and he began draining him dry of all his blood, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous dark brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark brown angel wings underneath his enormous dark brown angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded crimson red gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold crescent moon ring-shaped frames around them with embedded crimson red gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs and phoenix feathers on his dark brown tail glowed.

When he was done, Kaneko was drained completely dry of all his blood and lifeforce, and then, he bit Narita on his right trapezius and he began draining him dry of all his blood, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous dark brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large dark brown angel wings underneath his enormous dark brown angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded crimson red gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold crescent moon ring-shaped frames around them with embedded crimson red gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs and phoenix feathers on his dark brown tail glowed.

But, then, we saw something else appear: crimson red flame patterns and rings on his obliques and sides and crimson red flame patterns on his forearms and a crimson red sun and moon appeared on his bare chest. Then, he set fire to the dead bodies and they turned to ashes and their spirits were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Cage Blunt: We avenged the deaths of Mr. and Mrs. Williams along with Carrie, but I can't believe Kaneko and Narita did that. The Yakuza are going to pay for this, and those Tuffle infected versions of Goten and Trunks were also involved in it.

Travis Tackett: Along with the Tuffle Infected version of Gohan, and it was done to spite us for what we did to their master. They deserved to die.

Lincoln: That's for sure.

James Blunt: And I made sure to end those two psychopaths by draining them dry of all their blood and lifeforce.

Me: That's for sure, plus you also gained crimson red flame patterns and rings on your obliques and sides and crimson red flame patterns on your forearms and a crimson red sun and moon on your bare chest.

Lincoln: Either way, at least, we avenged the deaths of Travis Williams' parents and sister, now they can rest in peace.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval the Greater on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Lakeside Lady on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval the Greater, and she has a fire greatsword, and with her are the four girls.

Lincoln: (GASPS) Savita Vulcania, Avatar and Gene-Slammer of Laval the Greater.

Savita Vulcania: That's right, and I got them away from those two lunatics and those Tuffle infected Saiyans, but I did manage to see Mr. Blunt drain those lunatics dry of all their blood and lifeforce and Caleb killed those Tuffle infected Saiyans.

Gohan: You should've seen what Caleb did to my Tuffle infected self. I've never seen someone inflict so much torture and pain on someone like that, that's what I consider overkill.

Lincoln: That was the darkness of someone who'd lost everything because of the cruel actions of his own younger brother and the cruelty of others who were affected by said younger brother and they caused him to snap. But, he still fought on the side of good despite all that pain and suffering he had to endure. (To Savita Vulcania) And it's so good to see you again, Savita.

Savita Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Savita Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Savita Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Savita Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Savita Vulcania's waist and hugged her, and Savita Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini,

the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Savita Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Savita Vulcania, Avatar and Gene-Slammer of Laval the Greater, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater. She's The Volcanic Lava Master and the strongest and most powerful member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Savita Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval the Greater, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Savita Vulcania despises Lincoln's enemies with a blazing passion because of all the pain they caused to Lincoln, his friends, and family, and she swore to throw them into a pit of lava and let them be melted by the lava.

Me: We took care of the majority of Lincoln's main enemies and sent them to The Black Abyss and Lincoln sent Dark Chase Young to The Black Abyss when we helped him fulfil The Prophecy of The

Reincarnation of Amaterasu months ago.

Nico: And we got clones of Lincoln's main enemies at Lynn's Table for you to torture.

Lincoln: And with the Gessius Flores Vengeance Curse on them, you'll get paid in tons of gold, gems, and tons of many currencies as well, so you feel free to go wild on them, and now that you're here, Savita.

Lincoln with his massive muscular arms still wrapped around Savita Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Savita Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Savita Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Savita Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Savita Vulcania.

Savita Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Savita Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Savita Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Savita Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Savita Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the four girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the four girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Maria Scissorland from The Bell Chimes For Gold and Alberta Ruttsu, Liese Ruttsu, and Stella from Elf Army Sister.

Lincoln: Oh whoa, it's Maria Scissorland from The Bell Chimes For Gold and Alberta Ruttsu, Liese Ruttsu, and Stella from Elf Army Sister.

Nicole: Uh oh, Red and Travis were right telling the guys to run. These girls are really cute.

Lincoln: And they're easy targets of those who'd want to hurt them and kill them, which I'm not going to allow not unless they want to be put in a coma. Are you girls okay?

Maria Scissorland: Yes, we're okay thanks to you.

Then, when Maria Scissorland and the other three girls saw who it was that saved them from Kaneko and Narita and the Tuffle Infected versions of Goten and Trunks, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The

Maria Scissorland: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Maria Scissorland: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maria Scissorland, Alberta Ruttsu, Liese Ruttsu, and Stella with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: That was one brutal and bloody battle we had.

May: And we avenged the deaths of the family of one of Caleb Maxwell's friends.

Lincoln: They didn't deserve that. Those two members of the Yakuza paid the price along with the Tuffle infected versions of Gohan, Goten, and Trunks. We can handle the Tuffle Infected versions of Videl and Bulma, but after what Caleb did to those three, I think we should tell Vypra not to let the Tuffle Infected versions of Videl and Bulma anywhere near Caleb.

?: Otherwise, he would kill them in the same way he did to those three.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long golden yellow hair, golden yellow eyes, golden yellow angel wings, she has a gold sword in her right hand, and she has on a golden yellow two-piece bikini.

Lincoln: (GASPS) Gabrielle Goldaira, Queen of The Goldairans of Planet Goldaira.

Nico: No way, the only Goldairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Gabrielle Goldaira, Queen of The Goldairans of Planet Goldaira, she's Lincoln's Guardian Angel from Planet Goldaira, a planet of endless gold inhabited by powerful warrior angels known as The Goldairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, and immense omnipotent powers of gold and light, she's The Queen of The Goldairans of Planet Silveraira, and she's also far more powerful than her own people: in addition to being a natural born fighter and having vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, but she was also born with angel wings, vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of gold and light times infinity, and like with Almightairaira, her people drove off the Infernairans, and they had the dream: when The Reincarnation of Amaterasu was forever purified, the Goldairans would send a message to him in a dream inviting him to Goldaira where he would also meet The Goldairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Goldairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of silver times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Goldaira and its core into his body and Goldaira's Sun into his body to preserve their legacy. Gabrielle Goldaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and all the powers of The Goldairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Goldairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Goldaira and its core and Goldaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to end their lives by pouring liquid gold on them and turning them into gold statues for all eternity.

Me: That's incredible.

Gabrielle Goldaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Goldairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of gold and light times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Goldaira and its core and Goldaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Gabrielle Goldaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Gabrielle Goldaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Gabrielle Goldaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gabrielle Goldaira with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Gabrielle Goldaira: That's my special gift to him: Goldaira's Blessing of Divine Solar Light Gold Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Gabrielle Goldaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Goldairans both males and females are extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us killed Kaneko and Narita along with the Tuffle Infected versions of Goten and Trunks and sent them to The Black Abyss forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Savita Vulcania saw Lincoln doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Savita Vulcania: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Savita, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Savita Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew

from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Savita Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Setsuna, Shiki, and Tamaki went into The Simulator and it activated, and they were in Chen Cang, and we saw it on the big screen.

Tamaki: So, this is Chen Cang.

Lincoln: That's right, and I'd been here before along with seeing Chen Cang Castle, but watch out for the weapons there.

They got a move-on and defeated the enemy soldiers that Lincoln provided.

Tamaki: That should do it, but now, only one person remains.

?: (ROARS)

Then, they saw a Manhunter, a large black spider demon with a lion-like face with sharp sickles that are said to have been drenched in the blood of countless prey.

Nicole: Oh no, that's a Manhunter!

Tamaki: Confronting the demons. Then, I won't run, I'll stand my ground.

Suddenly, Tamaki's jade green eyes turned neon jade green and she was surrounded by a red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, light, wolves, phoenixes, and angels.

Then, he performed the Ritual of Purification on the severed body parts, and they attacked the Oni once more, but this time, it was slain for good, and they performed the Ritual of Purification on the beast and it vanished forever. Setsuna: Now, all three of us have transformed.

Nico: That's for sure. Plus, each of you now have your own archenemies, but I have a feeling that your transformations might be the prelude to something really big happening on Lincoln's rescue tomorrow. And Setsuna, I had no idea you were able to also perform one of the abilities of the Slayers.

Setsuna: Ever since we appeared in Ms. Ōka's world after our relatives were attacked by demons, I'd observed many of their abilities, and she also helped us as well when Sayo was possessed by Yomi. So, I did some training on my own in their world, same with Shiki and Tamaki, and in addition to my royal treasure, The Divine Edge, I also happen to wield the long sword, one of the many weapons the Slayers use.

Suddenly, we saw cyan blue beads with gold designs appear in between the orbiting gold magatama beads around Setsuna's neck, along with purple beads with silver designs appear in between the orbiting gold magatama beads around Shiki's neck and red beads with gold designs appear in between the orbiting gold magatama beads around Tamaki's neck.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ling-Ling and Lung-Lung, Star Sapphire (Justice League Action), Ember (Justice League Action), Cheetah (Justice League Action), Kimiyo

Hoshi/Doctor Light (Justice League Action), Big Barda (Justice League Action), Harleen Quinzel/Harley Quinn (Justice League Action), Pam Isley/Poison Ivy (Justice League Action), Coin Woman (Pachislot Rockman Ability), Heartless (Mega Man Star Force), and Roll (Pachislot Rockman Ability) with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with three white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and three rainbow Thunderbird wedding rings on their left pinkies.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Akhaten from Doctor Who came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Sheldon McCracky A.K.A. Nico: Shope, you know him?

Shope: I do, but you're not going to like hearing his history.

Water Hazard: That is amazing.

We went over to her.

Water Hazard: Take it easy.

She fired a huge blast of water at Horsea but she put her clone in front of her

SPLASH!

The clone got wet!

Horsea: HA!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blue angel wings and had Blastoise on her forehead and had a water drop with Water Hazard on her arm as a cutie mark.

We wrapped her in a blanket and brought her over to the couch.

Me: There.

Then the mascots threw up!

VOMIT STORM!

Nico: Cleanup on aisle 12!

We cleaned up the place.

She woke up to see Horsea's smiling face

Winnie Waterhazard: (Groans) (British Accent) A Horsea? What happened?

Horsea: You attacked my clone!

Maria picked her up.

Winnie Waterhazard: I'm sorry about that.

Me: You wee turned into a Blastoise by Dark Gale.

Winnie Waterhazard: Oh man. I was battling Zombozo's Circus Freaks in a plot to kill people for laughing at them.

Me: That is not right.

Frightwig: That was long ago.

Me: Thumbskull and Acid Breath are in the M.O.E. and Frightwig here is in the Redemption Squad.

Winnie Waterhazard: I can see that. I'm glad.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and red clothes and a water sword.

Winnie Waterhazard: I look awesome.

Me: The first member of the Andromeda 5.

Nico: Yep.

Qin: Yeah!

Winnie Waterhazard: There are 4 others like me too.

Nico: Wow!

Yagura: Enjoy the drinking contest, you 4?

Poromon: Yes we did.

Me: Good. Don't do that ever again guys.

Poromon: Sorry.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and

The Bookworm, and he's out to get revenge on The Supernoobs specifically Shope. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: What the?!

Eli: Another old enemy of The Supernoobs is on the loose?

Lincoln: Yep, but this one's out for revenge on Shope!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: his name is Sheldon McCracky A.K.A. The

Bookworm, and he's out to get revenge on The Supernoobs specifically Shope.

EVERYONE GASPED!

Shope: I knew it'd be him!

Nico: Shope, you know him?

Shope: I do, but you're not going to like hearing his history.

Shope told us about Sheldon McCracky A.K.A. The Bookworm, and when she was done, we were really disgusted, but none more so than Lincoln.

Lincoln: I can't believe he'd do this to you, to one of my future wives! Shope, I'm gonna give that arrogant dumbass what for! I'm gonna make him pay for everything. First, I'm gonna beat the living daylights out of him and leave him with broken arms, legs, nose, teeth and black eyes, and then, we're gonna finish him off by draining him dry of all his intellect.

WE GASPED!

Nico: (GULP) Oh boy.

Me: Oh my God! Now, that arrogant dumbass has done it! He's awakened the wrath of Lincoln Loud!

Nico: Doing that to one of his future wives, he's done for! Alright, team, let's get to Cornbury, Canada, and get to Cornbury Middle School, we got an arrogant bookworm dumbass douchebag to deal with!

Lincoln: (Deep Sapphire Eyes turn crimson red) No one does this to one of my future wives and lives, now he's going to deal with me!

Me: Oh boy!

Qin: YIKES!

The previous group came.

Whiteout: Why are Chazz and Ed's sister and their friends mangled up horribly and why does Rolf smell like shit? And why is their vomit and water all over the place?

Me: Don't fucking ask.

Eccentro: Can me, Whiteout, Cantwell, Beautiful Gorgeous, KGBeast, Pyro, Dirty Bubble, Chemistro, Goliath and Titanium Titan go with you guys?

Nico: Yes you guys can come with. Lincoln is going to tear apart Sheldon McCracky A.K.A. The Bookworm.

Eccentro: Oh boy.

Me: Yeah this is the first time we heard of him or faced him for that matter.

Eccentro: I can see that.

2d Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Woodsman

Me: Nature power.

Qin: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Magor, the leader of The Volcano Tribe along with Magmion, Lavion, Deepdownfear, Armageddon, Cerbante, Firespitter, Electricon, Thoughtcatcher, Fiery Hammer, Insecticus, Spider, Screaming Guardian, The Anonymous Multiform, The Mastodontic, Firespitter, Wicked, Lavor, Fiery Angel, Steelblade, The Incandescent Phantom, Nightmare of Fire, The Mysterious Knight, Geyser, Bombos, Lava Soldiers, Metal Soldiers, Brags, Sentinel the Guardian, Skorpios, Forgius, Navus, Furious Lava, Lava Hook, Magmaserp, Marton, Flamminghammer, Cyclops, Bullock, Xiron, Blind Screamer, Gorkon, Metalloid, Pretrolius, Memeltor, Fiammelicus, Magor's Elite Soldiers, Basaltor, Osmanyus, Premogar, Prorfidius, Oleodoctor, Kompakator, Gazmazk, The Plastiforme, Cingolo, Electrowatt, Gorbattentes of Evil, Andrall, Sceven, Fume, Lava Minions, and Drakkon, and they've come back for revenge on us. When we saw it, we knew it meant trouble!

Lincoln: Oh man!

Me: Lincoln, don't tell me! That was...!

Lincoln: Magor, the leader of The Volcano Tribe along with Magmion, Lavion, Deepdownfear, Armageddon, Cerbante, Firespitter, Electricon, Thoughtcatcher, Fiery Hammer, Insecticus, Spider, Screaming Guardian, The Anonymous Multiform, The Mastodontic, Firespitter, Wicked, Lavor, Fiery Angel, Steelblade, The Incandescent Phantom, Nightmare of Fire, The Mysterious Knight, Geyser, Bombos, Lava Soldiers, Metal Soldiers, Brags, Sentinel the Guardian, Skorpios, Forgius, Navus, Furious Lava, Lava Hook, Magmaserp, Marton, Flamminghammer, Cyclops, Bullock, Xiron, Blind Screamer, Gorkon, Metalloid, Pretrolius, Memeltor, Fiammelicus, Magor's Elite Soldiers, Basaltor, Osmanyus, Premogar, Prorfidius, Oleodoctor, Kompakator, Gazmazk, The Plastiforme, Cingolo, Electrowatt, Gorbattentes of Evil, Andrall, Sceven, Fume, Lava Minions, and Drakkon, and they've come back for revenge on us.

Janet Gutierrez: Lincoln, I hope you absorb all of them!

Lincoln: I will, Janet. I'm going to absorb all of them, and banish Magor to The Black Abyss and send the others to The MOE.

Nico: This is gonna get really hot and intense. Alright, team, now let's go, time to punish that arrogant douchebag and make him pay.

Lincoln: No one touches him, not until I get the first shot and draw first blood, and once I get done with that arrogant worm, you're next, Magor and The Volcano Tribe.

Janet Gutierrez: You made a huge mistake coming after us, Magor, now you and The Volcano Tribe are going to pay for all your crimes!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Cornbury, Canada and to Cornbury Middle School to take down Sheldon McCracky A.K.A. The Bookworm, and once we get done with him, Janet Gutierrez and Lincoln are going to take down Magor and The Volcano Tribe and Lincoln's going to absorb them all.

We were off to Cornbury.

We arrived at Cornbury.

Me: Wow Cornbury is looking good.

Qin: It sure is.

Shope: Good to be back home.

Shanna: It sure is.

Whiteout: Let's call Plastique

Me: Good idea.

We did so.

Plastique: I'm here guys.

Me: Awesome. Hey look guys.

We saw wanted posters of Wertz.

Me: (Reading) "Wanted by Order of the FBI, CIA, INTERPOL and Scotland Yard. Verminian J. Wertz. For crimes against humanity, high treason, crimes against Team Loud Phoenix Storm, War Crimes, attempted murder and attempted genocide. Is described as Armed and Extremely Dangerous. Kill on Sight if Necessary." Whoa man!

Sunstorm: We DID bust him back in 2020

Me: And banished him to the Warp earlier after he came back to the Black Gates.

Qin: Yep. But we did warn Cornbury about him coming back.

Maria: We'll give him the biggest ever trial ever on whoever has him for their day to shine.

Nico: That is perfect.

Maria: Yep.

Me: Great and I want to testify against him.

Nico: That will be done.

KGBeast: (Russian Accent) First, what can you tell us about the Bookworm?

Me: Sure. Shope?

Shope: Right.

Shope told them all about him and it was shocking!

KGBeast: Oh man! So he's a rival.

Shope: Yep.

Qin: Wow.

Me: He's smart but not that much of a threat. But he must be grateful that Jock is gone as I'm sure that Jock viewed him as a target for his ego and bullying.

Runabout; I'll say this. He's no Albert Einstein.

Me: That is true.

Qin: Yep.

Me: He may be smart, but we are smarter.

Camie: That is true.

Nico: Lets head to the School.

We did so.

Overkill: Jock's not dead...this time. He's locked up. Maybe after we defeat Bookworm, we can have him settle things with the asshole.

Me: I like the way you think Overkill.

Overkill: Thanks.

We arrived at the school and went in.

We saw that the school was a much better place now that the Virus and Jock aren't wreaking havoc.

Dirty Bubble: This place cleaned up nicely

Nico: The virus and its creators are now forgotten and dead.

Me: Yep.

We saw a poster on a board that said about Jock.

Me: (Reading) "Most Hated Kid ever in Cornbury - Jock Jockerson. 30% Bully, 20% Spiteful Monster, 50% Evil Butthead and is a 100% Big Jerk!"

Nico: Man good way to describe him.

Goliath: They should've added "Iron Maniac" and "Sullen 6 Member"

Me: I'll do that.

I did so.

I fired an art laser and put that in too.

Me: There.

Goliath: Much better.

Horsea: Sorry about earlier, Maria

Maria: Aw I can never stay mad at you Horsea.

Qin: Cool.

Whiteout: Now can you tell us what happened to Chazz and Ed's sister and friends?

Me: Well you aren't going to like it.

I went over what happened.

Whiteout: Oh man! That Risk guy really brutally mangled them up!

Me: And people were calling US Reckless! I got smashed all over the place by all the gags that Crackhouse Goofy got smashed with!

Nico: But you came out fine

Me: No kidding there.

Whiteout: That kid really was stupid.

Me: No kidding.

?: (Seductive voice) Hey big boys.

We saw a woman with brown hair and had an aura of light, darkness, fire, water, wind and earth and she was in skimpy sexy underwear.

WE GASPED AND LINCOLN DID ALL KINDS OF WILD TAKES!

Lincoln: (Beastly Gruff Manlier Voice) WOW! That's Shope's Akuma, Elemental Seductress. The Hypothetical Akuma of Shope and a master of seductive charms and a deadly master of the elemental forces. She was made when Wertz killed her friends and she vowed to kill him.

WE GASPED!

Me: Wertz is one NASTY Piece of work! But man Shope's Akuma is one beautiful fox!

Beastbox: You look hot.

Me: Boy I'll say. (PURRS)

Elemental Seductress laughed and giggled.

Elemental Seductress: Oh my what a man!

WE LAUGHED!

Me: Marilyn Monroe would love that outfit.

Titanium Titan: (Spanish Accent) Shope? Is that you?

Elemental Seductress: Yes, it's me.

Shope: I look so beautiful like this.

Me: You sure do.

Plastique: You need to calm down.

Elemental Seductress: Not till Wertz is dead. (Stroke's Lincoln's face)(Seductive Voice) You'll kill him for me won't you?

SMOOCH

SHE KISSED LINCOLN ON THE LIPS!

Lincoln: (TOOTS LIKE A STEAM HORN!) (MELTS INTO A PUDDLE OF SLOP) (Gurgling voice) Oh you know we definitely will do that baby!

Lincoln reformed.

We laughed!

Me: She sure knows how to pour on the charm!

Blossom: I think Sedusa is going to have a lot of competition with her.

Nico: I gurantee he's gonna die by Firebrand's hands. How cooked do you want his corpse?

Me: Ah so on Kevin's day to shine!

Nico: Yep.

Elemental Seductress: I want him cooked like a roasted chicken on a rotisserie.

Me: Like how Brian saw Peter cooking on one in that hallucination caused by magic mushrooms?

Elemental Seductress: Exactly like that!

Me: Done.

Nico: We'll even bring s'mores too.

Elemental Seductress: You drive a hard bargain.

Me: Done. Now lets fight.

I fired waves of energy and blasted her down.

Plastique fired energy blasts too and knocked her down.

Elemental Seductress got up.

Elemental Seductress: My turn!

She fired waves of fire and lightning and I deflected the blasts back at her.

Me: Hey look here.

I flexed my muscles.

Me: Like this rock hard arm?

She did Tex Avery wild takes too and melted and was knocked out, but only for a bit.

Cindersaur: That's one way to knock someone out

Lincoln: J.D., stand back, I need to knock her out with the same tactic you used, but I really need to turn up the heat and seduction on her.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his deep blood red eyes with the slit pupils became more intense: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

Then, Lincoln snapped his snapped his fingers and the 950'11", handsome and extremely muscular wolfman was in a large orange and white speedo with a Thunderbird and lightning bolt surrounded by elemental forces and stars on it with intense rainbow flames coming off the speedo, that caused Elemental Seductress to blush madly, and she began rubbing every last massive and infinite-times hard muscle on his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made her go even more wild, and he let out a manly wolf growl of pleasure from their touches as she rubbed his massive pecs, biceps, forearms, legs, and twelve-pack abs.

Elemental Seductress: (Swooning) So manly...! And so nice and hard.

Then, Lincoln flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and Elemental Seductress felt them for herself and her atomic red blush on her face became even more hotter and more intense.

Elemental Seductress: And throbbing with raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

She couldn't help herself as she continued rubbing his body.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)(Seductive Beastly Gruff Manlier Voice) (Smirks) Like what you see, babe?

Elemental Seductress could only nod.

Elemental Seductress: (Thinking) And he also lets out such a manly wolf roar too? (Licks her lips)

Me: Uh oh...!

Suddenly, Lincoln pinned Elemental Seductress to the floor.

Lincoln: (Beastly Gruff Manlier Voice) Gotcha.

Elemental Seductress: (Smirks) Really?

Then, she wrapped her legs around his waist, but he still had a smirk on his face.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) Well, well, someone's a little eager to make out.

Then, Lincoln wrapped his massive muscular arms around Elemental Seductress' waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Elemental Seductress: (In Heaven) What...a...beastly...and manly...wolfman hunk!

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elemental Seductress with colored gems on the gold lightning bolts and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Elemental Seductress: (Rubbing Lincoln's massive hairy pecs) Who could've guessed the 11-year-old boy would grow up into a tall, gigantic, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you're also quite the seductive beast especially in a speedo. (Seductive

Voice) Though I wonder what you also got hidden underneath as well.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Elemental Seductress: (Smirks) Well, well, looks I've aroused quite the beast. We'll have plenty of time tonight to connect in a more...intimate way.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) There'll be plenty of time for that later on tonight.

Lincoln kissed her on the lips once more.

Brian: By the way J.D. how did you know I saw that because of those mushrooms?

Me: I saw what you saw in a nightmare and it was really scary!

Nico: What was it?

Me: Look.

I formed a viewing orb and showed everyone.

When it was done EVERYONE WAS SHOCKED!

Nico: That's exactly like what I saw.

Nicole: That's like how Jared made the Malevolent Insanity World.

Jared: Yep.

Chemistro:...I think we should get moving now

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of Cornbury, Canada and Cornbury Middle School, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Sheldon McCracky A.K.A. The Bookworm, and he's out to get revenge on The Supernoobs specifically Shope.

Suddenly, the spirits of the geniuses of history appeared and they attacked Sheldon McCracky A.K.A. The Bookworm with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that pissed off Sheldon McCracky A.K.A. The Bookworm even more.

Pyro: Hey! Kept you waiting, huh?

Sheldon: Team Loud Phoenix Storm!

Me: That's right.

Sheldon: I should thank you all for getting right of Jock.

Me: That jerk had it coming.

Shope: Hello Sheldon. Nice to see you again.

Sheldon: Nice to see you too Shope.

Bugly: Listen, I get Jock drove you to become this way. But we can't let you keep doing this

Me: That's right. Usually bullies favorite targets are nerdy kids.

Irwin: That's right. Like me and Billy yo.

Me: Yeah and you know what usually happens to them? Those bullies get their skulls smashed in.

Sheldon: Good call there.

Me: Yep.

Sheldon: Well, I got something to make things interesting.

He activated a laser from the wall.

Sheldon: I'll ask you a few questions. Get them wrong and the laser will shoot at you.

Beautiful Gorgeous: This is starting to get interesting

Me: Okay hit us with your best shot!

Sheldon: What is the. Atomic Symbol for gold?

Fangry: Fitting question

Me: Au.

Sheldon: Correct. What's the Square Root of 546?

Me: 23.36664289109.

Sheldon: Impressive! How did you know that?

Me: Advanced trigonometry work when I started out in Michigan.

Sheldon: What does SHIELD stand for?

Cantwell: Oh, that's good! It's not covered in any school subjects.

Me: Strategic Homeland Intervention, Enforcement and Logistics Division

Sheldon: Correct again!

Nick Fury: Doesn't take a rocket scientist to figure that out.

Sheldon: What force holds you to the Earth?

Me: Gravity.

Sheldon: Correct again.

Me: Also Earth no longer is just Earth. It's Earth Omega. Earth had a much more powerful growth that defies the laws of physics.

I showed him.

Me: Earth went from over 7,000 miles in diameter to over 200,000 miles in diameter. And it has a ring system again like it did billions of years ago.

Sheldon: That is amazing!

Me: I know. Partially I am the catalyst behind Earth's magical transformation.

Sheldon: I see.

Nico: I think that will be all.

Sheldon: Why?

Stewie: Because while we were answering your question, I was disabling your laser.

The lasers shut down.

Winnie Waterhazard fired waves of intense water and blasted him.

Totodile then chomped onto Sheldon's head.

Winnie was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Lory Florauna.

Lory Florauna: NO! We control the power. It doesn't control us.

They concentrate and reigned in the powers of Venusaur and Blastoise and transformed and blasted them with leaves and water and smashed him all over.

Me: YEAH!

Shope fired waves of lightning and Shanna did the same and blasted him all over.

Me: Take that!

Poromon pecked him!

POINK POINK POINK POINK POINK!

Poromon: Take that!

Plastique: I'll get the next groups ready

Me: Okay then.

She left.

Qin fired blasts of fire and blasted him.

Poliwag slapped him with his tail!

Winnie Waterhazard and Water Hazard: WATERS OF FURY BLAST!

They fired waves of water and blasted him.

Ed Cowart: Alright.

They proceed to insult Sheldon McCracky A.K.A. The Bookworm.

Lisa loud: Bookworm? More like bookdumbass! I bet you never mixed chemicals without blowing stuff up!

Dexter: I bet you got the dodgeball treatment, by that I meant getting ganged up on and messed up by dodgeballs!

Jimmy Neutron: Einstein would certainly see you as a shitty bootleg knockoff!

Shope: You are a fucking dull and ugly idiot that's also a shitty bootleg Mandark knockoff! At least, Lincoln treats me better than even you can, you stupid arrogant piece of shit!

Carl (Johnny Bravo): Sure, my friend Johnny can be a bit of macho, but he's a good friend to have which is more i can say for you! We already have Mandark, so you can just stick with going to jail and paying Jennifer Shope compensation for emotional distress!

Edd uses his cloth removal repulsor to make Bookdumbass naked except in his brain shaped boxer shorts.

Sailor Mercury: Even Eggman and Dr. Wily are better geniuses than you, you pathetic dull and ugly loser!

Scarlett: I bet you can't even solve some of the world's impossible math equations without relying on your tools.

She fired Ki blasts to destroy Bookdumbass's nerd tools.

Lisa Loud and the other geniuses of TLPS and The MOE: Prepare your dull and ugly ass for defeat and one last thing?

Shope: You had this coming, you asshole!

She threw a snapping turtle pellet which revealed snapping turtles that chomped Bookdumbass' crotch. Lisa loud threw a hyper hot sauce made at Sheldumbass McCrackdouche A.K.A. The Bookdumbass which sprayed hyper hot sauce. Dexter then threw a Fruit Gusher pellet at Sheldumbass McCrackdouche A.K.A. The Bookdumbass which made his head morph into a pineapple. Jimmy Neutron fired his shrink ray which made Sheldumbass McCrackdouche A.K.A. The Bookdumbass small as a ant then grabbed bookdumbass into an ant farm. Then, he brought him back out and restored him to normal size.

Carl (Johnny Bravo): Johnny, I believe our Bookdumbass friend needs some exercise here.

Johnny Bravo: With pleasure.

Johnny Bravo grabbed Bookdumbass and had him do over three hours of grueling exercise. Velma threw a wedgie pellet which grabbed Bookdumbass' underwear dragged him to a wooden for all to see. Edd shaved Bookdumbass' hair and made him bald. Then, Lisa Simpson fired a hyper hot nacho cheese pellet at Bookdumbass which explodes spraying hyper hot nacho cheese all over Bookdumbass. Then, Sailor Mercury threw a diarrhea pellet into Bookdumbass' mouth which instantly dissolved and gave Bookdumbass instant diarrhea which made him crap his pants, then Scarlett threw an itching powder pellet at Bookdumbass which explodes spraying itching powder all over him, and he was scratching himself raw.

Shope: And now, for the final blow Trouble Busters style, by that I mean suing your ass for not only everything you've done to me, but also, for everyone you hurt!

Bookworm: I don't have that kind of money!

Time to pay, Bookworm!

Qin: YEAH AND MORE!

Me: YEAH! Also Sheldon we know you aren't alone.

Sheldon: What do you mean?

Me: Come on Sheldon, we know there's another with you. Someone that one of our friends knows. So you can come out now!

A figure came out and it was a teen girl with black hair and green eyes and had a dark green jumpsuit.

Kendra: (GASP) Megan!

Megan Armstrong: Hello sister!

Sheldon: You two know each other?

Megan Armstrong: She's my sister!

Kendra: We never really got along. She's my sister Megan Armstrong. She's the black sheep of the family. Megan was kicked out of the house because of turning to a life of crime. I tried to help her but her jealousy and hatred towards me consumed her and Megan ran away and vowed to kill me no matter what one day.

WE GASPED!

Me: Oh man!

Blackfire: She was fed up of living in your shadow.

Megan Armstrong: That's right!

Qin: Oh man.

Megan Armstrong: I hated Kendra for always being the apple in our parents eyes!

Kendra: Megan that's not true! I never intended to let you be completely alone like that! I loved you and wanted to be there for you but you never gave me a chance!

Megan Armstrong: SHUT UP!

Her eyes turned red and she grew and turned into a black version of Armorsight!

Anti-Armorsight: I am ANTI-ARMORSIGHT!

Me: WHOA! UGLY!

Charlie Brown: I'll help too!

Ymir: Same with me!

Kaz: Count me in too!

Kendra: Lets do it!

They went at her.

Poromon shook a beer bottle and fired it at Sheldon.

SMASH!

It hit him on his head.

Kendra and party fired waves of energy and blasted her down.

I fired a beam of energy and separated Anti-Armorsight from her. We scanned her and banished Anti-Armorsight to the Black Abyss.

Megan looked at Kendra with hate.

Megan Armstrong: Kill me then!

But then Kendra hugged her!

Poromon flew over to her.

Kendra: Megan you need serious help. I never intended to steal your thunder. I wanted to have you be part of the family as much as anyone else. But my parents were too stupid and thought you were a failure. But I didn't want that. You are my only sister and I love you. Do this for me sis. Get help and therapy. Please?

Megan then broke down crying.

Poromon sat with Kendra.

Sheldon: She had it rough.

Me: Yeah.

Then Titanium Toenail, Gentleman Ghost, Plastique, Swordsman, Multiplex, Firebrand, Cluemaster, Touch & Go, Girder and Cheshire came.

Nico: Titanium Toenail, Gentleman Ghost, Plastique, Swordsman, Multiplex, Firebrand, Cluemaster, Touch & Go, Girder and Cheshire.

Plastique: Are we too late to join the fun?

Me: Nope. You made it just in time.

Cluemaster: Those were actually some good questions

Sheldon: Thank you.

Mr. Go: With any luck, you can join our ranks.

Swordsman: And Jock will be all yours to pummel at some point.

Me: Yeah!

Girder: (to Nico) We heard you fought Risk

Nico: We sure did.

Cheshire: (to Casey) You should take care of that Sprigatito.

Casey: I will.

?: Cool!

A figure came and it was STENCH from episodes 26 and 27 of SPD

Stench is an eel-themed criminal and friend of Piggy's who aligns himself with his buddy Thresher to steal S.P.D. technology. He and Thresher served as the primary antagonists of the two-part episode S.W.A.T.

By using a pirated quantum enhancer, Stench breaks into the Delta Base and steals schematics for S.W.A.T. Mode. The armor granted Stench a new superpower such as invisibility, superhuman strength, enhanced speed and energy blasts from his emitter on his chest.

By using his new armor, he freed Thresher and then the criminal duo started robbing shops and captured Doggie and Sam. Later Stench, along with Thresher, takes on the Rangers and even the Red Ranger and his Battlizer.

He was eventually stopped and contained by the Power Rangers using S.W.A.T. Mode along with Thresher.

Jack Landors: STENCH!

Stench: Been a while Jack!

Me: I remember you Stench! You and Thresher robbed a bunch of shops after you freed him and stole the schematics for the S.W.A.T. Mode and got new abilities from it!

Stench: That's right. Good memory.

Me: Yep. Where's Thresh? Isn't he with you?

Stench: Nope. Just my turn.

Me: I see.

Jack: It's thanks to your crimes that we got SWAT Mode to begin with.

Me: How can I forget that! That was awesome!

Stench: It was.

Me: And are you called Stench because you fart a lot?

Stench: (LAUGHS) I wish! I'm called that because I stink bad.

Me: Oh sorry I asked.

Nico: LETS GET IT ON!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Magor and The Volcano Tribe members began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln, and Magor and The Volcano Tribe members roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Magor and The Volcano Tribe members, and Lincoln sucked out all of the remaining energy in Magor and The Volcano Tribe members' souls and banished Magor to The Black Abyss and sent Magmion and the other Volcano Tribe members to The M.O.E., and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Janet Gutierrez's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded purple gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded purple gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large purple and golden yellow planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller purple and golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple and golden yellow planets orbiting around her wrists and ankles, and enormous golden yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large golden yellow angel wings underneath her enormous golden yellow angel wings are permanent.

Janet Gutierrez: This where it ends for you, Magor and The Volcano Tribe, and this is goodbye and good riddance. Thanks for helping me get rid of Magor, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Janet.

Me and Nico: Our pleasure, Janet.

Suddenly, Janet Gutierrez wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Janet Gutierrez's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Janet Gutierrez sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Magor and The Volcano Tribe.

Me: Magor got what he deserved, and Magmion and the other Volcano Tribe members will fit in quite well in The M.O.E. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty appear in the sky.

Anna Anyanova: That would be Amihan Frostine, Avatar and Gene-Slammer of Trishula, Dragon of The Ice Barrier, and you guys are gonna like meeting her and this is also someone from the past of Travis Tackett since his archenemy is Trishula, Dragon of The Ice Barrier, Amihan Frostine, Avatar and Gene-Slammer of Trishula, Dragon of The Ice Barrier, is Lincoln's Guardian Angel from Kentucky, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier. She's the leader of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Amihan Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Trishula, Dragon of The Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and what many of us didn't know was that Amihan Frostine knew Travis Tackett in his world before it merged with our world because she was his old classmate, and she knew of what he went through: dealing with his alcoholic dad after his mom died, bullied by Trevor, Corey, and Jeremy, the three boys in his high school, and being rejected by girls which led him to do drugs, and she also knew Cage Blunt turned him into a vampire to save his life from an overdose. She also knew of what he and Cage did in 1969 in their world that led to them leaving Kentucky and arriving in New York in the 1980s where he and Cage would run into Caleb Maxwell who was already a mess because of his younger brother, Drake Maxwell.

WE GASPED!

Travis Tackett: I remember Amihan all too well, I always saw her in the hallways at school and she even beat Trevor, Corey, and Jeremy to a pulp.

Cage Blunt: I did remember feeling an ice cold presence in your school, had no idea she was a Guardian Angel of Lincoln's, and I can guess she...!

James Blunt: Knew we were vampires, we can keep some humans in the dark about our true selves, but if they're worthy, we can show them, but when it comes to those who have powers and have supernatural ties, they can see right through us.

Nico: I had no idea about that. But, wow!

Lincoln: She did tell me about you guys and your world eight years ago, but I had to keep it secret especially with...!

Travis Tackett: Right.

Titanium Toenail: At least one of the Supernoobs' enemies isn't really a bad person.

Gentleman Ghost: No, he isn't.

Plastique: Either way, I ended that explosively.

Multiplex: You sure did.

Firebrand: And me killing Wertz? That's definitely gonna happen.

Me: As long as it ends with us roasting Wertz on a Rotisserie.

Nico: Yep.

Firebrand: Nice.

LOUD SCREAMS OF AGONY AND PAIN!

Me: Sheldon is getting some well deserved payback on Jock.

Nico: Nice. Great job today everyone.

Me: Yep.

Shope: (To the viewers) This was a fun one.

Me: It sure was.

We went to Lynn's table and celebrated with a good meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we took down Bookworm.

Anna Anyanova: We're just a few steps closer to the ultimate showdown with Wertz.

?: (Beastly Gruff Manlier Voice) That's for sure, and I'm gonna enjoy tearing his butt apart before we take him to trial and execute him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

An Old Treasure Hunters Revenge

Roach's Day to shine and Sir Elton Brandise is back for revenge

---

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless gold and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Steelaira, a planet of endless steel, iron, fire, and flames in The Forbidden Zone, and protected by powerful omnipotent angels known as The Steelairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of male Steelairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln: Whoa! A planet of endless steel, iron, fire, and flames! That's so awesome!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Steelaira.

Lincoln landed on Planet Steelaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Steelaira, it truly is an awesome gold planet.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 950'11" with abnormally massive and powerful upper

and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, he has long crimson red hair going down to his shoulders, crimson red eyes, crimson red angel wings, he has on a crimson red loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Sean Steelaira, King of The Steelairans of Planet Steelaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Serenity Steelaira. (GASPS) Now, I remember, I've been here before to Steelraira eight years ago.

Then, all of the other septillions of trillions of male Steelairans came to Lincoln.

Sean Steelaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're now as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Sean Steelaira chuckled.

Lincoln: And there's something I need to tell you.

Sean Steelaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Sean Steelaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Sean Steelaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Sean Steelaira and the other septillions of trillions of male Steelairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four

orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a crimson red aura with steel and iron swords surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Sean Steelaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to

do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Steelaira, the inner and outer cores of the planet and the million other planets consisted primarily of steel and iron and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Steelaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Steelaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they

got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and

brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Steelaira, a planet of endless steel, iron, fire, and flames in The Forbidden Zone, and protected by powerful omnipotent angels known as The Steelairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the septillions of male Steelairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of steel, iron, fire, and flames times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! Now, you absorbed a planet of endless steel, iron, fire, and flames?! That's so awesome!

Lincoln formed a steel and iron sword and the blade was surrounded by fire, and he used it to slash a training dummy shaped like Dark Chase Young and it burst into flames and the sword vanished.

Nico: Nice!

Apple Bloom and the crusaders trained vigorously!

Apple Bloom slashed a dummy that looked like Mr. Pigeon and fired a blast of energy at a dummy that looked like Antibug!

Apple Bloom: CATACLYSM!

She fired a powerful beam of darkness with Cat Noir's power and blasted a dummy of Volpina to oblivion!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Sweetie Belle, Scootaloo, Diamond Tiara, Silver Spoon, Cozy Glow, Babs Seed, fired laser blasters and slashed dummies that looked like several Akuma and blasted and slashed them into dust.

Alt. Chloe was amazed at how the Cutie Mark Crusaders fight so well.

Alt. Chloe: Wow! Those kids fight so amazingly well.

Applejack: They sure do.

Apple Bloom then saw a dummy that looked like Cerise Blanca/Lila Rossi.

Apple Bloom then felt something burn intensely in her. It wasn't hatred, it was justice and hope and light. Light of justice and light of hope and light of divine wisdom.

Apple Bloom: I will not let this monster win anymore.

She concentrated.

Inside her mindscape which was an amazing and intensely huge apple orchard, Apple Bloom stood in front of the tree that was that of her parents and there she saw the monitors of everything Cerise Blanca/Lila Rossi did and she felt something surging through her with intense power and light.

Apple Bloom: The injustices of Cerise Blanca will not go unpunished and I will not let her get away with her crimes any longer! I am Judgement and Heaven is Nigh! I am the Princess of Cutie Marks and the Sister of Applejack and bringer of Hope to those without cutie marks on their flanks. When my cutie mark comes to life, my Courtesy brings light to fill in the Blanks!

Shields and light swirled around her.

SUDDENLY THERE WAS AN INTENSELY MASSIVE SURGE OF LIGHT AND ENERGY AND THE MONITORS ALL SHATTERED! THEN A MASSIVE FLASH OF LIGHT ENVELOPED APPLE BLOOM AND HER POWER SURGED INTENSELY AS WE FELT A MASSIVE BLAST OF ENERGY!

Me: WHOA! WHAT POWER!

Nico: ALL THAT ENERGY! It's from Apple Bloom!

In a massive and intense surge of power and energy the Cutie Mark Crusaders also felt the intense surge of power too! In powerful balls of intense light and power they got their own elements of harmony as well and the World Tree Estate surged with incredible and unbelievable power! Apple Bloom got a necklace shaped like a Red Apple for Courtesy, Sweetie Belle got a necklac shaped like a purple music note for Compassion, Scootaloo got an orange wing for Courage, Diamond Tiara got a purple crown for Sincerity, Silver Spoon got a grey spoon for Reliability, Cozy Glow got a pink castle tower for Redemption and Babs got a brown scissors for Empathy!

Apple Bloom: I am the Princess of Cutie Marks and the Sister of Applejack and bringer of Hope to those without cutie marks on their flanks. When my cutie mark comes to life, my Courtesy brings light to fill in the Blanks!

Shields and light swirled around her

Sweetie Belle: I am the Princess of the Tranquil Sky and the Sister of Rarity and bringer of Light to the heart, When my Cutie Mark comes to life, my Compassion will sing the song of art!

Shields and Water swirled around her

Scootaloo: I am the Princess of Speed and Thunder and the sister of Rainbow Dash and always helping those figuring out why! My cutie mark comes to life and my Courage will Fly like a Falcon through the sky!

Lightning and Shields swirled around her!

Diamond Tiara: I am the Princess of Beauty and Jewels and one Forgiven by the Magic of Friendship and forgiven by all. My Cutie Mark comes to life and Sincerity brings love to those that heed my call!

Jewels and Crowns swirled around her.

Silver Spoon: I am the Princess of Wisdom and Guidance and one Forgiven by the Magic of Friendship and forgiven by all. My Cutie Mark comes o life and my Reliability will help those to answer my call

Spoons and Water swirl around her

Cozy Glow: I am a girl on the road of redemption and bringing love to all those that were wrong on the evil path. My cutie mark comes to life, my redemption will save people from Evil's Wrath!

CASTLES AND LIGHT SWIRLED AROUND HER!

Babs Seed: I am the Fashion of Apples and cousin of Apple Bloom and Applejack. When my cutie mark comes to life, my Redemption always has my friends backs!

APPLES AND SCISSORS SWIRLED AROUND HER

WE SAW THEM FIRE A MASSIVE AND INTENSELY POWERFUL RAINBOW HELIX BLAST AT THE DUMMY OF LILA AND IT HIT THE DUMMY AND OBLITERATED IT INTO NOTHING!

Me: WHOA! WHAT POWER!

Nico: INCREDIBLE!

Twilight Sparkle: I DON'T BELIEVE IT! The Cutie Mark Crusaders did it! They became part of the Elements of Harmony! They are now Part of the Guardians of Harmony!

Twilight Sparkle had tears of joy come down her face!

When the light faded they came down and saw the necklaces.

Apple Bloom: WOW! We're now part of the Elements of Harmony! Amazing!

We came!

Me: Apple Bloom! Are you girls okay?

Scootaloo: Better than okay! We're part of the Elements! How cool!

Rainbow Dash: You sure are! That is awesome!

Rarity: Indeed it is Sweetie Belle! Wow!

Me: We're so proud of you girls.

Nico: We sure are.

Alt. Chloe: Wow! Those 7 girls are so special.

Me: They sure are.

Applejack: YEEHAW! Yeah they are!

Roach was sleeping and Venonat was staring at him.

Venonat: Morning Roach. Time to wake up.

Roach: (Snoring)

Venonat: Roach it's time for breakfast.

Roach was snoring and really sleeping.

Venonat: Okay time to use our own alarm clock. (WHISTLES)

The mascots came in and they bounced on his bed!

BOING!

Mascots: WAKE UP ROACH! TIME TO START YOUR DAY SLEEPYHEAD!

They bounced him awake!

Roach: OKAY GUYS! I'm up! Sorry. I have a habit of sleeping in.

Poromon: No worries.

He went and got dressed and went to the table.

Me: Morning Roach. We were afraid you weren't going to wake up sleeping beauty.

Roach: (LAUGHS) Yeah I get that a lot.

Me: I can tell.

We gave him breakfast and it was pancakes and steak and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was the Akuma of Marinette's teacher Olga Mendeleiev, Kwamibuster, and she's in the village Jessie, James and Meowth went to. But if that wasn't bad enough, Jessebelle, James' toxic crazy ex-fiancé, was back yet again for more!

Adrien: Oh no, Kwamibuster!

James: And Jessebelle!

Me: AGAIN!? That toxic bitch just doesn't know when to quit.

Lincoln: Let me separate Ms. Mendeleiev from Kwamibuster.

Lincoln's eyes glowed, and we saw in a one-way viewing mirror Olga Mendeleiev being separated from Kwamibuster, and he got her to The World Tree Estate infirmary.

Nico: Nice save, Lincoln, and the way your eyes glowed, I would've thought you'd snap your fingers for that.

Me: This is one of his new purifying powers when it comes to Akumas.

Lincoln: That's right, I also now have the power to purify those who were turned into Akumas, along with purifying those infected by darkness, and I had to get Ms. Mendeleiev to our infirmary because if left alone with Jessebelle, there's no telling what she'll do to her. Alright, let's finish breakfast and head to the village Jessie, James and Meowth went to and take down Kwamibuster and throw Jessebelle in The M.O.E. Prison.

Nico: I was hoping for The Insane Asylum for Jessebelle, but that works too.

We finished breakfast and we headed to the village Jessie, James and Meowth went to long ago to help Black Belle, Shadow Storm and Violet Shiver unlock their Rainbow Power and take down Kwamibuster and throw Jessebelle in The M.O.E. Prison.

Later at the village Jessie, James and Meowth visited and Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, the King Ohgers, Tara Duncan, Cal, Sparrow, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Eowyn Rosato Wingfeather, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Skull Man, Shauntal (Pokemon), Crimson (Total Drama), Ennui (Total Drama), Bella (Loud House) and Batgirl As well as Web Spider, SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew as well as all the team and the M.O.E. Were there to meet Kate and help them.

Me: Wow nice village.

Xenia: It sure is.

Me: And located here in the middle of Saskatchewan.

Nico: Yep. Sure is a quaint place.

Pumbaa: What does quaint mean?

Timon: It means put a lid on it he's speaking!

Pumbaa: Oh.

Me: So James, you and Jessie and Meowth went here before?

James: We sure did and it was amazing.

Lola: Even though it was by accident it sure is cool.

Nico: Skull Man, I want to thank you, Web Spider, and your teams for coming

Skull Man: No problem Nico. Gonna smash some skulls in!

BONK!

I got hit on the head by one of Skull Man's skulls.

Me: OW!

Skull Man: Oops sorry.

Me: No worries.

Ash: Shauntal, I don't think I ever saw you in Unova

Shauntal: That's because I'm one fo the Elite 4 Trainers. I work pretty much away from my job as an author and it's fun.

Nico: That is cool.

Brittney: And your outfit and style and Chandelure makes you perfect for the Goths of Darkness.

Shauntal: Glad you think so.

Ash: That is really cool.

Poromon: Can I see one of your books?

Shauntal: Sure.

They were books about certain trainers like N, Alder and Volkner and they were amazing.

Me: Whoa so you documented all about trainers and how their modus operandi works.

Shauntal: Not exactly. I watch and see how these trainers bond with all their pokemon.

Poromon: That's good.

Shauntal: It sure is.

Nico: Roach do you like to sleep in?

Roach: Yes I do.

Venonat: I couldn't wake him by myself

Roach: Sorry I was having a great dream and didn't want it to end?

Me: You and Marina had an awesome family and were saving the world together

Roach: How did you know?

Me: Dreamwalker remember. Also that is a cool dream.

Xenia: It sure is.

Me: But that is so adorable that you and Marina are a family.

Horsea: All you need is a baby

Roach: That is gonna be awesome!

Me: Yeah.

Qin: So awesome.

Me: Yep. Man yesterday was wacky.

Chazz: Man no kidding! We were mangled up by Risk!

Me: And then the mascots had a drinking contest and went apeshit all over me!

Nico: I expected Poromon to drive his actual car while drunk

Me: NIco don't give him any ideas.

Poromon: Yeah. I don't drink while drive.

Nico: Sorry.

Lola: But still that was funny. Then we battled Sheldon the Bookworm! That was cool!

Laney: It sure was!

Nico: I liked the questions he asked

Me: Me too. They were awesome.

Twilight Sparkle: They sure were and J.D. how did you know all about advanced trigonometry like that?

Me: I did all that in high school when I started in Michigan. It's right up my alley.

Twilight Sparkle: It sure is.

Me: Yep. Also those are all things I learned in science.

Lisa Loud: Fitting for a genius of my calibur.

Stewie: I shut off the laser because I knew we couldn't keep it up

Me: Good work Stewie.

Nico: Yeah.

Stewie: Thank you very much.

Brian: And J.D. was that really what I saw when I had those magic mushrooms?

Me: I'm afraid so Brian.

Nicole: That's almost very similar to the Malevolent Insanity World.

Brian: Oh my god. I am never having magic mushrooms again.

Nico: Me neither!

Poromon: Anyone else want to try them?

Me: Poromon you make us try them and so help me I will never let you have another beer for a month!

Poromon: (GULP) Okay!

Nico: Nice one.

Caleb Maxwell: That's something I would have done.

Shope: It sure is. Also man my AKuma was beautiful.

Lincoln: She sure was.

Nico: Not every day someone is knocked out by melting

WE LAUGH!

Me: That was funny.

Lincoln: Especially if it was an akuma of one of my future wives.

Me: Too true.

Lola: Yep.

Shope: That was awesome.

Camie: Oh yeah!

Ymir: It sure was cool.

James: Kate's going to be Devastated when she hears the truth

?: Hear what truth James?

We saw Kate.

Kate: Team Loud Phoenix Storm it's an honor to meet you.

Me: Same here Kate. It's a pleasure to meet you. James told us a lot about you.

Kate: I can tell.

Me: Well we have a lot to tell you and I'm afraid you aren't going to like it.

Kate: Okay.

We told her everything and she was shocked and then she broke down crying and I comforted her.

Me: It's okay Kate. But Team Rocket is dead now. Jessie, James and Meowth got canned before we destroyed them. And you are not going to believe who their boss was.

Kate: (Sniffles) Who was it?

Me: Giovanni, the Gym Leader of the Viridian City Pokemon Gym in the Kanto Region.

Kate gasped!

Kate: Oh man! That is horrible!

Me: I know.

Maria: But Jessie, James and Meowth are part of the Redemption Squad. And if it makes you any better they were the worst members of Team Rocket ever with a performance record of zero.

Jessie: She's right on that.

James: (sighs) I really am sorry, Kate. I understand if you never want to see me again

Kate: I'm upset you lied but I am glad you told me the truth and Team Rocket is dead. I'm glad you're back though James.

James: I am too.

Me: By the way Kate who is this Dark Scientist?

Ash: His name is Professor Brown.

Ash told us about him.

Brown is the scientist, who moved inside a tower close to a village. He wanted to meet the villagers, but was too shy and sent his robots to offer certain services. The villagers were scared of the robots and had Team Rocket go inside the tower and defeat the scientist. Brown was too shy, but seeing a flock of Taillow going to eat off the village's crops, used his devices to power up Team Rocket's robot and defeat the Taillow. After the battle, the villagers were glad Brown saved the crops and he became the hero.

We were shocked. We thought it was a mad scientist when it truth it wasn't.

Me: Oh it was all a huge and big misunderstanding. Oops.

Ash: To be honest, you met them thanks to me.

Kate: Yes we did and sorry about the misunderstanding. We thought he and his robots were hurting us.

Me: When in truth they were saving the crops.

Nico: Yeah.

James: That is quite a misunderstanding there isn't it.

Me: I agree.

Lincoln: Okay, guys, we're in for one intense battle, we're here in the village Jessie, James and Meowth went to long ago to help Black Belle, Shadow Storm and Violet Shiver unlock their Rainbow Power and take down Kwamibuster and throw Jessebelle in The M.O.E. Prison.

Me: With what you did in separating Kwamibuster from Ms. Mendeleiev, that makes things much easier.

Nico: That's for sure. Now, we can take her down and send her to The M.O.E. and send Jessebelle to The M.O.E. Prison.

Me: Yep.

Ymir: Who is Jessebelle?

Me: She is James' crazy ex-fiance.

Jessica: I met her several times before and she is as nutty as a fruit cake. She won't stop until she makes James all his and reforms him into the perfect gentleman.

James: And she is the reason I ran away from home. What a rotten day. As soon as my engagement to Jessebelle was anounced she began to follow me everywhere like my own shadow. Trying to change me. Nothing I did was refined enough for her. Ever since I was a kid I've always hated how upper class society had rules for absolutely everything. Jessebelle is so rich and marrying her would be the worst mistake of my life. My Growlithe, Growlie is my only friend here with me.

Me: Jessebelle is a TOXIC woman for James.

Naomi Necroshade: I can see why. Marrying a woman like her would not look good on anyone.

Me: I've seen how it usually ends in crime documentaries and it's not pretty.

Nico: No it's not.

Meowth: Who'd have thought being rich can be such a bummer?

Me: Having all the money in the world is one thing, but it can never buy you the best things in life like love, friendship and power.

Caleb Maxwell: They're going to suffer a horrible, bloody torture before we throw Kwamibuster to Vypra and Jessebelle to The M.O.E. Prison.

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

Kate: What does Jessebelle look like?

I showed her a picture of her.

Me: She looks like a carbon copy of Jessie. When we first met her we thought that Jessie had a twin sister. But they may look alike physically but they are not related by blood.

Jessie: She doesn't even look like me or act like me!

Kate: I can see that but man she really is Toxic looking.

Me: Yeah. And we made it very clear that if she wants to get to James she would have to go through all of us and that is going to be like challenging the entire universe.

Nico: Yep.

Kate: Wow! That is powerful. How much is her family worth compared to James?

Me: Not really sure. James and Jessebelle both come from EXTREMELY rich families worth trillions.

Nico: Yep and their houses are huge.

Kate: Wow!

Me: I know.

Mack heard a Pokemon cry.

Mack: Look guys.

We saw a Forretress!

Me: Cool a Forretress!

Mack: Perfect for me.

Forretress: There's no food here though.

Mack: Here.

He gave it food and apples and he ate them.

Forretress: Thanks!

Mack: You're welcome. Want to come with?

Forretress: I would be honored.

Mack: Awesome.

Poromon: Yay!

Sheena: Awesome. Whoa! I'm picking up sleep waves.

Me: Sleep Waves? Wait there's only a couple pokemon I know that can do that.

Sheena: Yep. This way.

We followed Sheena and got to the village square and we saw a BUNCH OF KIDS ACTING LIKE POKEMON!

WE GASPED!

We saw a girl acting like a Magikarp, a boy acting like Bulbasaur, a girl acting like Gloom and many more.

Me: Whoa! Deja-vu!

Ymir: These kids are all acting like Pokemon.

Sheena: It's cute though.

Me: Do your powers work on kids like this?

Sheena: Lets see.

She used them and gasped.

Sheena: A Hypno did this.

Meowth: I remember something like this

Ash: Me too.

Me: But very coincidental. We encountered a Hypno that made kids think they are Pokemon.

Misty: I was turned into a Seel.

Me: And lots of kids turned into varying Pokemon because of it.

Xenia: This is really cute though.

Me: Let me see here.

I used my hypnotic glare and emitted psychic energy from my eyes!

I Clapped my hands and then they snapped out of it easily!

Kid: Whoa! (Dizzy) What happened?

Me: You'll be alright kids. Is there a Hypno here?

Boy 1: Yeah look.

We saw it hypnotizing a girl and she turned into a Bellossom!

Girl: Bellossom!

She danced like one.

Me: Wow! That is cool.

Nico: It sure is.

She was dancing with grace and agility.

Ymir: How did you learn how do to that?

Me: I just used my eyes.

Nico: Let's break a record for snapping a victim out of hypnosis in seconds.

Me: Here we go.

I did the same thing.

I clapped my hands and she was back to normal.

Me: There. That Hypno must be one of Dark Gale's work.

Sheena: WHOA! That Hypno is actually a girl named Camilla Chronia. She is half Chronian.

WE GASPED IN SHOCK!

Me: NO WAY! That's Eon's kind!

Nico: I didn't see that coming!

Ymir: Who is Eon?

Me: One of Ben's most dangerous enemies. He is a Time Alien from the planet Chronia and has intensely dangerous time powers.

Ben: We fought with him before and he was dangerous.

Me: Yeah. And we fought him before the 20 Days of Darkness began and he erased some of our memories that foretold us knowing what's coming. But not me and Eli. Our powers were too strong to be hit by them.

Eli: It's true.

Me: Yeah. Lets go over to her.

Nico: Be careful.

I went and did so.

Me: Camilla it's okay.

She then used Hypnosis on May and she turned into a Manaphy!

May: MANA MANA MANAPHY!

Manaphy: HEY! Mama is acting like me!

She then used Hypnosis on Horsea but she put her clone in front of her

But Maria formed a mirror and it bounced the waves off and they hit Nico. He then was acting like a Poliwag!

Nico: WAG WAG POLIWAG!

Poliwag: COOL! Nico is acting like me!

She used Hypnosis on Maria And she was acting like Horsea!

Maria: HORSEA! HOR SEA!

Horsea: WOW! Maria now is acting like me!

Me: Those hypnotic powers are amazing. Okay then.

I snapped my fingers and Camilla revered back. She was a girl with purple hair and purple eyes and had blue and purple angel wings and had Hypno on her forehead and had the Hands of Armageddon and a purple Omnitrix symbol and Eon on her arm as a cutie mark.

I wrapped her in a blanket and brought her over.

Nico, May and Maria were having nice talks with their pokemon.

Me: Okay that is cute. Lets revert you guys back.

I used my hypnosis and reverted them back.

Nico: (Groans) What hit me?

Maria: (VOMITS INK ALL OVER THE GROUND) BLECH!

Me: YUCK! That will leave a nasty taste in your mouth!

May: Wow that was weird.

Manaphy: Mama you were acting like me because of her. That was awesome.

She woke up to see Horsea's smiling face

Camilla Chronia: (Groans) What hit me? Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Me: You were turned into a Hypno by Dark Gale and you hypnotized lots of kids here and turned them into lots of pokemon.

Camilla Chronia: Oh man!

Me: You turned Nico into Poliwag, Maria into Horsea and May into Manaphy. We thought that was really cute.

Camilla Chronia: (LAUGHS) I can tell it was.

Me: And there were lots of kids here that were turned into numerous kinds of pokemon.

Camilla Chronia: Wow. I was battling on the planet Mikd'lty. I battled a bunch of bad Necrofriggians there that had the Hands of Armageddon. They were trying to bring my brother Eon back.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Ben: Eon is your brother!?

Me: Oh man! Your brother caused so much trouble for Ben and his friends and many of his allies.

Camilla Chronia: I know and I will always hate my brother for everything he is and stands for.

Me: I don't blame you one bit.

Poromon: (offended) You didn't hypnotize anyone into acting like me!

Me: Poromon I don't think Hypno's powers would turn anyone into Digimon. I think they are only limited to Pokemon.

Poromon: Oh I see your point.

Camilla Chronia: Yeah sorry.

Nico put his skeleton back.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple clothes.

Camilla Chronia: I look amazing.

Me: You sure do.

Ben 10,000: And we may face Eon in the future on my day to shine so be ready for that.

Camilla Chronia: I will be and it will be the last time we face him.

Me: Yep. Are your time powers just as powerful as Eon's?

Camilla Chronia: Yep. Watch.

She held out her hand and fired a beam of purple energy and it hit a pot and disintegrated it into dust in an instant!

Me: WHOA! That is intense!

Ben 10,000: It's actually fitting

Me: I agree because of Clockwork's power and more.

Nico: Yep.

Qin: So awesome.

Poromon: (to Camilla) My pride is hurt now

Nico: Poromon you can easily get your pride fixed.

Qin: Yeah.

Nico: We got a job to do.

Lincoln: (Sensed for Kwamibuster and Jessebelle) AHA! Gotcha! I just spotted Kwamibuster and Jessebelle, they're 20 yards away, but now, they're coming after us!

Caleb Maxwell: What the?! (GROWLS) Tyler, Alexander, Allie, come on! Let's tear those two bitches apart!

?: DIE, YOU OVERGROWN SHITS!

LINCOLN, NICO, AND I GOT HIT BY MASSIVE BLASTS OF FIRE AND LAVA WHICH WE ABSORBED INTO OUR BODIES AND WE GREW EVEN STRONGER! BUT, THEN, WE SAW WHO IT WAS THAT DID THE DEED! IT WAS AODHAN VULCANIA: HE DECIDED TO BETRAY US!

Lincoln: Aodhan! What the Hell is this!?

Adara Vulcania: I think I know what this is, Lincoln. Take a look, it turns out Aodhan was planning to kill you, J.D., and Nico ever since he joined and Team Buktu were gotten rid of!

Adara Vulcania got out Aodhan Vulcania's journal, and what we read, it was horrifying! We saw it for ourselves, years of hatred, malice, and monstrous desires to murder Adara and her sisters and kill Lincoln were shown in the pages, but it got even blacker and darker when the journal showed that he also intended to kill me, my harem, my kids, Nico, his harem, his kids, and everyone on TLPS and The M.O.E., and he was also extremely heartless, cruel, and malicious towards Lincoln's kids, my kids, and Nico's kids when it talked of him shaving their heads and making them feel worthless by berating them saying they're just worthless and they should just kill themselves by being run over by a train!

But, it got even worse when it was revealed that he hit my kids, Lincoln's kids, and Nico's kids and he even burned their hands and slashed at them leaving horrible scars on them! WE WERE HORRIFIED AT THE ABSOLUTE CRUELTY, HEARTLESSNESS, AND MALICE HE HAD! THIS GUY WAS A CRUEL, HEARTLESS, MONSTROUS, MALICIOUS, SADISTIC, TWO-FACED BACKSTABBING MOTHERFUCKING BASTARD TO THE CORE!

LINCOLN GOT SO PISSED OFF! ALONG WITH ME AND NICO THAT WE LET OUT WOLF ROARS OF PURE RAGE!

Lincoln: AODHAN VULCANIA, YOU HEARTLESS, MONSTROUS, MALICIOUS, CRUEL, SADISTIC, TWO-FACED, BACKSTABBING MOTHERFUCKING BASTARD! I SHOULD'VE

NEVER WELCOMED YOU TO THE TEAM, I SHOULD'VE KILLED YOU LONG AGO!

Me: YOU DID ALL THAT TO MY KIDS, LINCOLN'S KIDS, AND NICO'S KIDS!? AND YOU DID THIS TO KILL US ALL AND MAKE US SUFFER! YOU WORTHLESS DIRTCHEWING MAGGOT!

Nico: YOU PIECE OF SHIT! I CAN'T BELIEVE YOU WOULD DO SOMETHING THAT FUCKING LOW! LINCOLN WAS RIGHT, WE SHOULD'VE NEVER WELCOMED YOU TO THE TEAM IF THIS WAS YOUR TRUE FUCKING NATURE!

Finally, Aodhan Vulcania lost it as his red angel wings fell off, and what grew and sprouted out behind his back were crimson red devil wings: the wings of a bastard like him!

Aodhan Vulcania: (ENRAGED SCREAM OF RAGE AFTER GETTING FOUND OUT) SHUT THE FUCK UP, YOU OVERGROWN ANNOYING PIECES OF SHIT! SO WHAT?! I DON'T FUCKING CARE ABOUT YOUR WHORES OR YOUR ANNOYING WORTHLESS FUCKING KIDS OR THE REST OF YOU! THOSE WORTHLESS KIDS OF YOURS AND YOUR FUCKING WHORES GOT WHAT THEY DESERVED! EVERYTHING I DID WAS BECAUSE I HATE YOU ALL! YOU PATHETIC STUPID HEROES ALWAYS RUINING EVIL AND ALWAYS KILLING VILLAINS! WHY CAN'T ALL OF YOU JUST FUCKING DIE ALREADY! AND I STILL DESPISE YOU AND YOU FUCKING BITCH WHORES ALL THE WAY, ADARA! AND I WILL KILL YOU ALL IF IT'S THE LAST THING I EVER DO!

But, then, Lincoln's kids and his harem, my kids and my harem, and Nico's kids and his harem fired powerful elemental blasts at Aodhan Vulcania and he got hit hard as they exploded!

Thunder Sparkle: Everything you did was for your own hatred and your own desire for destruction!

Videl Chan: That's right, at first, we thought you were a good person, but it looks like we were wrong about you. Like Uncle Lincoln said, you're a cruel, heartless, monstrous, malicious, sadistic, two-faced, backstabbing motherfucking bastard who should've never been welcomed to TLPS in the first place if this was your true nature.

Phoenix Shimmer: You terrorized us whenever you got the chance, you cause chaos and destruction for your own hatred and for your twisted amusement!

Lincoln's kids, my kids, and Nico's kids: You're sick, but we're done letting you hurt us any longer! We are not going to let you get away with this any longer!

Lincoln had a smile on his face and tears in his eyes same with me and Nico: our kids faced down this monster and they won, their bravery had overcome and destroyed Aodhan's cruelty.

Adara Vulcania: And by the way, Aodhan! We're no longer considering rebuilding any sort of bridges with you, some bridges once burned stay ashes, and when you let your true nature out, that made it so easy.

Aodhan Vulcania: YOU FUCKING BITCHES! I'M GONNA KILL YOU EVERY LAST ONE OF YOU AND YOUR ASSHOLE HUSBANDS CAN WATCH HELPLESSLY AS I BURN EVERY LAST ONE OF YOU TO ASHES!

Aodhan Vulcania got out his sword and he went at Lincoln's kids to butcher and disembowel them, but Lincoln blocked his sword when he unholstered his massive greatsword.

Lincoln: Don't you dare...TOUCH MY KIDS, YOU PIECE OF SHIT!

POW! SCREAM!

LINCOLN KICKED AODHAN VULCANIA HARD IN THE STOMACH!

Phoenix Shimmer: Thanks, Dad.

Lincoln: No problem, sweetie. (To Aodhan Vulcania) And consider that your last mistake.

Suddenly, Lincoln's deep sapphire eyes turn crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln let out an extremely massive and savage roar as he pounded his chest like an Alpha Male Gorilla.

Me: Uh oh! Lincoln's gone Savage again! That piece of shit's done for now!

Lincoln: (Beastly Gruff Manlier Voice) Damn straight, J.D.

Lincoln went after Aodhan Vulcania, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Aodhan Vulcania, and they exploded with incredible power as they hit them.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claw and he even fired red and blue wolf fire at him as well, and Lincoln beat him up hard with punches, kicks, and karate chops and they're really super mega-painful because of his immense and excessively massive godly superhuman strength, and this was really pissing Aodhan Vulcania off the deep end, as he drank a muscle growth serum that caused him to grow to 1,000'11" in height and his muscles grew extremely larger than ever, ripping his shirt off, and he bellowed and let out a massive roar and pounded his chest like a gorilla.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Aodhan Vulcania began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Aodhan Vulcania, and Lincoln sucked out all of the remaining energy in Aodhan Vulcania's soul along with all the rage that was still in him and Lincoln banished Aodhan Vulcania to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire, lava, and elemental forces burst out of his massive biceps and massive muscles!

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped

Me: WHOA!

Adara Vulcania: This is definitely something we unexpectedly found out, if Lincoln absorbs the traitorous siblings of one of his Guardian Angels and assimilates all their powers and abilities, he grows even stronger than ever, but that's only with traitorous siblings of one of his Guardian Angels.

Nico: Lincoln's now permanently merged with the macho manly beast he has inside him.

Anna Anyanova: And that was our doing for turning him into this manly macho ladies man.

Erosa Eroticaira: And we have no complaints.

Lincoln's harem: Damn right we don't!

WE LAUGHED!

Me: But, I'm pissed that your brother hid his true nature! Like Lincoln said, we should've never welcomed him to the team if we knew this was his true nature.

Lincoln powered down and he put his left hand on my left shoulder.

Lincoln: (Beastly Gruff Manlier Voice) There's no need to apologize though, J.D., but I knew Aodhan became heartless after his evil parents were killed and Adara and the rest of the Vulcania Sisters were busy with their lives, but still, that doesn't give him the right to become cruel and evil towards his sisters or us. Aodhan Vulcania made his choices when he chose to do all that to our kids, our harems, and us as well, and now, he's paid the price for it with his life.

Nico: And a permanent disownment. Next bonding session, we'd better tend to our kids' wounds and get them to Ino and her family. Aodhan's cruelty is sure to have a horrible mark on them, that bastard's nothing but a worthless maggot.

Me: That's not even a word I'd say about him, but I don't want to get chewed out for saying what I have to say about him.

Lincoln: (Beastly Gruff Manlier Voice) That's true.

Me: Now back to our targets.

Lincoln: (To Kwamibuster and Jessebelle) Now, where were we? Ah, yes, beating the tar out of you two.

Jessebelle: (GROWLS) HOW DARE YOU GET IN MY WAY AGAIN, TEAM LOUD PHOENIX STORM! I WILL DESTROY ALL OF YOU! JAMES WILL BE MINE!

Jessie: Oh, shut it already, you toxic uppity no-good snob!

Jessebelle: WHAT THE HELL DID YOU JUST CALL ME, YOU...!

Lincoln: (Seductive Beastly Gruff Manlier Voice) Say that word about my future wife, and I'm gonna shave your hair off with this!

Lincoln got out a hair razor!

Jessebelle: (SCREAM) YOU SAVAGE HAIRY WOLFMAN BARBARIAN! HOW DARE YOU THREATEN TO SHAVE MY HAIR OFF!

Jessie: (ENRAGED) What did you just call my man?!

Me and Nico: UH OH!

POW!

JESSIE PUNCHED JESSEBELLE IN THE FACE!

Jessie: I'll have you know that he's not a savage barbarian, Lincoln Loud's a true gentleman who happens to treat women with respect especially his future wives and Guardian Angels which I happen to be! And another thing, you're trash and you're a pest! The most annoying pest there is! You obsess over James like he's property which he's not, he's a human being and a grown man who's old enough to make his own decisions!

Me: That's right!

James: And I say this, Jessebelle, we will never be together, not in a million years! You're just an absolute crazy fruit loop psycho! And I'm wondering why your parents haven't even disowned you long ago!

BURN!

Me and Nico: OH!

Meowth: I knew you were a psycho, but this, this is borderline obsession that's disgusting on so many levels!

DOUBLE BURN!

Me and Nico: OH!

Ash: I'm starting to wonder if you're the reason James got pushed into Team Rocket! (Sheepishly) Sorry. Just wanted to contribute

Me: I have a feeling you may be right Ash.

James: Yes she is! She is the reason I joined Team Rocket.

Ash: That explains it.

Me: Yep.

Moonfall Tsunami: I'm coming for you Jessebelle!

She flew and kicked her in her face!

Jessie, James, and Meowth: WE HAVE HAD IT WITH YOU RUNNING LOOSE AND TRYING TO GET YOUR WAY FOR THE VERY LAST TIME, JESSEBELLE! WE'RE CALLING YOUR PARENTS AND WE'RE TELLING THEM OF WHAT YOU'VE BEEN DOING!

Jessebelle: (GASPS) You wouldn't dare!

Lincoln got off the phone!

Lincoln: Too late! I already called your parents, and they're on their way now!

Me: BOOM!

Nicole: UH OH!

Me: Lets do it!

Jessie: Before they get here, we better give her a good beating! And you've had this coming for a very long time! (CRACKS KNUCKLES)

Jessebelle: BRING IT ON YOU OLD UGLY CROW!

Jessie: WHAT DID YOU JUST CALL ME!? (GROWLS IN RAGE) YOU UGLY OLD SNOB!

Jessebelle: YOU RED HAIR FREAK!

Billy: CATFIGHT!

Caleb Maxwell: What the?! A CHICK FIGHT! (GROWLS) HOW MANY TIMES HAVE I TOLD YOU NOT TO SET UP ANY CHICK FIGHTS WHENEVER I'M AROUND!

Caleb Maxwell marched at the fight cloud about to break the fight up in a brutal way especially when his claws came out, but Lincoln got in the way.

Lincoln: (Beastly Gruff Manlier Voice) You break up the fight, and you'll be eating those guns for lunch!

CALEB MAXWELL MADE TONS OF WEIRD CRAZY SUPERNATURAL NOISES AND HISSING LIKE A VAMPIRE!

Jessie: EAT BOOT, FRUITCAKE!

LINCOLN KICKED JESSEBELLE OUT OF THE FIGHT CLOUD AND SHE WAS BADLY MANGLED!

Kwamibuster: BRUTAL!

Moonfall Tsunami fired a beam of energy and blasted her big time.

Nico: (to Kwamibuster) Let's let them have their moment alone, shall we?

Kwamibuster: Yes we shall.

Me: You're not as insane as Crockerfucker are you?

Kwamibuster: Who?

Me: His name is Denzel Crocker and he's an insane teacher that has the same motivations like you. Except he wants to prove that Fairy Godparents exist.

Kwamibuster: Oh yeah! I've heard about him! He was nuts!

Me: That is an understatement.

Kwamibuster: Yep. I don't spaz like him though.

Me: Like this right? FAIRY GOD PARENTS!

I spazzed and did crazy poses.

Kwamibuster: YEAH! I don't do that.

Me: Good. Nico if I do that again I want you to rip my brain out of my head and eat it.

Nico: YUCK! NO WAY!

Chazz, Yugi, Captain Marvel, Shope, Rex, Roach, Aang, Tyler Bowman, Kevin Reynolds and Casey blasted her all over the place with their rings.

Me: YEAH! Also you weren't given this crazy obsession with the Kwami's on March 15th, 1973 were you?

Kwamibuster: No way. I was made this way on February 1st, 2020.

Me: Oh good.

Qin: Thank goodness.

Me: And you weren't banished from the city of Cincinnati, Ohio were you?

Kwamibuster: Nope. I'm not from America, I'm from France. Lived in Paris all my life.

Me: Good. And you don't live in a run down piece of crap house with your mother and yell how much you hate her right?

Kwamibuster: Nope. And another difference? I care about my students

Me: That's good. Crocker always gave his kids F's and failed them all for no fucking reason other than his own insanity. Also he had REALLY FUCKED up intentions and wanted to rule the world.

Kwamibuster: I know. What a jerk! I can see why he hates you guys and has caused you all lots of problems.

Me: No kidding.

Kwamibuster: Just because I was made under the same motivations doesn't mean I'm like him in every way possible.

Me: That's good. Wanted to clear that up.

Kwamibuster: (seeing we were far away from Jessebelle) Although there is one thing he and I could agree on.

Nico: What's that?

We saw a bomb on Jessebelle's back begin beeping

Me: UH OH!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

IT EXPLODED!

Jessebelle screamed as it burned her back REALLY BAD!

Me: You didn't put that bomb on her did you?

Kwamibuster: No it wasn't me. It was Anti-Monitor. He was fed up with her annoying obsession with James.

Me: That is something we all can agree on.

Jessebelle: Why?!

Kwamibuster: Because you were getting on our nerves with your obsession with James! What did you think was gonna happen?!

Moonfall Tsunami: YEAH! You need to realize that James is not the one for you! Also you are TOXIC in capital letters!

Jessebelle: WHY YOU LITTLE!? VILEPLUME SOLAR BEAM!

Her Vileplume charged up a Solar Beam and fired at Moonfall!

Moonfall then fired a wave of blue energy and fire and it formed into a deadly fire dragon and the blasts collided and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

The explosion blasted her Vileplume back!

Me: Thank goodness it wasn't put on Lily or Rarity! That would not feel good.

Kwamibuster: No kidding.

Jessebelle: SLEEP POWDER!

Her Vileplume fired blue dust.

Moonfall Tsunami formed a powerful wall of water and blocked the Sleep Powder.

She then flew and fired waves of lightning and it hit Jessebelle and electrocuted her.

ZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

Ed: Zappity Zap Zap!

Jessebelle: Stun Spore!

Moonfall Tsunami: Not this time!

She fired a wave of fire and burned the stun spore powder.

Moonfall then fired a powerful beam of moonlight energy and blasted her Vileplume and it was out cold!

Jessebelle: WHY YOU LITTLE?!

Moonfall kicked her in her face and knocked her down.

She got up.

Moonfall Tsunami: In all honesty, I don't know what the hell James's parents were thinking arranging to have him marry an unhinged fruitcake like you!

Jessica: That's right Jessebelle.

Jessebelle: Jessica!? You're alive!?

Jessica: I'm more than just alive. I'm better than ever.

She fired waves of energy and blasted her.

Camilla Chronia: Lets bring the time power.

Clockwork: (Swedish Accent) Ja lets do it!

Camilla and Clockwork: TIME BLAST SURPRISE!

They fired powerful time rays and they hit the ground by Kwamibuster and smashed her down. The time rays disintegrated her boots into dust!

Horsea squirted ink and blinded her.

Ed turned into Edzilla!

Edzilla: ED SMASH BAD FIANCE!

SMASH WHAM SMASH WHAM!

He smashed her all over the place!

Forretress charged at her And bashed Kwamibuster with a powerful ram attack.

Me: Nice one! Watch this one.

I formed skulls and threw them and bashed her in the head with them.

SMASH SMASH SMASH SMASH SMASH SMASH!

Nico: OUCH! That must've hurt.

Me: (Holds up a skull) To be or Not to Be? That is the question.

Nico: A Good question.

Me: Sorry. Whenever I think of skulls like that it makes me think of the famous Shakespearian play, Hamlet.

Nico: I don't blame you.

Poromon pecked Kwamibuster.

POINK POINK POINK POINK!

Poliwag slapped her all over with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP!

Mevya hopped over to her.

Mevya: SMELLOGRAM!

LOUD NASTY HORRIBLE BELCH!

Gatomon: (Echoing) LIGHTNING PAW!

KRASMASH!

She knocked her down with a powerful punch!

NIco: GEEZ!

Me: THAT'S A SPICY MEAT-A-BALL!

Nico: OH YEAH!

Qin: Take that!

I fired waves of energy and blasted both Kwamibuster and Jessebelle.

Nico punched Kwamibuster!

POW!

Nico: Take that!

James: VICTREEBEL!

Victreebel came out and screamed!

CHOMP!

It chomped on James!

James: (Muffled) VICTREEBEL NOT ON ME!

Ash: (chuckles) Victreebel, attack Jessebelle!

Victreebel did so and blasted her on her butt with a solar beam!

Me: Nice work Ash.

James: How did you get Victreebel to listen to you?

Ash: Learned a lot from Gardenia, Erika and learned a lot about Grass Type Pokemon too.

Me: Yep.

James: You could've done that anytime?!

Ash: (defensively) In my defense, you guys were still after Pikachu

James: Good point.

Kate: Victreebel sure is friendly with James.

Me: That's just his way of showing affection. All Grass type Pokemon have their way of showing affection to James. Mostly in the way of chewing on his head.

James: Like Carnivine and Cacnea

Me: Yeah.

Kate: I see.

Poromon: Time to show these bitches some drunk frenzy!

They drank lots of bottles and got drunk.

Amy: Well, cue the shenanigans

Mascots: (Singing) (SLURRED SPEECH) NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM! NOBODY KNOWS! (LOUD FART AND HIC) HOW DRY (HIC) I AM!

Me: That was funny.

Poromon: (Drunk) Oh look who it is! (POW!)

He punched Jessebelle.

Jessebelle: OW! What the heck was that for!?

Poliwag then slapped her with his tail!

WHAP!

Jessebelle: HEY!

Poliwag: (DRUNK) COME HERE YOU SON OF A BITCH!

WHAP!

Poliwag: (CRYING) WHY DO YOU ALWAYS CLOSE YOUR EYES WHEN YOU MAKE LOVE! (CRYING)

Horsea then squirted ink into her mouth!

Horsea: (Drunk) HAVE A DRINK (HIC) BUB!

She spit it out and gagged and coughed!

Jessebelle: (SPITS) OH YUCK!

Manaphy then kicked Kwamibuster in the crotch!

DING!

Kwamibuster: (SINGING IN OPERA NOTE)

Manaphy: (Drunk) YEAH SING YOU BUTTKISSING BUTTHEAD!

Kwamibuster: (SQUEAKING LIKE A CHIPMUNK!) THAT REALLY HURT!

THEY WINCED FROM THAT!

But then...

LOUD NASTY HORRIBLE AND GROSS FART!

THEY FARTED IN Jessebelle's FACE!

Jessebelle: (COUGHING AND GAGGING) OH SICK!

Horsea looked at Kwamibuster.

Kwamibuster: Uh oh.

Horsea: Take this you Team Rocket jerk!

Horsea fired a bubblebeam blast and she ducked and it hit a rock.

Poromon: Time for me to drive my car!

Ransack: I'm sorry, what?!

He got on Ransack!

Poromon: (Singing) I like driving in my car. (FART FART FART FART FART FART FART!) It's no kind of jaguar! (FART FART FART FART FART FART FART!)

Ransack transformed and drove and blasted them both down.

Nico: Take that!

I reverted the mascots back to normal.

Maria: (Turns dial) In case I forget, BLIZZARD ELEMENT 6!

She summoned Blizzard Elemental (World of Warcraft), Skybreaker, Tornado (Eternal+), Astromons, Blizzalar and Water Hog.

Nico: Good call.

Maria: Thanks.

I fired waves of lightning and blasted Jessebelle and Kwamibuster all over.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abominations of evil and send them to their place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to their eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at Kwamibuster and Jessebelle and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Kwamibuster and Jessebelle, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Then, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings fired chains of gold energy that bound Kwamibuster and Jessebelle.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings fired chains of gold energy that bound them too.

And Nico's enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings fired chains of gold energy that bound them too.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of

Kwamibuster and Jessebelle and a cluster of rainbow, white and blue heavenly flames exploded out behind their backs, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 950'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, STAY DOWN, YOU FRUITCAKES!

Lincoln, Nico, and I did one final powerful energy slash that hit Kwamibuster and Jessebelle hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Kwamibuster and Jessebelle were on their last legs and they were really really mangled.

WE HEARD YELLING FROM THE DISTANCE, AND LINCOLN MADE A ONE-WAY VIEWING MIRROR AND WE SAW IT: JESSEBELLE'S PARENTS WERE YELLING AND SCREAMING AFTER LINCOLN HAD GIVEN THEM THE VIDEOS AND FILES OF JESSEBELLE'S UNHINGED BEHAVIOR AND HER OBSESSION WITH JAMES!

Ash: Uh oh!

Jessica: Oh crud! Jessebelle's parents are really pissed!

Jessebelle's face went completely pale!

Lincoln, Nico, and I fired blasts of ruby red fire and ladybugs which hit Kwamibuster and Jessebelle hard, and we kicked them hard in the stomach and sent them flying into a portal Lincoln opened up that led to The M.O.E. We cheered wildly as we holstered our weapons and powered down.

Nico: That should do it, but damn, you caused quite the uproar when you sent them everything of Jessebelle's unhinged behavior.

Me: Man, I have never heard anyone yell and scream like that! Other than Lincoln and his family.

Eli: And I also heard...(SHUDDERS) Some really unpleasant words as well that I do not want to even repeat!

Lincoln: Same here. (Shudders)

James Blunt: I hope you don't have any Guardian Angels who have foul mouths worse than J.D. or Tayuya.

They had nervous looks.

James Blunt: I knew it, I was right.

May: Oh God...! If we meet her in the future, I can guess we'd better get some earplugs for that.

Lincoln: That probably won't do any good, her mouth is so foul and so rotten, earplugs melt into nothing but melted plastic and even earmuffs won't do any good.

Lynn Sr.: (SHUDDERS) So...horrible!

Lincoln: We'll save that for a future date.

James: Finally! Hopefully, she'll leave me alone.

Me: I agree.

Kate: That woman was really crazy James.

James: She was. And I'm glad she is gone.

Qin: Yeah no kidding.

Forretress: That woman was a monster.

Me: No kidding there.

Varie: I agree too.

Nico: Nice job, Forretress.

Forretress: Thanks Nico.

The mascots groaned.

Poromon: What a nasty headache.

Me: You used the same crazy shenanigans you did on me with Kwamibuster.

Nico: Yeah.

Poromon: I see. Want some beer, Forretress?

Forretress: Oh no thanks. Got any crab juice though?

Me: I got lots of that.

I gave him some and he drank it all down.

Forretress: Ahh. That was good.

Me: You're welcome.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Forretress: Nice try pipsqueak.

Poliwag: HEY!

Manaphy: Since you all don't seem to care if Mama gets hurt, I'll go for a walk later to clear my head. Screw you all!

May: Manaphy come on don't talk like that.

Manaphy: But Mama.

May: I know but I'm okay Manaphy. You know that.

Me: Yeah Manaphy it's not our fault.

Manaphy: Oh right.

Nico: And besides May always is fine.

Manaphy: Okay I'm still going out though.

Me: I understand.

Skull Man: Yeah.

Nico: Oh Skull Man, what do you like to do in your free time?

Skull Man: I work as a graveyard groundskeeper and monitor all the graves. The Goths of Darkness are welcome to have seances there and have their club there and it's cool.

Brittney: Thanks Skull Man.

Nico: Good job there and fitting too.

Qin: I agree.

Brittney: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Roach.

Roach: Another Me, that must be someone whom I'd known from long ago.

Lincoln: We'll have to see who it is.

Me: So Skull Man, Shauntal (Pokemon), Crimson (Total Drama), Ennui (Total Drama), Bella (Loud House) and Batgirl are up ad we got Another Web Spider, SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew.

Nico: Yep.

Qin: That's right.

Xenia: This will be interesting.

Nico: There they are!

We saw Another SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew.

Me: Whoa! This will be intense.

Qin: Yep.

Another Swallown: (In a girls voice) It sure will.

They reverted back and it was the gene-slammer of Evil HERO Toxic Bubble!

Nico: Tanya Bubblestorm!

Tanya Bubblestorm: Good to see you Nico.

Nico: You too. Tanya and I went to Science Class and she is a deadly poison master.

Me: Cool! By the way are the rest of the Anothers friendly or hostile?

Tanya Bubblestorm: Friendly and awesome.

Me: Awesome.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: And now, we wait.

Me: Yep. (LOUD FART) Oops sorry.

Nico: No worries.

Me: Good. Oh we don't have to wait long!

We saw Another Web Spider and Roach!

Me: This will be intense. WHOA!

I sensed a really huge energy!

Me: I sense a huge energy! It's coming from the Another Web Spider!

Another Web Spider: (In a girls voice) My power is strong.

She reverted back and it was the gene-slammer of Black Luster Soldier - Envoy of the Beginning, and she was a really voluptuous one.

Nico: Alliyah Alpha!

Alliyah Alpha: Good to see you again Nico.

Nico: Same here.

Rei Miyamoto: HEY NO FAIR! Your breasts are bigger than mine! No fair!

Alliyah Alpha: Just born with good looks.

Nico: And your friend?

Another Roach: (In a girls voice) Someone who is proud of her brother.

She reverted back and was a girl with black hair and blue eyes and had green angel wings and had black clothes and a Battleball belt.

Roach: Gia!

She and Roach hugged.

Gia Roachmont: Hey bro.

Me: Your sister no doubt.

Roach: Yep. My older sister Gia.

Gia Roachmont: Pleasure to meet you all. I'm also a member of the Benevolent Alliance too.

Me: Cool!

Gia Roachmont: Yep. I heard about how the Virus and its creators were destroyed and I'm glad it's over.

Me: Yep and Jock Jockerson and Sheldon the Bookworm are both in jail and Count Venamus was battled earlier and is in prison.

Gia Roachmont: Good.

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger Gear) Because we can grant it instead.

They got weapons for said teams.

Alliyah Alpha: No he didn't. I used my powers and blasted him down and we ran.

Me: Whoa!

Sakura Knudson: That explains why the lab was a mess back then.

Me: Yep. And Gia your brother has come a long way. He has an amazing mermaid girlfriend.

Roach: It's true.

Gia Roachmont: I'm so happy for him.

Me: We all are.

Sougo: (gets out Beast Morphers Ridewatch) Roach has super strength

Geiz: (gets out Super Megaforce Ridewatch) What about you?

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor.

Gia Roachmont: I have this.

She punched the ground and numerous trees grew instantly.

Me: Nature powers!

Gia Roachmont: Yep. It's cool.

Me: It sure is.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (Gets out Web Spider's Ridewatch) WEB IT UP!

May: (Gets out Flutterbat's ridewatch) (HISSES)

Universe 666 May: (Gets out Evil Peter Puppy's ridewatch) Time to burn!

Maria: (Gets out Swallown's ridewatch) Swoop and blast!

Shauntal: (Gets out SkullSeadramon's ridewatch) Lets Bone it up!

They used the powers of Web Spider, SkullSeadramon, Flutterbat, Evil Peter Puppy, Swallown and Swifty the Shrew and blasted the Anothers all over.

Poromon: YEAH!

Then Ice Dragon (Kirby's Dream Land 2), Scarlet Glaciator, Snowflake Obsidian, Espio Man, Fantomius, Scarlet Stormy Weather and Leopard Seal (Pebble and The Penguin) came.

Me: WHOA!

Nico: Nice team Ice Dragon.

Ice Dragon: Thanks! It's cool!

Me: That means Arctiguana and his team next.

Arctiguana: Cool.

Me: Yep.

?: Awesome.

Out came Elemental HERO Woodsman!

Me: WHOA! Elemental HERO Woodsman!

Jaden: Sweet!

Elemental HERO Woodsman: (In a girls voice) Time for some wood power.

Nico: Eliza Woodsman! Wow!

She reverted back.

Eliza Woodsman: Good to see you Nico. I got this. NATURE LEAFSTORM BLAST!

She fired waves of leaves and blasted the Anothers and blasted them and I caught the ridewatches and purified them.

Me: Yeah!

Nico: Nice job!

Eliza Woodsman: That was awesome!

Me: It sure was.

Shauntal: Do you have any good memories of Nico?

Eliza Woodsman: I sure do. When I showed Nico my forest treehouse and had him meet my friends in the forest. And also how I defeated a bunch of hunters and poachers.

Me: Cool! You are totally bonded with nature.

Fluttershy: Just like me.

Eliza Woodsman: I sure am.

Me: Yep.

Nico and Eliza hugged.

Nico: I've missed you.

Eliza Woodsman: Same here.

We went back home and we got Kate settled in.

But, we're not going to let them do so, despite that Caleb's immortal and invincible, we know they're not going to stop until Caleb was dead once more, so we are going to have them taken down, and you might call us crazy, but we're gonna let Caleb decide their death sentence.

We had all of TLPS and The M.O.E. with us.

Lincoln: Ah, we're here in New Jersey, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we'll be checking out Nico's old neck of the woods, but we're also gonna be in for big trouble, it appears The Bleeding Hearts has risen once more to get revenge on him for the deaths of their fellow gang members and they were out for blood.

Me: The Bleeding Hearts? Who are they?

Allie Maxwell: They're one of the many gangs in New York who'd been fighting for supremacy and power ever since The Big Claw Gang had risen to power in 1993 after The Syndicate's fall. But, they had lost all their power and wealth ever since Caleb returned to New York in 1996 and after he had transformed, he began killing gangs all over New York, and The Bleeding Hearts' leader was among his victims.

Allie Maxwell got out the picture of a 25-year-old male white-furred cat with black hair, black tail, and dressed in business clothes.

Jack Howard: The leader of The Bleeding Hearts at the time was David Matthews, he was a very violent man responsible for the rise of drugs and weapons trafficking in New York in 1992 a year before The Big Claw Gang's rise, The Syndicate's fall, and Caleb's return from the dead.

Carter Kenrick: He thought things were looking up, but in 1996, Caleb went after him and his gang and in the bloody melee, the members escaped and David Matthews became another of Caleb's many victims on his rampage.

WE GASPED!

Nico: Oh man...!

Roxy Drake: Yep, in the aftermath of Caleb Maxwell's rampage, the members fled to New Jersey, and they swore revenge on Caleb.

Eli: But, they don't know that Caleb's immortal and invincible.

Jazz Jackson: Nope, they're too messed up and wanted revenge on him one way or another.

He said that he was coming for them, and he was going to kill them and burn their office to the ground.
